An Introduction to the Philosophy of Management Paul Griseri, 2013-04-17 What and who is business for What exactly is work and how can we distinguish it from other activity Do businesses operate along different ethical lines from individuals This clear and accessible text introduces key philosophical concepts and ideas and applies them to fundamental issues in management and organizations Written for business and management students with no previous knowledge of philosophy this text will lead readers to question the basic assumptions widely made about business and management An Introduction to the Philosophy of Management is packed with case studies and examples which provoke thought and discussion Coverage includes crucial topics such as business ethics culture and leadership Key features Boxed definitions of key concepts Real life case studies and examples Questions for Reflection Further reading This text is essential reading for any business and management student wanting to think creatively Routledge Philosophy Guidebook to Aristotle on Ethics Gerard J. Hughes, 2001 A clear introduction to Aristotle's *Nicomachean Ethics* Covers Aristotle's life the background to the text and

Aristotle's continuing key role in philosophy and ethical thought *Divine Essence and Divine Energies* C Athanasopoulos, C Schneider, 2013-04-25 A composite book of essays from ten scholars *Divine Essence and Divine Energies* provides a rich repository of diverse opinion about the essence energy distinction in Orthodox Christianity a doctrine which lies at the heart of the often fraught fault line between East and West and which in this book inspires a lively dialogue between the contributors The contents of the book revolve around several key questions In what way were the Aristotelian concepts of ousia and energeia used by the Church Fathers and to what extent were their meanings modified in the light of the Christological and Trinitarian doctrines What theological function does the essence energy distinction fulfil in Eastern Orthodoxy with respect to theology anthropology and the doctrine of creation What are the differences and similarities between the notions of divine presence and participation in seminal Christian writings and what is the relationship between the essence energy distinction and Western ideas of divine presence A valuable addition to the dialogue between Eastern and Western Christianity this book will be of great interest to any reader seeking a rigorously academic insight into the wealth of scholarly opinion regarding the essence energy distinction **Irigaray** Rachel Jones, 2013-05-03 The work of French Philosopher Luce Irigaray has exerted a profound influence on feminist thinking of recent decades and provides a far reaching challenge to western philosophy's entrenched patriarchal norms This book guides the reader through Irigaray's critical and creative transformation of western thought Through detailed analysis of her most important text *Speculum of the Other Woman* Rachel Jones carefully examines Irigaray's transformative readings of such icons of the western tradition as Plato Descartes Kant and Hegel She shows that these readings underpin Irigaray's claim that western philosophy has been dependent on the forgetting of both sexual difference and of our singular beginnings in birth In response Irigaray seeks to recover a positive account of sexual difference which would release woman from her traditional position as the other of the subject and allow her to speak as a subject in her own right In a sensitive reading of Irigaray's work Jones shows why this distinctively feminist project necessarily involves the transformation of the fundamental terms of western metaphysics By foregrounding Irigaray's approach to questions of otherness and alterity she concludes that for Irigaray cultivating an ethics of sexual difference is the condition of ethical relations in general Lucidly and persuasively written this book will be an invaluable resource for students and scholars seeking to understand Irigaray's original contribution to philosophical and feminist thought
