Rose Rent:

The Rose Rent Ellis Peters, 2014-08-05 The sleuthing monk unravels a thorny case of murder in this accomplished whodunit meticulously wrought with a wealth of medieval detail Booklist A late spring in 1142 brings dismay to the Abbey of Saint Peter and Saint Paul for there may be no roses by June 22 On that day the young widow Perle must receive one white rose as rent for the house she has given to benefit the abbey or the contract is void When nature finally complies a pious monk is sent to pay the rent and is found murdered beside the hacked rosebush The abbey's wise herbalist Brother Cadfael follows the trail of bloodied petals He knows the lovely widow's dowry is far greater with her house included and she will likely wed again Before Cadfael can ponder if a greedy suitor has done this dreadful deed another crime is committed Now the good monk must thread his way through a tangle more tortuous than the widow's thorny bushes **The Rose Rent**

Donada Peters, Ellis Peters, 1990-10-29 In honor of her husband young beautiful and wealthy widow Judith Perle donates a house to the Abbey at Shrewsbury for the annual rent of one white rose Judith has no shortage of suitors and if she remarries her dowry would be all the greater if the house were returned due to non payment of rent So when a priest charged with delivering the rose is found murdered and the rose bush is found hacked to pieces Brother Cadfael finds he must root out a killer Copyright Libri GmbH All rights reserved *The Rose Rent* Ellis Peters, 1988 **Rose** Catherine Horwood, 2018-11-15

Could a book by any other name smell as sweet Absolutely not The rose is the world's favorite flower and always has been It is our greatest floral symbol of love and romance and it is a bloom that touches our hearts as the flower most often chosen to celebrate significant milestones weddings anniversaries births and indeed deaths In this book Catherine Horwood traces the botanical religious literary and artistic journeys of the rose across the centuries from battles to bridal bouquets From Cleopatra's rose petal filled bed to Nijinsky's Spectre de la Rose from the highly prized Attar of Rose oil so beloved by the ancient Persians to the rosy scents of top perfume labels today from Shakespearean myths about the War of the Roses to the significance of roses in Queen Elizabeth I's embroidered dresses and even to blockade running during the Napoleonic Wars to satisfy Empress Josephine's passion for collecting her favorite flower Rose blossoms with the many stories of our ardor for this botanical family Featuring a bower of illustrations and drawing on an array of sources as rich and many hued as roses themselves Horwood's tale opens our eyes and noses to the world's major rose growing nations With operatic tales of medieval bestsellers nurserymen's rivalries and changing tastes in our personal flower beds Rose is certain to woo both gardeners and non gardeners alike *The Rose Rent* Ellis Peters, 1993 *A Guide to Medieval Gardens* Michael

Brown, 2022-02-24 A fascinating account of formal gardens during the middle ages including plants and their uses features tools cultivation techniques and more Books Monthly Medieval gardens usually rate very few pages in the garden history books The general perception is still of small gardens in the corner of a castle Recent research has shown that the gardens were larger than we previously believed This book contains information and pictures that have not been generally available

before including the theory and practice of medieval horticulture Many features of later gardens were already a part of medieval gardens The number of plants was limited but was still no less than many modern gardeners use in their own gardens today Yet medieval gardens were imbued with meaning Whether secular or religious the additional dimension of symbolism gave a greater depth to medieval gardens which is lacking in most modern ones This book will be of interest to those who know little about medieval gardens and to those with more knowledge It contains some of the vast amount of research that the author carried out to create the medieval gardens at the Prebendal Manor Nassington Northamptonshire The author has tried to use previously unused sources and included his own practical experience of medieval gardening methods that he carried out to maintain the gardens Beautifully illustrated a fascinating read for the armchair gardener as well as the more practical variety The author draws on a wide range of sources herbals animal management medieval manuals illuminated manuscripts account books poems paintings and tapestries The Ricardian Bulletin **Preservation of**
