known photo of the man claiming to be Rusty Mongrel a blow up taken from one of our security cameras as he hurried into our publishing office late one evening at closing time Unfortunately that photo is far too murky to share with you here But allow me to describe him Dressed in dusty denim a saddlebag slung over his shoulder he resembled an extra from a western B movie of the 1950 s The sweat stained Stetson he wore had what looked to be a bullet hole through its crown Before we could stop him he moved quickly toward the desk of one of our secretaries Politely removing his hat he withdrew a manuscript from his saddlebag and tossed it onto her desk Its title page read Lash Come Back She began explaining our proper submission procedures in minute detail but her lengthy rambling instructions not only confused but actually seemed to terrify him Panic stricken he bolted and dashed from our office leaving his Stetson and manuscript behind We hurried outside in time to watch him leap onto a saddled horse tied to a parking meter As the horse reared up dramatically he hollered Yahooo or was it Yippee witness accounts vary and then raced the wrong way up a one way street deftly dodging oncoming traffic as he disappeared into the night And that s all we know about this man claiming to be Rusty Mongrel We have no idea who he is or his whereabouts as all we have to go on is the young adult novel you hold in your hands and the Stetson hat left in our office Please accept our apology as we are fully aware that this bio is lacking in every respect
