Rosamond Lehmann's Album:

Rosamond Lehmann's Album Rosamond Lehmann, 1985 Book consists of photographic portraits of Rosamond Lehmann and her circle of acquaintance **Rosamond Lehmann** Selina Hastings, 2012-02-29 The life of Rosamond Lehmann was as romantic and harrowing as that of any of her fictional heroines Her first novel the shocking *Dusty Answer* became wildly successful launching her career as a novelist and just as her novels depicted the tempestuous lives of her heroines Rosamond's personal life would be full of heartbreaking affairs and lost loves Escaping from a disastrous early marriage Rosamond moved right into the heart of Bloomsbury society with Wogan Philipps Later on she would embark on the most important love affair of her life with the poet Cecil Day Lewis nine years later he abandoned her for a young actress a betrayal from which she would never recover Selina Hastings masterfully creates a portrait of a woman whose dramatic life work and relationships criss crossed the cultural literary and political landscape of England in the middle of the twentieth century

Rosamond Lehmann Judy Simons, 2011 This book locates Lehmann's fictional achievement in the context of her times and in particular describes its positioning within the turbulent period between two world wars and the changing aesthetic of modernity **Rosamond Lehmann's Album** Rosamond Lehmann, 1987-06 Autobiografie in foto's van de Engelse schrijfster

Rosamond Lehmann and Her Critics Wendy Pollard, 2017-11-28 This study of contemporary and later critical responses to the work of the novelist Rosamond Lehmann 1901-1990 offers an original approach to twentieth century literary history by foregrounding the cultural and commercial fields in which Lehmann's writing was situated Wendy Pollard examines the effect recent developments in literary theory and movements from modernism to feminism have had on Lehmann's literary reception She also considers the interpolation of a damning third category between the and popular culture namely middlebrow a widening gender divide in readership controversies within book reviewing changes in the publishing world and the introduction of popularist means of book marketing While considering the general privileging of male authors from the 1920s to the 1950s Lehmann's most prolific period Pollard argues that her novels have been unfairly subjected to specific forms of neglect and their exclusion from many academic comparative studies is due to a diversity of form and content that can also be considered their strength **The Encyclopedia of Twentieth-Century Fiction, 3 Volume Set** Brian W.

Brown,1992-03-10 An examination of a number of English women novelists who portrayed the crises and conflicts in the development of the female consciousness as a response to the anomalies of the rapidly changing world of the early twentieth century when opportunities for self expression and fulfilment were beginning to open up for women but nineteenth century values and prejudices still widely prevailed May Sinclair Radclyffe Hall Rosamond Lehmann Antonia White and Dorothy Richardson are seen as outspoken and innovative writers often marginalised or ignored by serious criticism *British Fiction in the 1930s* James Gindin,2016-07-27 British Fiction in the 1930s studies the literary climate of the British 1930s through a critical treatment of some of its influential and socially representative fiction The works depict in various ways a culture under the stress of seemingly insoluble economic and intensifying international dilemmas a culture that seems betrayed by the promise of its past and the paralysis of its present The fiction considers transforming solutions individual and sexual rebellions as well as the fears and attractions of social and political change **Encyclopedia of British Writers** Christine L. Living in Time Albert Gelpi,1998-02-19 The Oxford poets of the 1930s W H Auden C Day Lewis Stephen Spender and Louis MacNeice represented the first concerted British challenge to the domination of twentieth century poetry by the innovations of American modernists such as Ezra Pound and William Carlos Williams Known for their radical politics and aesthetic conservatism the Auden Generation has come to loom large in our map of twentieth century literary history Yet Auden s voluble domination of the group in its brief period of association and Auden s sway with critics ever since has made it difficult to hear the others on their own terms and in their own distinct voices Here rendered in eloquent prose by one of our most distinguished critics of modern poetry is the first full length study of the poetry of C Day Lewis a book that introduces the reader to a profoundly revealing and beautifully wrought record of his poetry against the cultural and literary ferment of this century Albert Gelpi explores in three expansive sections the major periods of the poet s development beginning with the emergence of Day Lewis in the thirties as the most radical of the Oxford poets An artist who sought through poetry a way of living in time without traditional religious assurances Day Lewis went further than his friends in seeking to forge a revolutionary poetry out of his commitment to Marxism When Stalinism led to his resignation from the Communist Party Day Lewis in the forties went on to shape a rich fiercely perceptive poetry out of the convergence of the wartime crisis with the explosive events of his own inner life intensified by the erotics of a decade long affair Returning to his Irish roots and meditating on the persistent tension between agnosticism and faith in the work of his third and final period Day Lewis wrote some of the most moving poems in the language about mortality and dying the limits and possibilities of

