,1846 Medieval Warfare 1300-1450 Kelly DeVries,2017-05-15 War was epidemic in the late Middle Ages It affected every land and all peoples from Scotland and Scandinavia in the north to the southern Mediterranean Sea coastlines of Morocco North Africa Egypt and the Middle East in the south from Ireland and Spain in the west to Russia and Turkey in the east Nowhere was peaceful for any significant amount of time The period also saw significant changes in military theory and practice which altered the ways in which campaigns were conducted battles fought and sieges laid and changes in the leadership recruitment training supply and financing of armies There were changes in the relationship between those waging warfare from generals to irregular troops and the society in which they lived and for or against which they fought the frequency of popular rebellions and the participation in them by townspeople and peasants changes in the desire to undertake Crusades and changes in technology including but not limited to gunpowder weapons This collection gathers together some of the best published work on these topics The first section of seven papers show that throughout Europe in the later Middle Ages generals led and armies followed what are usually defined as modern strategy and tactics contrary to popular belief The second part reprints nine works that examine the often neglected aspects of the process of putting and keeping together a late medieval army In the third section the authors discuss various ways that warfare in the fourteenth and fifteenth century affected the society of that period The final sections cover popular rebellions and crusading **The American Short-horn Herd Book** Lewis Falley Allen,William T. Bailey,1913 The Pictorial History of Scotland, from the Roman Invasion to the Close of the Jacobite Rebellion. A.D. 79-1746 James Taylor (D.D., of Glasgow.),1852 The Hundred Years War Christopher Allmand,1988-02-04 This is a comparative study of how the societies of late medieval England and France reacted to the long period of conflict between them commonly known as the Hundred Years War Beginning with an analysis of contemporary views regarding the war Two chapters follow which describe the military aim of the protagonists military and naval organisation recruitment and the raising of taxes The remainder of the book describes and analyses some of the main social and economic effects of war upon society the growth of a sense of national consciousness in time of conflict and the social criticism which came from those who reacted to changes and development brought about by war Although intended primarily as a textbook for students Dr Allmand s study is much more than that It makes an important general

contribution to the history of war in medieval times and opens up new and original perspectives on a familiar topic The Captive Sea Daniel Hershenzon,2018-08-01 In The Captive Sea Daniel Hershenzon explores the entangled histories of Muslim and Christian captives and by extension of the Spanish Empire Ottoman Algiers and Morocco in the seventeenth century to argue that piracy captivity and redemption helped shape the Mediterranean as an integrated region at the social political and economic levels Despite their confessional differences the lives of captives and captors alike were connected in a political economy of ransom and communication networks shaped by Spanish Ottoman and Moroccan rulers ecclesiastic institutions Jewish Muslim and Christian intermediaries and the captives themselves as well as their kin Hershenzon offers both a comprehensive analysis of competing projects for maritime dominance and a granular investigation of how individual lives were tragically upended by these agendas He takes a close look at the tightly connected and ultimately failed attempts to ransom an Algerian Muslim girl sold into slavery in Livorno in 1608 the son of a Spanish marquis enslaved by pirates in Algiers and brought to Istanbul where he converted to Islam three Spanish Trinitarian friars detained in Algiers on the brink of their departure for Spain in the company of Christians they had redeemed and a high ranking Ottoman official from Alexandria captured in 1613 by the Sicilian squadron of Spain Examining the circulation of bodies currency and information in the contested Mediterranean Hershenzon concludes that the practice of ransoming captives a procedure meant to separate Christians from Muslims had the unintended consequence of tightly binding Iberia to the Maghrib Jews and the Mediterranean Matthias B. Lehmann,Jessica M. Marglin,2020-06-02 A selection of essays examining the significance of what Jewish history and Mediterranean studies contribute to our knowledge of the other Jews and the Mediterranean considers the historical potency and uniqueness of what happens when Sephardi Mizrahi and Ashkenazi Jews meet in the Mediterranean region By focusing on the specificity of the Jewish experience the essays gathered in this volume emphasize human agency and culture over the length of Mediterranean history This collection draws attention to what made Jewish people distinctive and warns against facile notions of Mediterranean connectivity diversity fluidity and hybridity presenting a new assessment of the Jewish experience in the Mediterranean **English Herd Book and Register of Pure Bred Jersey Cattle** English Jersey Cattle Society,1918 *Dark Delicacies* Del Howison,Jeff Gelb,2017-10-10 In an age of increasing specialization horror anthologies have picked up on the trend Zombie anthologies vampire anthologies and post apocalyptic anthologies are among the many that have sprung up creating an entire book filled with only one kind of story But what are the roots of horror and what really frightens us Bram Stoker Award winning editors Del Howison and Jeff Gelb have gone back to the roots of our fears with a collection of horror of all types new tales by the current masters of horror Each story is a different disturbing dark narrative so that you never know what is coming for you next After all we really don't know what is hiding in the dark do we Includes stories by Clive Barker Ray Bradbury Ramsey Campbell Nancy Holder Richard Laymon Brian Lumley Joe Lansdale Whitley Streiber F Paul Wilson Chelsea Quinn Yarboro and many more Boys' Life ,2003-08 Boys Life is the
