The Pains of Mass Imprisonment Benjamin Fleury-Steiner, Jamie Longazel, 2025-07-30 This engaging book presents a critical approach to understanding prison conditions in the United States in the era of mass incarceration Fleury Steiner and Longazel do this by weaving together empirical research on prisons with stories that rely on the voices and lived experiences of people who are locked up This is an ideal book for courses in corrections social problems criminology and prisoner re entry The new edition of *The Pains of Mass Imprisonment* dramatically expands and revises the previous edition to include more empirical data significant engagement with current debates and scholarship and extended pedagogical and learning materials

The Wrong Direction for Today's Schools Ernest J. Zarra III, 2015-07-22 *The Wrong Direction for Today's Schools* The Impact of Common Core on American Education is an in depth analysis of the newest national American education fad intended to replace the 2002 incarnation of the ESEA No Child Left Behind Zarra delves into the seeds that produced the Common Core Standards as well as the groups involved in the political and corporate pressure to completely revamp America's K 16 education system The author lays out a strong case for political motives involving the advancement for nationalized education such as those found in select European and Asian nations Zarra also follows the funding and provides solid documentation and analysis of international and national assessments and how the funding and assessments proved pivotal in the overhaul of American education After an analysis of the underpinnings of the Common Core Standards Zarra critiques the myths and facts of the Common Core and balances these with the emerging realities impacting average Americans and their families Zarra's book is a must read and will prove to be extremely useful to all who are concerned about public private and homeschool education in America

The Damaged Core Salman Akhtar, 2009-04-13 This book deals with the process through which a coherent self evolves the various ways such development fails to occur and the therapeutic measures to put things back together It deals with the psychotic core the schizoid wish to die and be reborn the fantasies related to unresolved separation individuation the sociopathic tendency to lie and the impact of excessive narcissism on love relations This book also provides a unique perspective on the treatment of these conditions insofar as it not only elucidates the ways that a therapist listens and talks to his patients but also the subtle but deep impact of his ongoing attitude toward psychotherapeutic work Book Jacket
