Something Is Rotten in Fetting Jere Krakoff,2015-12-25 Told in a wry understated voice the novel satirizes the travails of Leopold Plotkin a failing kosher butcher with a pathological aversion to conflict After Plotkin commits an act that ignites a crisis in his Republic he is propelled into conflicts with every branch of government When he refuses the government s demands to undo what he did he is indicted by a Secret Blind Jury arrested by the National Constabulary and consigned to the notorious Purgatory House of Detention where he languishes next to a defrocked insane lawyer whose nocturnal machinations threaten to drive him crazy After months of languishing in prison Plotkin is prosecuted by the Republic s ethically challenged Prosecutor General tried before a congenitally pro prosecution judge and defended by a reclusive lawyer who has never been in a courtroom The butcher s only witness in the highly anticipated trial is an unhinged resident of the Warehouse for the Purportedly Insane Everybody including Plotkin and his small circle of supporters expects a conviction and imposition of the longest sentence allowed by law if not longer *Anguish Languish* Howard L. Chace,2022-06-13 Howard L Chace s *Anguish Languish* presents a unique literary endeavor appropriating English vocabulary to craft a confounding yet conceptually amusing ersatz language This innovative text essentially interprets familiar tales and idioms through homophonous substitutions which result in a quasi unintelligible yet recognizably English narrative The linguistic style Chace adopts is both a playful homage and a satirical jab at the flexibility and complexity of English In the context of literary stylistics his work can be appreciated as a humorous experiment in phonetics and semantics which challenges readers to disentangle meaning from a thicket of phonemic semblances As an author Chace derived inspiration from the malleability of spoken language and its potential for humorous misinterpretation His background insights and observations of language usage undoubtedly informed his unorthodox linguistic constructions *Anguish Languish* ultimately stands as a testament to Chace s ingenuity and his ability to disrupt the mundane comprehension of everyday language inviting the

reader to reconsider the relationship between pronunciation and understanding This inventive text is a must read for linguaphiles and those intrigued by the elasticity of the English language Chace s Anguish Languish garners respect not merely as an amusing pastime but also as an intellectual exercise that stimulates deeper contemplation on the nature of communication His work prompts a reevaluation of linguistic norms making it an essential addition to the libraries of language enthusiasts philologists and anyone who delights in the playful intricacies of words *Nelson Thornes Framework English* Geoff Reilly,2003 **Case on Appeal** , *Rotten with Honour* Derek Robinson,1973 The Case of the Stopped Clock Jeffery Sealing,2013-06-10 After completing an eight week speaking engagement run for his success in Grand Junction Colorado Daniel returns to his quiet law practice in Ironton Colorado With almost no cases going on and the bills piling up Daniel is starting to get worried Barry wants Daniel to take the case of his poor security officer Bill Berman whom after being shot by the bandit is charged with their alleged murder Daniel takes on the case and is once again up against the best that the 6th Judicial District has to offer The evidence that is gathered seems to be all too conveniently pointing to the accused security officer Daniel doesnt like it one bit and decides to use his resources to find the real killer For Daniel the choices are grim for Bill Berman life in prison without parole for First Degree Murder 20 years to life for Second Degree Murder or 15 years to life for Manslaughter Daniel doesnt accept any of the plea bargains offered by Linda While preparing for the forthcoming arraignment preliminary hearing and soon to follow trial a terrible set of events befalls Daniel See the conclusion of this case in *The Case of the Missing Coffee Pot* **Lippincott's Monthly Magazine** ,1914-04 *Honor's Reserve* Michael La Ronn,2017-05-15 The galaxy is at war The only person who can save it is a soldier from the reserves Petty Officer Grayson McCoy s last mission in the Galactic Guard is simple intercept a mysterious spaceship at the galaxy border When Grayson discovers the criminals onboard the ship are human traffickers carrying human cargo he risks his life to save a group of strangers he s never met That s when the real bad guys show up Stranded behind enemy lines the fate of twelve innocent people rest on what Grayson does next So does the fate of the galaxy V1 0 *Eddie Rotten's FrequenZ: Alpha* William Howser,2013-12-19 They came from the sky Loud pulses of sound that changed the world in a fraction of a second At first no one especially Eddie Rotten knew what caused them but everyone was there to witness the startling results As the birds fell from the skies and the dead rose Eddie and his family fought for survival against the unknown forces that had shifted the equilibrium of society Had the government developed a radical new method of population control Why did the news outlets remain dark on the issue Conspiracy theories flourish as Eddie along with his family and the newly formed Zombie Fight Clubs fight to right the moral order and shed light on the most heinous cover up in human history Decide for yourself what is real and what isn t **Republic of the Philippines Congressional Record** Philippines.