human striving Through the traumatic changes of his life C Day Lewis came increasingly to depend on the intricacies of poetry itself as a way of living in time His abiding belief in the psychological and moral functions of poetry impelled him in his critical writings and in his own poetic practice to delineate a modern poetics that presents an effective alternative to the elitist experimentation associated with Modernism This vital revisionist reading of Day Lewis demonstrates that much of his best work was written after the thirties and establishes him as one of the most significant and accomplished British poets of the modern period *The Cambridge Guide to Women's Writing in English* Lorna Sage,1999-09-30 This Guide aims to consolidate and epitomise the re reading of women s writing that has gone on in the last twenty five years This is an opportunity for stock taking a timely project when so much writing has been rediscovered reclaimed and republished There are entries on writers on individual texts and on general terms genres and movements all printed in a single alphabetical sequence The earliest written documents in medieval English the visionary writings of Julian of Norwich and Margery Kempe are covered in an historical and geographical sweep that takes us up to the present day The book reflects the spread of literacy the history of colonisation and the development of post colonial cultures using and changing the English language The entries are written by contributors from all the countries covered The result is a work of reference with a unique feeling for the vitality wealth and diversity of women s writing **Isaiah Berlin: Volume 1** Isaiah Berlin,2004-06-04 The first volume of Isaiah Berlin s letters **Looking for Mr. Nobody** Jenny Rees,2018-01-16 Goronwy Rees 1909 1979 was one of the most gifted and promising figures in the constellation of British poets journalists and intellectuals of the 1930s that included Louis MacNeice W H Auden C Day Lewis Isaiah Berlin and Anthony Blunt Like many liberals of his generation he was shocked by the effects of the Depression and correspondingly sympathetic to the Communist regime in Russia Guy Burgess of the Cambridge spies Burgess Maclean Philby and Blunt admitted his espionage to Rees His association with Burgess was to blight the rest of Rees s life When Burgess defected in 1951 and Rees denounced him to MI5 Rees was viewed more as a spy out to save his own skin than as an honorable citizen His anonymous sensationalist articles in *The People* denouncing Burgess s political activities and all but naming names condemned him with the British intellectual community not for his politics but for his betrayal of a friend Colleagues and acquaintances accused him of trying to initiate a McCarthyite witch hunt He lost his job His academic career was ruined In *Looking for Mr Nobody* Jenny Rees deals with many of the old charges made against her father in her search for the answer to her own question Was he too a spy Had he joined up with Burgess and Blunt and passed secrets to the Soviet Union Her quest for the truth reveals a fascinating portrait of a brilliant but flawed man of letters handsome and seductively charming caught up in the radical political commitments of the 1930s Communist Party membership and his tortured relationship with the notorious Cambridge spies **Elizabeth Bowen** Patricia Laurence,2019-12-03 Elizabeth Bowen A Literary Life reinvents Bowen as a public intellectual propagandist spy cultural ambassador journalist and essayist as well as a writer of fiction Patricia Laurence counters the popular image of

Bowen as a mannered reserved Anglo Irish writer and presents her as a bold independent woman who took risks and made her own rules in life and writing This biography distinguishes itself from others in the depth of research into the life experiences that fueled Bowen s writing her espionage for the British Ministry of Information in neutral Ireland 1940 1941 and the devoted circle of friends lovers intellectuals and writers whom she valued Isaiah Berlin William Plomer Maurice Bowra Stuart Hampshire Charles Ritchie Sean O Faolain Virginia Woolf Rosamond Lehmann and Eudora Welty among others The biography also demonstrates how her feelings of irresolution about national identity and gender roles were dispelled through her writing Her vivid fiction often about girls and women is laced with irony about smooth social surfaces rent by disruptive emotion the sadness of beleaguered adolescents the occurrence of cultural dislocation historical atmosphere as well as undercurrents of violence in small events and betrayal and disappointment in romance Her strong visual imagination so much a part of the texture of her writing traces places scenes landscapes and objects that subliminally reveal hidden aspects of her characters Though her reputation faltered in the 1960s 1970s given her political and social conservatism now readers are discovering her passionate and poetic temperament and writing as well as the historical consciousness behind her worldly exterior and writing

Écrire la frontière Nathalie Martinière, Sophie Le Ménahèze, 2003 La 4e de couverture indique écrire la frontière consiste d'abord représenter une zone souvent ambiguë car elle est la fois séparation et contact mais c'est aussi circonscrire l'œuvre et simultanément s'interroger sur la pertinence des limites géographiques et des normes poétiques Des spécialistes de littérature mais aussi d'histoire et d'art contemporain proposent un parcours diachronique explorant le déploiement du concept travers des œuvres variées qui malgré leurs dissemblances apparentes semblent souvent se répandre Toutes confirment une même constitution de l'identité des sujets représentent des auteurs de l'œuvre elle-même en tant qu'objet autour de cette idée de frontière que celle-ci soit revendiquée ou rejetée comme si l'individuation mais aussi l'inscription dans une communauté ou la sortie de cette communauté pendant avant tout de repères spatiaux qu'il importe de pouvoir tracer Espace pour surveiller et simultanément appel irrésistible au franchissement la frontière pose des limites et invite leur brouillage écrire la frontière n'est ce pas finalement dessiner un ternel palimpseste qui s'enrichit au fil de lectures croisées et de déchiffrements singuliers traçant la carte d'identités souvent conflictuelles mais qui toutes se font chose

The Pictorial Third Liliane Louvel, 2018-05-23 The Pictorial Third An Essay into Intermedial Criticism examines the extent to which poetry intertwines with painting and the visual at large and studies the singular relationship established between language and image observing the modalities and workings of what is termed intermedial transposition By following a critical method of the close analysis of texts the book examines to what extent the pictorial tool may be of help to analyze literary texts and thus enlarge and enrich literary criticism Examining the technical notions typical of the medium and its history including perspective framing colour anamorphosis trompe l'œil Veronica veil still life portrait figure illusion apparatus genres and styles this volume presents a pragmatics of image in text and of the visual in text as an operative tool This pictorial reading necessarily includes synesthesia and the senses it also functions as a reading event or what happens to one when one unawares encounters a picture be it present in the book or the object of an ekphrasis Thus the body is eventually given back a role to play The sensitive approach has its own resonances and the eye or the gaze
