Rosamond Lehmann:

Rosamond Lehmann Selina Hastings, 2012-02-29 The life of Rosamond Lehmann was as romantic and harrowing as that of any of her fictional heroines Her first novel the shocking *Dusty Answer* became wildly successful launching her career as a novelist and just as her novels depicted the tempestuous lives of her heroines Rosamond's personal life would be full of heartbreaking affairs and lost loves Escaping from a disastrous early marriage Rosamond moved right into the heart of Bloomsbury society with Wogan Philipps Later on she would embark on the most important love affair of her life with the poet Cecil Day Lewis nine years later he abandoned her for a young actress a betrayal from which she would never recover Selina Hastings masterfully creates a portrait of a woman whose dramatic life work and relationships criss crossed the cultural literary and political landscape of England in the middle of the twentieth century *Dusty Answer* Rosamond Lehmann, 1984 **Rosamond Lehmann. - New York (1965). 157 S. 8°** Diana E. LeSturgeon, 1965 [The Northeastern Dictionary of Women's Biography](#) Jennifer S. Uglow, 1999 The most comprehensive reference book of its kind with more than 60 new entries in this third edition **Dusty Answer** Rosamond Lehmann, 2015-04-28 Rosamond Lehmann's first novel now a classic of British literature tells a luminous story of friendship discovery and forbidden love This debut novel set in the early 1900s tells the story of Judith Earle a solitary only child growing up in a sprawling house in the Thames Valley From an early age she is fascinated by the six cousins who live next door There's boring faithful Martin of the red cheeks and perennially scabby knees beautiful aristocratic Charlie whom Judith secretly adores and who will die in the First World War reckless Julian who turns lying into an art enigmatic Roddy who visits only occasionally and Mariella whose marriage to her first cousin will end tragically and who lives with the scandal of her mother running off with another man Every year the Fyfe family returns to this idyllic corner of England Childhood friendships blossom into adolescent romance as the cousins fall in love with Judith and she with them But her world transforms forever when she meets a beautiful fellow student named Jennifer A novel in many ways ahead of its time *Dusty Answer* is about love first love love on the rebound taboo love the loss of love With its gentle indictment of England's class system it is also about what goes on behind the closed doors of genteel society and the self deceptions we spin in order to give our lives meaning **Rosamond Lehmann** Gillian Tindall, 1985

A Note in Music Rosamond Lehmann, 1982-02-15 Grace Fairfax lives with her dull conventional husband Tom in a grey manufacturing town in the north of England At thirty four she finds that her external life of dreary routine fails to match up to her lush wistful and dreamy internal life Norah her energetic and chaotic friend is equally settled in her own marriage to an irritable university professor Then Hugh Miller and his sister Claire descend upon the quiet town On all four the hypnotic charm of these two visitors exerts an enchanting spell And after their departure life having been violently disrupted will never be quite the same again **A Note in Music** Rosamond Lehmann, 2015-04-28 A seductive new stranger becomes the symbol of everything two married women secretly long for in this richly imagined novel by one of the most distinguished

writers of the twentieth century Thirty four year old Grace Fairfax lives a dull conventional existence with her dull conventional husband Tom in a dreary manufacturing town in the North of England A year ago when a fortune teller told her that her life lacked will and purpose she wasn't surprised Every day the same predictable routine it's a wonder she doesn't go mad Then Hugh Miller and his sister Clare descend on the town Clare is young and beautiful Hugh seems to possess everything lacking in Grace's life passion vitality and most important the freedom to do as he pleases Grace's best friend Norah MacKay isn't immune to the handsome stranger's charms either Married to Gerald a curmudgeonly university professor the mother of two has her own fantasies of desire and liberation But Hugh isn't the man Grace and Norah imagine him to be In this story of two strangers who cast an otherworldly enchantment on an entire town and its inhabitants *A Note in Music* presents an intensely moving portrait of marriage its disappointments joys jealousies fears and loneliness and the truths that remain unspoken

