The lively serious and informed discussions in this book provide impressive examples of the insights achieved when the Jewish evidence of the late Second Temple period is shown both to illuminate and to reflect the wider history of the Hellenistic world

Martin Goodman author of *Rome and Jerusalem The Clash of Ancient Civilizations* What sets this book apart is that it bears the fruits of a truly interdisciplinary investigation into the topic The result sheds light not just on Hellenistic kings and how they were viewed by their Jewish subjects but also on the early Greek Bible and more generally the meeting of and cross fertilization between Jewish and Graeco Roman culture that occurred in the centuries following Alexander s conquest

Guido Schepens Katholieke Universiteit Leuven This wonderful collection of essays illuminates many facets of kingship in the Hellenistic world The essays range over Hellenistic philosophy Jewish fiction the nuances of translation in the Greek Bible and archaeological evidence Richly informative and enjoyable reading besides John J Collins author of *Jewish Cult and Hellenistic Culture* This wide ranging collection of essays brings together the too often separate perspectives of classical scholarship and Jewish studies

Jewish Perspectives on Hellenistic Rulers will be an indispensable reference work for anyone working on virtually any aspect of Hellenistic Jewish studies

Sara Raup Johnson author of *Historical Fictions and Hellenistic Jewish Identity Third Maccabees in its Cultural Context* This thought provoking book presents a series of superb studies on Jewish Greek views of hellenistic monarchy that together are suggestive of the rich interplay between Hellenistic Jewish intellectual traditions and their deep connections to the greater world of the Hellenistic monarchies

The volume will surely stimulate much more work on the subject and will be required reading for all those whose interests touch on the subject of Hellenistic Judaism and Hellenistic history and culture more broadly

J G Manning author of *Land and Power in Hellenistic Egypt The Structure of Land Tenure* **Light from the Ancient Past, Vol. 1** Jack Finegan,2015-12-08

A photograph map or diagram illustrates the text for every site described in this pilgrimage to Palestine beginning with places connected with John the Baptist and proceeding to Bethlehem and Nazareth Samaria and Galilee Jerash Caesarea Jericho the Mount of Olives Jerusalem and Emmaus Each entry concludes with a brief bibliography of pertinent literature

Professor Finegan s knowledge of Christian theology and history plus his command of the archeology and topography of the Holy Land make his book an authoritative guide a book for study and reference and a volume for devotional reading
