Koscijew, 2014-01-27 Anyone who has ever tried to present a rather abstract scientific subject in a popular manner knows the great difficulties of such an attempt Either he succeeds in being intelligible by concealing the core of the problem and by offering to the reader only superficial aspects or vague allusions thus of deluding the reader by arousing in him the deceptive illusion of comprehension Or else he gives an expert account of the problem but as the untrained reader is unable to follow the exposition and becomes discouraged from reading any further If these two categories are omitted from today's popular scientific literature surprisingly little remains But the little left is very valuable indeed It is very important that the public is given an opportunity to experience consciously and intelligently the efforts and results of scientific research It is not sufficient that each successive progression is taken up elaborated and applied by a few specialists in the field Restricting the body of knowledge to a small group deadens the philosophical spirit of these people and leads to spiritual poverty THE CORPSES OF TIMES GENERATIONS represents a valuable contribution to popular scientific writing The main ideas to Theory are extremely well presented Moreover the presents state of our knowledge in which the paradigms of science are aptly characterized Mr Koscijew shows how the criterial growth of our factual knowledge with the striving for a unified conception comprising all empirical data has led to the present situation which is characterized despite all successes by an uncertainty concerning the choice of the basic theoretical concept      *Reinvent Yourself* Hal Gieseeking, 2005 Plan a better life for yourself with new business and social skills OAG FREQUENT FLYER magazine said What you get is life coping skills from a slew of well known personalities relating to interviews by the well traveled Hal Gieseeking in trips across the world Formerly travel correspondent for the CBS Morning News and consumer editor of Travel Holiday magazine Gieseeking recounts conversations with such luminaries as Bill Moyers Jack Nicklaus Jimmy
