Route of the Rockets Greg Stout,1997 Outstanding photographic work from more than 55 contributing photographers such as Louis Marre Don Hofsoner George Strombeck and Ed Wojtas **The Rock Island Line** Bill Marvel,2021-12-22 Explore the rich history of the legendary railroad that spanned the American Midwest in this beautifully illustrated volume Beginning operations in the mid nineteenth century the Rock Island Line served farms and small town America for more than 140 years One of the earliest railroads to build westward from Chicago it was the first to span the Mississippi advancing the frontier bringing settlers into the West and hauling their crops to market Rock Island s celebrated Rocket passenger trains also set a standard for speed and service with suburban runs as familiar to Windy City commuters as the Loop For most of its existence the Rock battled competitors much larger and richer than itself When it finally succumbed the result was one of the largest business bankruptcies ever Today as its engines and stock travel the busy main lines operated by other carriers the Rock Island Line lives on in the hearts of those whom it employed and served *A Mighty Fine Road* H. Roger Grant,2021-12-22 Grant has once again hit a home run a detailed but readable history of the Chicago Rock Island and Pacific a major Midwestern railroad Carlos A Schwantes St Louis Mercantile Library Professor Emeritus The Chicago Rock Island a grueling ten year ultimately unsuccessful battle to merge with the Union Pacific and the Rock Island s final liquidation in 1981 But today long after its glory days and eventual demise the Mighty Fine Road has left behind a living legacy of major and feeder lines throughout the country In his latest work railroad historian H Roger Grant offers an accessible gorgeously illustrated and comprehensive history of this iconic American railroad This handsome well illustrated book merits the attention of any reader interested in the history of Iowa And just as important the book reminds us of the importance of railroads to the history and vitality of American society All aboard Iowa City Press Citizen *A Mighty Fine Road* lays out the amazing yet heartbreaking history of the railroad I loved The historical opportunities and disappointments of the Rock Island is clearly explained in Grant s book with visionaries keeping the dream moving forward yet damaged and constrained by greed and lack of vision with the next management regime Dan Sabin President Iowa Northern Railway Company Rock Island Railroad in Arkansas Michael E. Hibblen,2017-04-03 For nearly 80 years the Rock Island was a major railroad in Arkansas providing passenger and freight services A decline in rail travel after World War II and an increase in trucks hauling freight over government subsidized interstates were among factors that left the railroad struggling Efforts to merge with other railroads were stalled for years by federal regulators The Rock Island filed for bankruptcy in 1975 and attempted a reorganization but creditors wanted the assets liquidated with a judge shutting it down in 1980 Most of the tracks that traversed the state were taken up but a few relics like the Little Rock passenger station and the Arkansas River bridge remain as monuments to this once great railroad **Regional Railroads of the Midwest** Steve Glischinski,2007 *RailNews* ,1997 *Pacific Rail News* ,1996 **Annals of Iowa** ,2001 *The American Railroad* Joe Welsh,2006-03-10
