

Royal Childhoods

**Edward Alan Glasper, James
Richardson**

Royal Childhoods:

Royal Childhoods Charles Carlton, 2023-03-31 First published in 1986 *Royal Childhoods* shows how the early years of Britain's kings and queen have coloured their later lives Combining skills of a professional historian with a knowledge of psychology the author links the study of childhood to known pattern of events His book makes the distant figures of royalty more comprehensible as individuals With great insight into the influence of childhood experience he covers the whole span of British monarchy from William the Conqueror to the Prince of Wales This book will be of interest to students of history literature and psychology **A Royal Childhood** Liz Gogerly, 2013 Looks at the lives of royal children in the last 200 years

The Childhood and Schoolroom Hours of Royal Children Julia Luard, 1876 Scandals of the Royal Palaces Tom Quinn, 2021-10-19 George Orwell once said that the British love a really good murder He might have added that the only thing the British love more than a good murder is a really good scandal and best of all are the sexual and political scandals that take place behind the gilded doors of Britain's royal palaces From Edward II's intimate relationship with Piers Gaveston to Prince Harry and Meghan Markle's dramatic exit from the royal family the royal residences have seen it all This glorious romp of a book contains new information on well known and not so well known scandals including those that have only recently been revealed through the release of previously secret official papers Exploring surviving palaces such as Kensington as well as long vanished residences including Whitehall *Scandals of the Royal Palaces* is the first in depth look at the bad behaviour of not just the royals themselves but also palace officials courtiers household servants and hangers on Delving into the bitter hatreds that generations of King Georges nursed for their eldest sons Queen Victoria's opium fuelled rages and Edward VII's near miss perjury conviction royal expert Tom Quinn reveals that scandal and the royal family have always been bedfellows And if the behaviour of today's royals is anything to go by the glittering palaces will continue to house intriguing embarrassing and outrageous scandals for centuries to come *Harmful Sexual Behaviour in Young Children and Pre-Teens* Lesley-anne Ey, Elspeth McInnes, 2020-05-05 There has been considerable research and authorship on child sexual abuse however much of this research has focused on adult perpetrators and child victims Less attention has been paid to children's harmful sexual behaviour and the multitude of influences *Harmful Sexual Behaviour in Young Children and Pre-Teens* provides evidence based understanding on typical sexual development versus harmful sexual behaviour the prevalence and impacts associated with harmful sexual behaviour Australian laws policies and educator responsibilities responses and support systems for children who display harmful sexual behaviour and the implications and challenges for future practice This book provides understandings that directly respond to the recent Australian Royal Commission into Institutional Responses to Child Sexual Abuse recommendation 10.1 to address a primary prevention strategies to educate family community members carers and professionals about preventing harmful sexual behaviours b secondary prevention strategies to ensure early intervention when harmful sexual behaviours are developing and c tertiary

intervention strategies to address harmful sexual behaviours The authors present a review of psychological sociological legal and educational research to inform and support professionals involved in the wellbeing and education of children to understand manage and reduce dysfunctional sexual development in children Effective Investigation of Child Homicide and Suspicious Deaths 2e David Marshall,2024

Effective Investigation of Child Homicide and Suspicious Deaths David Marshall,2012-02-09 The first practical guide to managing the police investigation of child death this book brings together all investigative processes and doctrines into one volume From sudden and unexpected deaths in infancy SUDI to suspicious cases and homicide this is an indispensable resource for those tasked with this challenging but essential work

Unexpected Death in Childhood Peter Sidebotham,Peter Fleming,2008-04-30 For families who have experienced the death of a child their private tragedy is all too often exacerbated by an inappropriate or incompetent professional response For the professional charged with the responsibility of having to deal with unexpected child deaths such as a pediatrician a police officer or social worker this title offers guidance on how to respond adequately to this tragic event but also places the subject in a larger social context examining the history epidemiology causes and contributory factors surrounding the death of a child The book also covers the prevalence and types of death the role of the police in an unexpected child death how to support families how to undertake a serious case review and how to prevent child deaths in the future Part of the prestigious NSPCC Wiley Series in Safeguarding Children The Multi Professional Approach **The Best Interests of the Child in**

Healthcare Sarah Elliston,2007-11-06 Topical and compelling this volume provides an excellent re evaluation of the best interests test in the healthcare arena the ways in which it has developed the inherent difficulties in its use and its interpretation in legal cases concerning the medical care of children Comprehensively covering both the English and Scottish position within the context of the European Convention of human Rights and the UN Convention on the Rights of the Child the author examines a wide range of healthcare situations from the commonly occurring to the unusual offering a detailed analysis of legislation case law cases and their implications It includes discussions on the extent to which a child's body can be examined operated on and affected by medicines devices or procedures intended to bring about medical change the appropriate scope of parental choice and authority and at what stage of their development children should be allowed to make their own decisions the response to situations where the interests of children may be in conflict the cases of conjoined twins or the donation of organs to siblings This work is a key resource for postgraduates and researchers working and studying in the fields of law healthcare and medicine **Improving the Psychological Wellbeing of Children and**

