## Royal Torch:

Torch of Freedom David Weber, Eric Flint, 2009-11-01 Someone is assassinating the leaders of both the Star Kingdom of Manticore and the recently liberated former slave planet of Torch. Though most believe the Republic of Haven is behind the murders, Anton Zilwicki and Havenite secret agent Victor Cachat believe there is another sinister player behind the scenes. Queen Berry of Torch narrowly escaped one assassination attempt and a security officer from Beowulf has been assigned to protect her, a task complicated by the young monarch's resentment of bodyguards and the officer's growing attachment to her. Meanwhile, powerful forces in the Solarian League are maneuvering against each other to gain the upper hand, not realizing or perhaps not caring that their power struggle is threatening the League's very existence and could plunge the galaxy into war. Once again, New York Times best-selling authors David Weber and Eric Flint join forces in an exciting new novel in the Honorverse. At the publisher's request, this title is sold without DRM (Digital Rights Management). **The S Files** Rebecca Linam, 2015-04-25 Warning: What you are about to read is a complete and truthful account of the world of espionage. Forget everything you thought you knew about spies. What you thought you knew is totally wrong. For example, did you know that the Russian Spy Agency employed seven-year-old spies, the American Spy Agency's top scientist Dr. Pepper cloned its most successful agents, the Japanese Spy Agency developed a type of cheese that boosted its agents' success rates by up to 25%, the Spanish Spy Agency invented its famous tickle torture, the Flemish Spy Agency uncovered a Martian plot to take over the world, the Phlegmish Spy Agency was responsible for many major flu outbreaks during the Cold War? You might also think that backwards Russian pig Latin is not a real spy code, but it's listed in the Russian Spy Agency handbook. This book explains how it really happens. This is spying in its true, exposed form. This book will self-destruct when you finish reading it.

Colburn's United Service Magazine and Naval and Military Journal, 1860 **State and Society in Pre-colonial Asante** T. C. McCaskie, 2003-10-30 Scholarship on the West African kingdom of Asante is at the leading edge of Africanist research. In this book, T. C. McCaskie gives a detailed and richly nuanced historical portrait of precolonial Asante. His delineation of state and society in the eighteenth and nineteenth centuries is centred on an extended analysis of the crucial ritual of the annual Kumase Odwira festival. It is at once a profound historical reconstruction of an African polity and a deeply informed meditation on key Asante concepts and ideas. Throughout the book, the Asante experience is consistently discussed in a relation to a broad range of historiography and critical theory. **Cauldron of Ghosts** David Weber, Eric Flint, 2014-04-08 Sequel to national bestsellers *Torch of Freedom* and *Crown of Slaves*. Book Three in the *Crown of Slaves* series. Honor Harrington

universe Secret agent Anton Zilwicki and Victor Cachat return in this classic tie in series set in David Weber's Honorverse

**TOIL AND TROUBLE IN THE CAULDRON OF GHOSTS** The Mesan Alignment a centuries old cabal that seeks to impose its vision of a society dominated by genetic rank onto the human race Now the conspiracy stands exposed by spies Anton Zilwicki and Victor Cachat one an agent of Honor Harrington's Star Kingdom of Manticore the other a Havenite operative The outing of the Alignment has turned the galaxy's political framework topsy turvy Old coalitions have disintegrated New alliances have been born For starters the long and hard fought war between the Republic of Haven and the Star Empire of Manticore is not only over but these bitter enemies have formed a new pact Their common foe the Mesan Alignment itself But more information is needed to bring the Alignment out of the shadows Now defying the odds and relying on genetic wizardry themselves for a disguise Zilwicki and Cachat return to Mesa only to discover that even they have underestimated the Alignment's ruthlessness and savagery Soon they are on the run in Mesa's underworld not only hunted by the Alignment but threatened by the exploding conflict on the planet between Mesa's overlords and the brutalized slaves and descendants of slaves who have suffered under their rule for so long But if Zilwicki and Cachat succeed in rooting out the ancient conspiracy a great evil may be finally removed from the galaxy and on a long oppressed planet freedom may finally dawn At the publisher's request this title is sold without DRM Digital Rights Management

About the Crown of Slave Series Fans of Weber's Honor Harrington series will be delighted with this offshoot in which he and coauthor Flint develop several situations and characters from other stories This outstanding effort transcends the label space opera and truly is a novel of ideas
