Rotten Lies:

"*Unmitigated Disaster*" Louis D. Cruz,2012-10 A story of America is moving forward And NOW that word forward happens to be the slogan of the very man that Republican Willard Mitt Romney is trying to unseat America the Party of NO has a man who will insist to see your ID Birth Certificate but won't release his Tax Returns at the least 5 6 of them so the voting electorate will know how to trust him There are many perfectly legal ways for all weasels to get out of paying taxes Especially if you can afford armies of creative accountants to find them all In our own Country's Congressional Leaders there is Nothing but shameless lies and dishonor That explains what's going on here If election in November is to be decided on the several issues Robme the Romney and Ryan the Lying along with the remaining hostile Republicans should stay away from foreign policy this next four years Even drifting into that realm risks reminding voters of Obama's clear advantage in leadership America Bush has been out of office for almost 4 years are YOU really going to continue to blame him This is what the Republicans are saying Honestly if that's were the blame lies absolutely It wouldn't matter even if it's been 100 200 or 300 years since George W the Idiot Bush has been out of office there will STILL remain too many unanswered questions

Event of Art presents in fifty two modular chapters and over eight hundred pages and images the works of artist Marc Lafia The book interweaves essays notes photographic archives and a host of exhibitions wherein Lafia traverses his wide body of work and examines how his early strategies of cultural reading of photography and film of interface network culture and social media transform into an investigation of materiality itself If his interest was once the way media becomes the message his interest later becomes the realm of the sensible and the sensate in themselves Here he presents art as the medium itself giving us wide permission to explore and examine our deepest feelings and senses our world and its becoming The book is introduced by two essays The first is by curator and art dealer Mathieu Borysevicz where he recounts meeting Lafia at his first artist residency and the many projects they would go on to do together He introduces Lafia's interest in recording as it becomes digital and computational where recording is not only memory and a data structure but a permutational instrument

and ever changing horizon of iterations The other introductory essay is by critic Daniel Coffeen who writes while Lafia may not have a traditional medium there is no such thing anymore he does in fact have one consistent medium imaging making itself its apparati of creation consumption and circulation In fact Lafia s medium is the discourse of art what it is how it comes to be how we experience it The Event of Art presents the work of art as a complex material and societal event The event is multiple a continual becoming of perception being materiality participation a coming to the senses and the making shaping and opening to them not only of one s self but the world becoming *The Regenerators, 2nd Edition* Ramsay Cook,2016-06-16 A crisis of faith confronted many Canadian Protestants in the late nineteenth century With their religious beliefs challenged by the new biological sciences and historical criticism of the Bible they turned from personal salvation to the dire social problems of the industrial age The Regenerators explores the nature of social criticism in this era and its complex ties to the religious thinking of the day showing how the path blazed by nineteenth century religious liberals led not to the Kingdom of God on earth but ironically to the secular city The winner of the Governor General s Literary Award for Non Fiction when it was first published in 1985 The Regenerators became an instant classic for its fascinating portraits of evolutionists rationalists spiritualists socialists and free thinkers before the turn of the century This new edition features an introduction by historian and biographer Donald Wright **Supreme Court Appellate Division Third Dept.
