During my many searches for knowledge and information I have not discovered anything anywhere to contradict my findings in respect to the fact that ignorance and all of its sources are the main culprits for the propagation of ignorance without which the world would be a far better place Imagine having at your disposal the ability to correct many of the wrongs within society This actually is the case if you are capable of recognising such facts I regret deeply the fact that it is necessary to omit many pieces of information *Tales of the Puppet Master* Pierre S. Freeman,2023-06-23

The published works of H Spencer Lewis founder of the Rosicrucian cult AMORC have been read by millions over the past hundred years Many who believed that his writings contained the secrets of the universe soon found themselves controlled and brainwashed by an organization they hoped would bring enlightenment For twenty six years author Pierre S Freeman was one of these victims Now he is speaking out to help prevent others from falling into the same trap In *Tales of the Puppet Master* Emperor Imperator Speaks Freeman examines five of H Spencer Lewis s well known publications The truths exposed include how Lewis was able to gain the public s trust and boost his intellectual and scientific platform by posing as a public watchdog for subliminal messages all the while seeking to administer his own mind control program used questionable cosmology and science to shape himself into the image of God explained his doctrine of reincarnation through a lame fictional story of early man had connections to Nazi Germany Mussolini and other anti Semitic movements This compelling exploration examines the dangers of brainwashing and how one individual has been able to exude power over others through his writings and methodologies Never before has anyone challenged AMORC and its founder s works so directly *The Mystical Life of Jesus* Harvey Spencer Lewis,1929 Rosicrucian Principles for the Home and Business Harvey Spencer Lewis,1929