The English Countryside David Haigron, 2017-08-09 This collection of essays examines representations of the English countryside and its mutations and what they reveal about a nation's communities or individuals search for identity and fear of losing it Based on a pluridisciplinary approach and a variety of media this book challenges the view that the English countryside is an apolitical space characterised by permanence and lack of conflict It analyses how the pastoral motif is actually subverted to explore liminal spaces and temporalities The authors deconstruct the rural idyll myth to show how it plays a distinctive and yet ambiguous part in defining Englishness Britishness A must read for both scholars and students interested in British rural and cultural history media and literature

The Poison at the Source P. Brown, 1992-03-10 An examination of a number of English women novelists who portrayed the crises and conflicts in the development of the female consciousness as a response to the anomalies of the rapidly changing world of the early twentieth century when opportunities for self expression and fulfilment were beginning to open up for women but nineteenth century values and prejudices still widely prevailed May Sinclair Radclyffe Hall Rosamond

Lehmann Antonia White and Dorothy Richardson are seen as outspoken and innovative writers often marginalised or ignored by serious criticism *Rosamond Lehmann* Judy Simons,2011 *Recharting the Thirties* Patrick J. Quinn,1996 The aim of *Recharting the Thirties* is to revitalize the awareness of the reading public with regard to eighteen writers whose books have been largely ignored by publishers and scholars since their major works first appeared in the thirties The selection is not based on a political agenda but encompasses a wide and divergent range of philosophies clearly the contrasts between Empson and Upward or between Powell and Slater indicated the wide ranging vision of the period Women writers of the period have largely been marginalized and the writings of Sackville West and Burdekin for example not only present distinct feminine voices of the period but also illuminate how much good literature has been forgotten *Looking for Mr. Nobody* Jenny Rees,2018-01-16 Goronwy Rees 1909 1979 was one of the most gifted and promising figures in the constellation of British poets journalists and intellectuals of the 1930s that included Louis MacNeice W H Auden C Day Lewis Isaiah Berlin and Anthony Blunt Like many liberals of his generation he was shocked by the effects of the Depression and correspondingly sympathetic to the Communist regime in Russia Guy Burgess of the Cambridge spies Burgess Maclean Philby and Blunt admitted his espionage to Rees His association with Burgess was to blight the rest of Rees s life When Burgess defected in 1951 and Rees denounced him to MI5 Rees was viewed more as a spy out to save his own skin than as an honorable citizen His anonymous sensationalist articles in *The People* denouncing Burgess s political activities and all but naming names condemned him with the British intellectual community not for his politics but for his betrayal of a friend Colleagues and acquaintances accused him of trying to initiate a McCarthyite witch hunt He lost his job His academic career was ruined In *Looking for Mr Nobody* Jenny Rees deals with many of the old charges made against her father in her search for the answer to her own question Was he too a spy Had he joined up with Burgess and Blunt and passed secrets to the Soviet Union Her quest for the truth reveals a fascinating portrait of a brilliant but flawed man of letters handsome and seductively charming caught up in the radical political commitments of the 1930s Communist Party membership and his tortured relationship with the notorious Cambridge spies **British Fiction in the 1930s** James Gindin,2016-07-27 *British Fiction in the 1930s* studies the literary climate of the British 1930s through a critical treatment of some of its influential and socially representative fiction The works depict in various ways a culture under the stress of seemingly insoluble economic and intensifying international dilemmas a culture that seems betrayed by the promise of its past and the paralysis of its present The fiction considers transforming solutions individual and sexual rebellions as well as the fears and attractions of social and political change Literature as History Simon Barker,Jo Gill,2011-10-27 *Literature as History* presents a selection of specially commissioned essays by a range of key contemporary thinkers on the interdisciplinary study of literature and history The unifying theme is the interrelationship between literary cultural production and its historical moment The essays in the collection are astute and exciting in terms of their engagement with ever changing developments in critical and

