Rotuma Hanua Pumue Precious Land:

Rotuma, Hanua Pumue Anselmo Fatiaki, 1991 The aim of the publication has been to present various facets of Rotuma's culture and the changes faced by the Rotuman people today With three exceptions the authors are all Rotuman telling their own tales of Rotuma's uniqueness in depth for the first time They relate aspects of Rotuma's geography and history as well as the influence of the missions and colonial attempts to govern land tenure The marriage and mamasa ceremonies are described in detail and the different dance forms and certain chants A major section focuses on the network of kinship links which forms the basis of Rotuma's social and political system Almost all of the authors are concerned indirectly with the process of change affecting Rotuman society and three chapters describe the physical manifestation of this the emigration of Rotumans to Fiji the need for children to leave the island for higher education and the communities established away from home Foreword p ix

Dancing Spirit, Love, and War Evadne Kelly, 2019-07-09 Meke a traditional rhythmic dance accompanied by singing signifies an important piece of identity for Fijians Despite its complicated history of colonialism racism censorship and religious conflict meke remained a vital part of artistic expression and culture Evadne Kelly performs close readings of the dance in relation to an evolving landscape following the postcolonial reclamation that provided dancers with political agency and a strong sense of community that connected and fractured Fijians worldwide Through extensive archival and ethnographic fieldwork in both Fiji and Canada Kelly offers key insights into an underrepresented dance form region and culture Her perceptive analysis of meke will be of interest in dance studies postcolonial and Indigenous studies anthropology and performance ethnography and Pacific Island studies *Spirits in Culture, History and Mind* Jeannette Mageo, Alan Howard, 2012-12-06 *Spirits in Culture History and Mind* reintegrates spirits into comparative theories of religion which have tended to focus on institutionalized forms of belief associated with gods It brings an historical perspective to culturally patterned experiences with spirits and examines spirits as a locus of tension between traditional and foreign values Taking as a point of departure shifting local views of self nine case studies drawn from Pacific societies analyze religious phenomena at the intersection of social psychological and historical processes The varied approaches taken in these case studies provide a richness of perspective with each lens illuminating different aspects of spirit related experience All however bring a sense of historical process to bear on psychological and symbolic approaches to religion shedding new light on the ways spirits relate to other cultural phenomena *Home in the Islands* Jan Rensel, Margaret Rodman Critchlow, 1997-09-01 Ordinary houses have extraordinary stories to tell For more than a century anthropologists have been recording these sagas in an attempt to uncover humanity's relationship with the common dwelling Fundamental to the interaction of humans and housing is the way people shape their living spaces even redefining their purposes and meanings their houses in turn influence how people live their lives and perpetuate the cultural structures that produced a given form of shelter The stories draw attention to colonial and missionary agendas local and global economies environmental disasters cultural identities

social connections and family continuity as well as personal choices And as the chapter on homeless Hawaiians shows even those without houses have stories to tell Anthropologists architects environmental designers geographers and historians will welcome this diverse volume on a neglected yet important aspect of change in the lives of Pacific Islanders **Where Nets Were Cast** John Garrett, 1997 Describes the exposure of island churches to brutal interlopers in World War II which foreshadowed the twilight of the missionary and colonial eras Transpacific Americas Eveline Dürr, Philipp Schorch, 2015-12-07 This volume explores cultural social and economic connections between the Americas and the South Pacific It reaches beyond Sino American collaborations to focus on rather neglected and sometimes invisible Southern linkages asking how these connections originated and have developed over time which local responses they have generated and what impact these processes have in the region in terms of representational forms and strategies new cultural practices and empowerment of individuals in post colonial contexts The volume also compares and contrasts intriguing parallels of politics and identity formation By extending the focus beyond East Asia to the Southern Pacific region including Island connections with the Americas the volume provides a more comprehensive understanding of recent dynamics and shifting relations across the Pacific By approaching the Transpacific Americas as an assemblage or relational space which is created and becomes meaningful through multiple localities and their translocal connections the book complicates the Euro American distinction between centre and rim While the collection offers a distinctive geographical focus it simultaneously emphasizes the translocal qualities of specific locations through their entanglements in transpacific assemblages within and across cultural social and economic spheres Furthermore without neglecting the inextricable historical dimension of anthropological perspectives the focus is on the diverse and unexpected contemporary forms of cultural social and economic encounters and engagements and on re emerging Indigenous networks Primarily based on empirical research the volume explores face to face encounters relations from below and transcultural interactions and relationships in as well as ideas and conceptualizations of cultural spaces across localities that have long been perceived as separate but are indeed closely interconnected *Woven Gods* Vilsoni Hereniko, 1995 **Traditionalism and Modernity in the Music and Dance of Oceania** Helen Reeves Lawrence, Don Niles, 2001 Discovering Anthropology Carol R. Ember, Melvin Ember, 2006 This collection of case studies provides examples of anthropologists working in a variety of settings The case studies are correlated to the chapters of Cultural Anthropology 12 E the end of chapter material in the text contains discussion and homework questions directly tied to the case study *A Bibliography of Rotuma*, 1996 The Pacific Journal of Theology, 1997 **Pacific Studies**, 2001 *Clowning as Critical Practice* William E. Mitchell, 1992 The work of the clown is avowedly political passionately opinionated about the human condition and via parody and burlesque breaks the frames of proper behaviour to instruct criticise and transform Whether the clowning performance is a critique of others actions appearances and beliefs or initiated to effect a cultural transformation the clown is a political force that commands

recognition By focusing on the practice of clowning in the South Pacific this volume aims to reveal new dimensions of clowning and offer fresh cultural perspectives on the region *Clowns and Tricksters* Kimberly A. Christen, 1998-11-18 This reference explores an imagined world where creatures much like humans strive and connive and behave and misbehave Describing these jokers and troublemakers by popular name appearance and origins about 200 cross referenced and indexed entries examine their relationships to their cultures and recount tales featuring them Numerous bandw illustrations bring the ragtag assembly to life Annotation copyrighted by Book News Inc Portland OR **Australasia and South Pacific Islands**

Bibliography John Thawley, 1997-02-20 This selective bibliography of nearly 6 000 items concentrates on monographs published during the last fifty years updating other major bibliographies on the Australasian and South Pacific region

Rotuma Hanua Pumue Precious Land Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rotuma Hanua Pumue Precious Land has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rotuma Hanua Pumue Precious Land has opened up a world of possibilities. Downloading Rotuma Hanua Pumue Precious Land provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly

convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rotuma Hanua Pumue Precious Land has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rotuma Hanua Pumue Precious Land. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rotuma Hanua Pumue Precious Land. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rotuma Hanua Pumue Precious Land, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rotuma Hanua Pumue Precious Land has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
