Royal Heist Lynda La Plante,2005-05-31 From Lynda La Plante one of the world s greatest crime writers Royal Heist is a big dashing novel of deception passion and international suspense in which a man with a dangerous double life masterminds the greatest robbery of all time With a beautiful family and a magnificent fortune Edward de Jersey is making news with his prized racehorse Royal Flush But while de Jersey socializes with the cream of English society he keeps to himself the details of his background and how he acquired his wealth The son of an East End bookie de Jersey reinvented himself as an aristocrat after pulling off some of England s most notorious heists He has no intention of ever going back to crime until his financial adviser loses his entire fortune in a disastrous investment and de Jersey decides to retrieve it the old fashioned way by stealing it From Monaco to the Hamptons from London to the shadowy back alleys of cyberspace de Jersey goes into action using guile force and the latest technology to put together the perfect plan Drawing on the expertise of a computer hacker with a passion for Elvis the inside knowledge of a dying aristocrat and the skill of a professional impersonator de Jersey is ready to commit his greatest and final crime He s going to steal the crown jewels from under the nose of the royals themselves Now as Royal Flush prepares for a spectacular run at the Derby de Jersey faces his moment of truth How much is he willing to risk to win the sport s most coveted prize And just how far will he go to get away with the perfect crime A novel that builds to an amazing crescendo of suspense Royal Heist is a glamorous and gritty tale of men and women bound together by love greed trust and mistrust With all the pounding excitement of a high stakes horse race this is fiction that takes hold doesn t let go and dares us to keep guessing until the very end   Mediating the Royal Family Philipp Ditter,2015-02-02 Examination Thesis from the year 2013 in the subject English Language and Literature Studies Other grade 13 Punkte 1 3 Justus Liebig University Giessen Institut f r Anglistik Literaturwissenschaft language English abstract The British monarchy is one of the oldest in the world and therefore stands out due to its historical and traditional values Although it seems that voices are often raised against the monarchical institution favouring the process of Europeanisation and the implementation of republicanism opinion polls indicate that the British population and the citizens of the Commonwealth are in favour of a constitutional monarchy This approval is apparent from mediatised public royal events as well as the reporting on royal matters The public responds quite lively to such occasions which indicates that the interest in the British monarchy still dominates the minds of the British and a worldwide population The fame of the British monarchy is mainly due to a politically conservative British media system which unreservedly supports the status quo and determinedly speaks out against arising tendencies of republicanism or trade unions cf Blain and O Donnell 2003 3 This behaviour of the British media has become both beneficial and disadvantageous for its subjects throughout the reign of Queen Elizabeth II as the lives of the Royal Family s members have been extensively depicted in positive as well as in negative ways which has led to an increased accessibility of a social circle whose private life is otherwise shielded from the public s attention Therefore it

may be argued that the British monarchy and the media maintain a beneficial relationship which is however rendered controversial if the unpleasant incidents in which the British media were involved are taken into account As consumption is a characteristic of a postmodern society and culture the media s targeted audience and its hunger for news of any kind is difficult to satisfy and is further prevented by a growing media industry cf Blain and O Donnell 2003 19 which serves a need by spending so much time on and devoting so much space to royal phenomena Blain and O Donnell 2003 60   Notes from the Royal Zoological Museum Rijksmuseum van Natuurlijke Historie te Leiden,1898   **Journal of the Royal Microscopical Society** Anonymous,2024-02-06 Reprint of the original first published in 1882   **Journal of the Royal Microscopical Society** ,1882   The Philosophical History and Memoirs of the Royal Academy of Sciences at Paris Académie des sciences (France),1742   **The Royal Natural History** Richard Lydekker,1896   **The Transactions of the Entomological Society of London** Royal Entomological Society of London,1836   *Sessional Papers Read at the Royal Institute of British Architects* Royal Institute of British Architects,1874 List of members separately paged bound at end of v 18 19 1867 68 1868 69 also various brief reports papers etc separately paged bound at end of v 16 19 22 24 1965 66 1868 69 1871 72 1873 74   **Journal of the Royal Army Medical Corps** Great Britain.
