eugenics movement Zipf also investigates the girls who were housed at Samarcand and those specifically charged in the 1931 trial She explores their negotiation of Jazz Age stereotypes their strategies of resistance and their relationship with defense attorney Nell Battle Lewis during the trial The resultant policy changes intelligence testing sterilization and parole are also explored providing further insight into why these young women preferred prison to reformatories A fascinating story that grapples with gender bias sexuality science and the justice system all within the context of the Great Depression era South Bad Girls at Samarcand makes a compelling contribution to multiple fields of study **Here to There** Dr. EMMANUEL ANTHONY DAS,2021-08-30 The only difference was that he was HERE first and then travelled THERE he was unaware of the change What began as a pleasant journey ended up with him meeting her she offered him to spend the night which he did only to be found in the same position in a cemetery as he was sleeping close to her this time he was next to her grave In vain he wandered about looking for her He eventually lost his senses and life only to join her in eternal sleep A storey about terror murder haunting and strange encounters among other things Job Corps Staff Newsletter Job Corps (U.S.),1967 When We Have Sufficiently Tortured Each Other Martin Crimp,2019-01-31 Go on then lock the doors and see what happens Show me how much power you really have When We Have Sufficiently Tortured Each Other breaks through the surface of contemporary debate to explore the messy often violent nature of desire and the fluid complicated roles that men and women play Using Samuel Richardson s novel Pamela as a provocation six characters act out a dangerous game of sexual domination and resistance When We Have Sufficiently Tortured Each Other premiered at the National Theatre London in January 2019 The King's Daughter Barbara Kyle,2009-03-01 Upon the death of her father Henry VIII Queen Mary assumes the throne after a long and bitter wait Her first order of business is to wed the devout Prince Philip of Spain creating a powerful alliance that will transform Mary s fanatical dream of ridding England of Protestantism into terrifying reality And so begins the reign of Bloody Mary From publisher description *Leslie Stuart* Andrew Lamb,2020-10-28 Leslie Stuart 1864 1928 was a British songwriter best remembered as the composer of the hit show Florodora He began writing popular songs as a teenager first for blackface and vaudeville performers and eventually for more legitimate shows and revues Florodora 1899 written in collaboration with London s most fashionable librettist Owen Hall was a musical comedy sensation Its combination of the traditional slow love ballads and waltzes with more rhythmic and long lined numbers made it a worldwide success He continued to compose through the first decade of the 20th century laying the groundwork for the coming innovations in British and American musical theater **The Jailer of Souls and Other Weird Tales** Various,2023-07-10 The Jailer of Souls and Other Weird Tales is a compelling anthology that weaves together stories of psychological horror existential dread and the uncanny reflecting the literary traditions of early 20th century weird fiction Each tale delves into the depths of the human psyche exploring themes of isolation madness and the supernatural through a richly evocative prose style The collection draws from a multitude of voices capturing the zeitgeist of an era when literature