theoretical practice while retaining an invaluable focus on familiar and engaging texts and authors The contributors offer a reappraisal of the nature of literary studies today looking back over the thirty five years of Peter Widdowson s career a career which has coincided with the emergence of challenges to and reformulations of critical theory and ask what the future holds particularly for the interdisciplinary ways of working which Widdowson pioneered Bringing together distinguished scholars in the interdisciplinary study of English and History it seizes the opportunity to take stock of the current field of literary studies and to ask searching questions about its future development *The Ballad and the Source* Rosamond Lehmann,2006-03-02 Ten year old Rebecca is living in the country with her family Then Sibyl Jardine returns to the neighbourhood The young girl feels fascination and fear for Mrs Jardine and soon becomes an eager audience for the old woman s story It is a passionate tale of human possession that is both sweet and savage *The Swan In The Evening* Rosamond Lehmann,2013-03-07 ONE OF THE MOST REMARKABLE BRITISH WRITERS OF THE TWENTIETH CENTURY Full of her sensibility her funniness her own peculiar acumen ELIZABETH JANE HOWARD Lehmann legitimised a type of writing that took on deep personal themes ENGLISH PEN Combines something of the earthiness of Colette with the imaginative insight of Virginia Woolf CYRIL CONNOLLY Rosamond Lehmann one of the most distinguished British writers of this century published eight acclaimed works of fiction Her only autobiographical work *The Swan in the Evening* recreated first the child she was and the experiences that made her the woman she became moving on to tell the story of her beloved daughter Sally and the tragedy of her early death at the age of twenty four Then tentatively and persuasively Rosamond Lehmann relates the totally unexpected overwhelming and scrupulously recorded psychic and mystical experiences she underwent following that terrible loss The meaning of such events their messages of hope and comfort to others she then through a letter to her granddaughter passes to us *Living in Time* Albert Gelpi,1998-02-19 The Oxford poets of the 1930s W H Auden C Day Lewis Stephen Spender and Louis MacNeice represented the first concerted British challenge to the domination of twentieth century poetry by the innovations of American modernists such as Ezra Pound and William Carlos Williams Known for their radical politics and aesthetic conservatism the Auden Generation has come to loom large in our map of twentieth century literary history Yet Auden s voluble domination of the group in its brief period of association and Auden s sway with critics ever since has made it difficult to hear the others on their own terms and in their own distinct voices Here rendered in eloquent prose by one of our most distinguished critics of modern poetry is the first full length study of the poetry of C Day Lewis a book that introduces the reader to a profoundly revealing and beautifully wrought record of his poetry against the cultural and literary ferment of this century Albert Gelpi explores in three expansive sections the major periods of the poet s development beginning with the emergence of Day Lewis in the thirties as the most radical of the Oxford poets An artist who sought through poetry a way of living in time without traditional religious assurances Day Lewis went further than his friends in seeking to forge a revolutionary poetry out of his commitment to Marxism When Stalinism led

to his resignation from the Communist Party Day Lewis in the forties went on to shape a rich fiercely perceptive poetry out of the convergence of the wartime crisis with the explosive events of his own inner life intensified by the erotics of a decade long affair Returning to his Irish roots and meditating on the persistent tension between agnosticism and faith in the work of his third and final period Day Lewis wrote some of the most moving poems in the language about mortality and dying the limits and possibilities of human striving Through the traumatic changes of his life C Day Lewis came increasingly to depend on the intricacies of poetry itself as a way of living in time His abiding belief in the psychological and moral functions of poetry impelled him in his critical writings and in his own poetic practice to delineate a modern poetics that presents an effective alternative to the elitist experimentation associated with Modernism This vital revisionist reading of Day Lewis demonstrates that much of his best work was written after the thirties and establishes him as one of the most significant and accomplished British poets of the modern period
