*Rough Edges of the Christian Life* Inter-Varsity, Inter-Varsity Staff, 1978-01-01      *Rough Edges of the Christian Life*, 1972      *Folly, Grace, and Power* John Koessler, 2011-09-20 When you stand before your congregation what do you hope to accomplish when you preach the Word If people have Bibles and the freedom to read and pray on their own why do they need you In short what do you bring to the table Author pastor and professor John Koessler answers those questions and many more Why does one sermon have a powerful effect on the audience while another falls flat Why should listeners heed what the preacher says Is human language adequate for facilitating an encounter with God What is the point of preaching a sermon Folly Grace and Power is a must read for pastors seminarians and lay leaders charged with the task of preaching God's word This essential book is both a stern reminder of the sacredness of the awesome job of being a preacher as well as a how to that reveals the key to speaking powerfully on God's behalf      *Catalog of Copyright Entries. Fowler as well as spiritual greats St Paul and the Buddha Ferguson looks back on a life well lived proving that when you seek first a higher power all knowledge will be given to you Mean Christianity Billy T. Ogletree, 2018-03-14 Mean Christianity Finding Our Way Back to Christ's Likeness explores the Christian faith as an intentional daily commitment to others a cathartic and uncomfortable journey that leads travelers to Christ's likeness The book considers how and why individual Christians and the corporate body of Christ have come to be perceived negatively by so many It describes the primacy of Christ as the central tenet of Christianity and offers seven Jesus life themes for every Christian These themes based on a qualitative study of the canonical gospels assist readers with the development of a framework for a Christlike life The book defines Mean Christianity and considers its causes and costs Readers are confronted with both the possibility of meanness in the faith and in their actions and encouraged to consider a Christlike life as an alternative to meanness Finally readers are introduced to the concepts of forgiveness grace and mercy as a part of God's broader plan for reconciliation and fullness in life *The One* Ben Young, Samuel Adams, 2001-07-08 In their bestselling book *The Ten Commandments of Dating* Ben Young and Samuel Adams showed singles how to date effectively Now *The One* shows Christians who to date and how to negotiate the difficulties of choosing a soul mate The biggest question on the minds of the 78 million singles in America is simply this How can I find the right one This book answers that question giving entertaining yet practical advice for that seemingly endless quest to find The One This book emphasizes free will personal responsibility proactivity and preparation helping singles avoid the pitfalls of dangerous beliefs and hyper spirituality Single Christians will learn what approaches to avoid in mate selection recognize the myths about finding true love and learn practical strategies for finding the right person to marry *Spiritual Mismatch* Lee Strobel, Leslie Strobel, 2017-03-07 How do you navigate a marriage when differences of faith threaten to tear you apart Lee Strobel was the legal editor for the Chicago Tribune a Yale graduate and an atheist when his wife Leslie became a Christian early in their marriage She began going to church she found new friends she became a different person But Lee didn't believe in any of it Both Lee and Leslie felt they were losing each other Ironically it was faith in Jesus Christ which most couples credit for contributing to the strength of their marriage that very nearly destroyed our relationship and split us apart forever writes Lee In this personal and practical book Lee and Leslie share the lessons they've learned on their journey including Surprising insights into the thoughts of non Christian spouses Eight principles for reaching out to your partner with the gospel Advice for raising your children in a spiritually mismatched home How to pray for your spouse with a 30 day guide to get you started Helpful tips on what to do if you're both Christians but one lags behind spiritually Advice for single Christians about marriage Twelve steps to making the most of your marriage Despite all the emotional clashes they experienced God answered Leslie's prayers in miraculous ways He gave her peace when she was feeling worried gave her friends to walk with her and gave her his Holy Spirit to comfort and guide her Over time she learned to live out her faith and be an example of Christ's love to Lee Today they're both Christians and Lee's conversion story is now

a major motion picture *The Case for Christ* *The Academy and Literature*, 1904 *How Christians Grow* Andrew James Prince, 2022-09-27 When someone becomes a Christian they enter into a lifelong journey of God driven transformation into the likeness of Christ But what does this transformation process look like and what means does God use to bring about spiritual growth How does a Christian continue growing spiritually How do they prevent the practice of the spiritual discipline of meditating on God's word from become mechanical when they may have read through the Bible many times How do they mature in prayer And how do they continue being conformed to the image of Christ for the rest of their lives rather than simply putting their spiritual gearstick into neutral and coasting into eternity This book seeks to answer such questions It begins by exploring the contours of this spiritual transformation into Christlikeness before introducing various means God uses to bring this about The book seeks to give hope and instruction both to the weary and to the strong so that they can grow more like Christ through the means of grace that God has provided *Surviving a Spiritual Mismatch in Marriage* Lee

Strobel, Leslie Strobel, 2002 The author of *The Case for Christ* now presents thoughts on the spiritual aspects of marriage ***Black, Gay, British, Christian, Queer*** Jarel Robinson-Brown, 2021-07-30 If the church is ever tempted to think that it has its theology of grace sorted it need only look at its reception of queer black bodies and it will see a very different story In this honest timely and provocative book Jarel Robinson Brown argues that there is deeper work to be done if the body of Christ is going to fully accept the bodies of those who are black and gay A vital call to the Church and the world that Black Queer Christian lives matter this book seeks to remind the Church of those who find themselves beyond its fellowship yet who directly suffer from the perpetual ecclesial terrorism of the Christian community through its speech and its silence

*Dancing with God* Jay Emerson Johnson, 2005-02-01 The image of dancing with God may seem like an odd one for a book on Christian theology writes Jay Johnson More than a few people probably assume dancing and theology have at least one thing in common Other people do them The good news of Christian faith suggests something different Each and everyone of us is invited to dance with God Each of us can dance Each of us can do theology Theology long seen as the domain of professors scholars and clergy is actually the work of all God's people *Dancing with God* uses the metaphor of dance to help readers especially those without a theological background approach the discipline of theology as something we all do and not only something to believe And doing theology is the practice of hope This book explores the way Anglicans approach theology The good news according to Johnson is not about the assurance of getting things right It comes instead from considering our texts creeds and liturgies as invitations to dance with the God of abundant life Beautifully and accessibly written *Dancing with God* makes an excellent book for individual or parish study **Daily Bible Study Summer 2024** Gregory M.
