Reunion And Dark Pony Two Plays:

Reunion and Dark Pony David Mamet, 2014-10-26 In these two moving early plays David Mamet displays the humor sensitivity and ear for language that have made him one of the most celebrated playwrights in American theater today Reunion depicts the awkward tender meeting between a father and a daughter drawn together by their loneliness after twenty years of separation Their cautious small talk filled with evasion and cliché gradually exposes the terrifying isolation in which they live and ultimately their great need for each other In the short vignette Dark Pony a father tells a favorite bedtime story to comfort his young daughter as they drive home late at night A foray into the realm of legend the story of a young Indian brave and his trusty horse Dark Pony has been called a lovely tiny moment of a play by Julius Novick of The Village Voice

Mamet Plays: 2 David Mamet, 2015-12-30 The finest American playwright of his generation Sunday Times Reunion shows the meeting between a father and daughter after nearly twenty years of separation It would be hard to over praise the way Mr Mamet suggests behind the probing joshing family chat an extraordinary sense of pain and loss although the play has a strong social comment about the destructively cyclical effect of divorce it is neither sour nor defeatist Guardian In Dark Play a father tells his five year old daughter a story about an Indian boy and his pony a subtle lyrical dreamlike vignette Star Tribune In The Woods a young man and woman spend the night in a cabin together a beautifully conceived love story Chicago Daily News Lakeboat portrays eight crew members of a merchant ship exchanging wild fantasies about sex gambling and violence Richly overheard talk loopy funny construction Village Voice Edmond is an odyssey through the disturbing suspended dark void of a contemporary New York it is also a technically adventurous piece pared brilliantly to the bone highly theatrical in its scenic elisions Financial Times

Imagination in Transition Bruce Barton, 2005 The move from playwright to cinema screenwriter and director is a rare accomplishment No American writer has achieved this transition with the level of success enjoyed over the past two decades by David Mamet Over this same period Mamet has also authored a body of aggressive critical writing that demonstrates enduring aesthetic and ideological preoccupations regularly expressed as a set of confident best practices However the relationship between theory and practice becomes particularly and productively rowdy at the sites of Mamet's transitional media crossing Imagination in Transition establishes a flexible set of core characteristics of Mamet's dramatic and theatrical dramaturgy and then compares these with the textual and cinematographic strategies employed by Mamet in his initial transitional feature films This study then offers both an innovative approach to Mamet's work and an illuminating framework for cross media analysis
