Rose City Justice:

Murdering Holiness Jim Phillips, Rosemary Gartner, 2011-11-01 Murdering Holiness explores the story of the Holy Roller sect led by Franz Creffield in the early years of the twentieth century. In the opening chapters the authors introduce us to the community of Corvallis Oregon where Creffield a charismatic self styled messiah taught his followers to forsake their families and worldly possessions and to seek salvation through him. As his teachings became more extreme the local community reacted. Creffield was tarred and feathered and his followers were incarcerated in the state asylum. Creffield himself was later imprisoned for adultery but shortly after his release he revived the sect. This proved too much for some of the adherents families and in May 1906 George Mitchell the brother of two women in the sect pursued Creffield to Seattle and shot him dead. The authors take us into the courtroom for the trial that made headlines across North America as Mitchell was acquitted of murder. Though the formal plea was insanity the defence built its case on the unwritten law that justified killing to protect or avenge family honour. Based on court records and archival sources this case study includes a detailed examination of the trial the media's response to it and the dramatic aftermath and sheds light on the rise of ardent religion in the Pacific Northwest the justice system in Seattle and the role of the press in influencing public opinion. *Murder & Mayhem in Portland, Oregon* JD Chandler, 2013-03-19 A shocking true chronicle of some of Portland Oregon's most infamous criminal cases from its wild roots as a frontier town to post war 20th century.
