Religion And Dalit Liberation An Examination Of Perspectives:

Religion and Dalit Liberation John C. B. Webster, 2002 Revised version of three lectures on the views of Dr Bhimrao Ramji Ambedkar on dalits **Dalit Theology and Dalit Liberation** Peniel Rajkumar, 2016-05-13 In fulfilling the long awaited need for a constructive and critical rethinking of Dalit theology this book offers and explores the synoptic healing stories as a relevant biblical paradigm for Dalit theology in order to help redress the lacuna between Dalit theology and the social practice of the Indian Church Peniel Rajkumar s starting point is that the growing influence of Dalit theology in academic circles is incompatible with the praxis of the Indian Church which continues to be passive in its attitude towards the oppression of the Dalits both within and outside the Church The theological reasons for this lacuna between Dalit theology and the Church s praxis Rajkumar suggests lie in the content of Dalit theology especially the biblical paradigms explored which do not offer adequate scope for engagement in praxis *Religion and Dalit Liberation* John C. B. Webster, 2002 Revised version of three lectures on the views of Dr Bhimrao Ramji Ambedkar on dalits **Talisman, Extreme Emotions of Dalit Liberation** Thirumaavalavan, 2003 Translated For The First Time Into English From The Original Tamil These Essays Present The Characteristically Honest And Uncompromising Views Of Thirumaavalavan A Leading Dalit Intellectual And Mla Of The Viduthalai Chiruthaigal Or The Liberation Panthers Of Tamil Nadu Hard Hitting Courageous Thought Provoking This Collection Shows New Directions In Dalit Politics On the Banks of Ganges Felix Wilfred, 2002 **Annual Review of the Sociology of Religion. Volume 4 (2013)** , 2013-11-21 Prayer is a phenomenon which seems to be characteristic not only of participants in every religion but also men and women who do not identify with traditional religions It can be practised even by those who do not believe either in a God or transcendent force In this sense therefore we may assert that the prayer is a typically human activity that has accompanied the development of different civilizations over the course of the centuries Both the material issues of concrete daily life as well as more symbolic elements expressed through words gestures body positions and community celebration are brought together in the act of praying **Dalits' Struggle for Social Justice in Andhra Pradesh (1956-2008)** Akepogu Jammanna, Pasala Sudhakar, 2016-12-14 The complete alienation of Dalits from resources like land water and agricultural implements has led to the collective demand for an equal share in productivity This book discusses the range of socio economic and cultural problems faced by the Dalit community The movement advancing the rights of Dalits took place both before and after independence however they varied in intensity and concerned land ownership and fair wages self respect social dignity and the demand for equal rights This movement appeared to have significantly changed the very mindset and attitude of upper caste people to restrain themselves and not to resort to any discrimination or humiliation of Dalits However this seems to have been only a temporary phenomenon and the practice of suppression and humiliation continues today This book explores the circumstances of Dalits in the Indian state of Andhra Pradesh and the current efforts attempting to achieve more social equality for the caste here *Christianity* John

Chathanatt,2024-01-08 Published in the Series Encyclopedia of Indian Religions this volume is devoted to Christianity in India where it has had a long presence going back to the time of the apostles of Jesus Christ It focuses on the history origin organizations and local engagements belief system worship practices Rites Rituals Christian life Contributions Spirituality and a few of the main doctrinal and theological items It further examines the earlier phase of the history of Christianity starting with the traditional belief of the arrival of St Thomas in AD 52 moving to the periods of its association with the Chaldean church the Portuguese the Dutch English and so on This volume highlights the missionary activities of persons like St Francis Xavier the creative contributions made to the inter religious dialogue by such people as Roberto de Nobili 1577 1656 and Swami Abhishiktananda 1910 1973 the linguistic and educational contributions of some of the pioneers like the German Jesuit Johanne Ernst Hanxleden known as Arnos Padiri 1681 1732 Herman Gundert 1814 1893 St Elias Kuriakos Chavara 1805 1871 and a fortiori the enormous contributions in the healthcare area throughout the country Caring for and serving the socio economically marginalized ones the peripheralized people formed an integral part of the Christian activity In India as it is done even today This is highlighted very much in the volume It further explores the contact India had with European Christianity showing that European Christianity proved to have wider influence in the Northern part of India unlike India s early episodic encounters with Palestinian and Persian forms of Christianity which had deep influence in the Southern part of India The volume also highlights the inner struggle among the followers resulting even in its division originating at the Synod of Diamper in 1599 manifesting by and large the Church state love and hate relationships In fine in spite of the drawbacks of putting the herculean task of two thousand years of history in eight hundred pages or so this volume gives a rather comprehensive view of Christianity in India especially to those who are unfamiliar with its life and dynamics in the Indian context The wide range of photographs 325 of them especially of the churches revealing the architectural beauty and multiplicity along with the ensample of art and paintings and pilgrimage centers adds to the enrichment of the volume

The Limits of Tolerance C.S. Adcock,2014 This book provides a critical history of the distinctive tradition of Indian secularism known as Tolerance Examining debates surrounding the activities of the Arya Samaj a Hindu reform organization regarded as the exemplar of intolerance it finds that Tolerance functioned to disengage Indian secularism from the politics of caste

Subalternity and Difference Gyanendra Pandey,2013-03-01 Focusing on concepts that have been central to investigation of the history and politics of marginalized and disenfranchised populations this book asks how discourses of subalternity and difference simultaneously constitute and interrupt each other The authors explore the historical production of conditions of marginality and minority and challenge simplistic notions of difference as emanating from culture rather than politics They return thereby to a question that feminist and other oppositional movements have raised of how modern societies and states take account of and manage social economic and cultural difference The different contributions investigate this question in a variety of historical and political contexts from India and Ecuador to Britain and the USA The

resulting study is of invaluable interest to students and scholars in a wide range of disciplines including History Anthropology Gender and Queer and Colonial and Postcolonial Studies
