Rouge Of The North:

The Rouge of the North Eileen Chang, 2023-04-28 The Rouge of the North is the story of Yindi a beautiful young bride who marries the blind bedridden son of a rich and noble family Captive to household ritual to the strategies and contempt of her sisters in law and to the exacting dictates of her husband's mother Yindi is pressed beneath the weight of an existence that offers no hope of change Dramatic events in the outside world fail to make their way into this insular society Chang's brilliant portrayal of the slow suffocation of passion moral strength and physical vitality together with her masterful evocation of the sights smells and sounds of daily existence make The Rouge of the North a remarkable chronicle of a vanished way of life

The Rouge of the North Ailing Zhang, 1998-08-10 Relates the events in the life of a Chinese lower class woman trapped within the confines of an unhappy arranged marriage resulting in her gradual descent into madness