Young People Julia Faulconbridge,Katie Hunt,Amanda Laffan,2018-10-18 Written for professionals spanning children's services this must read guide provides an authoritative overview of what shapes the psychological wellbeing of children and young people from perinatal care and adverse childhood experiences ACEs through to their socioeconomic circumstances schools and the wider community Contributors provide a concise overview of the evidence base identifying current barriers

to good mental health in policy and service provision and highlighting examples of initiatives proven to be successful. Examples are drawn from health, social care, youth justice and education settings with a focus on preventative and early intervention measures. This book is a rich resource for all professionals concerned with child wellbeing including service providers, commissioners, professionals and students. It should serve as essential reading for students on mental health training courses.

A Textbook of Children's and Young People's Nursing E-Book Edward Alan Glasper, James Richardson, 2010-05-19. This popular textbook is aimed at children's nurses in a wide range of practice settings including primary, ambulatory and tertiary care. Covering the full age and specialty spectrum, this text brings together chapters from among the best known children's nurses in the UK. It describes family-centred child healthcare drawing upon practice throughout the UK and further afield. This innovative text provides up-to-date information on a wide range of topics. Each chapter offers readers additional material on Evolve. Full Microsoft PowerPoint presentations that facilitate interactive learning augment the written chapters and provide information not normally possible in a standard textbook, e.g. colour photographs, video clips. Although intended for nurses, the book adopts an interprofessional problem-solving and reflective approach aimed at students, practitioners and child health educators. Material is offered from levels 1-3 and some of the ancillary material extends into the postgraduate arena. Each chapter offers readers additional material on an Evolve website. Full Microsoft PowerPoint presentations augment the written chapters and provide extra information that includes case studies, moving image photographs and text. Aims, objectives, learning outcomes, a summary box in each chapter and key points assist learning and understanding. Professional conversation boxes enliven the text on the page and make it more interesting to dip into. Suggestions for seminar discussion topics to help teachers. Case studies help to relate theory to practice. Prompts to promote reflective practice. Activity boxes, suggested visits, evidence-based practice boxes which highlight key research studies, annotated bibliographies including details of web sites and full contemporary references to the evidence base. Resource lists including recommended web site addresses. New chapter on blood disorders of childhood. New material on caring for young people and transitions in care. More on childhood eczema, childhood and adolescent mental health, solid tumours of childhood.

Plain Words to Children William Walsham How (successively Bishop of Bedford and of Wakefield.), 1877.

Practical Paediatrics Don M. Robertson, M. J. South, 2007-01-01. This is a comprehensive textbook of paediatrics that describes childhood disease within the context of social determinants of illness such as genetic origins and social factors. The emphasis is on differential diagnosis from a presenting problem viewpoint making it suitable for any problem-based learning style of curriculum. The new 6th edition is more comprehensive and more concise; the clinical focus is made even stronger with clinical examples. There are more images and the full text is online at StudentConsult along with self-assessment, further reading and web links. New co-editor Mike South. Fully updated, rewritten and extended, detailed treatment of paediatric illnesses arranged by systems. Takes into account social factors in paediatrics, the family problems of

adolescence etc Clinical examples clearly signposted are used throughout New chapters include obesity in children and adolescents child health in a global context child and adolescent gynaecology Online version of text available on Student Consult Self assessment section and further reading as well as web links now online **The Child Surveillance Handbook** David Hall,Jonathan Williams,David Elliman,2018-05-08 Previous editions of The Child Surveillance Handbook have built its reputation as the essential reference guide for GPs health visitors and other members of the healthcare team in primary care Now thoroughly revised and updated this new edition remains the authoritative guide to child surveillance promoting the health welfare and life chances of children **Child Sexual Abuse Reported by Adult Survivors** Sinéad Ring,Kate Gleeson,Kim Stevenson,2022-04-28 Child Sexual Abuse Reported by Adult Survivors is a wide ranging and timely critical history and analysis of legal responses to historical or non recent child sexual abuse NRCSA in England and Wales Ireland and Australia each of which represents an evolving and progressive approach to this important and complex issue The book examines the emergence of NRCSA as a distinctive social political and legal phenomenon in each country and explores the legal responses developed to address its unprecedented challenges Courts and parliaments in each country have reformed existing doctrine and practice and have created new ways of holding state and private actors accountable and new ways of addressing survivors injuries Criminal law tort law public inquiries and state reparations have all been to the forefront of these new legal responses which have transformed law s engagement with NRCSA survivors and understandings of justice itself However despite this undeniable progress the book identifies ways in which the legal responses developed in each country fail to deliver accountability and recognition to NRCSA survivors and argues that such failures betray the law s inherent ambivalence to delivering justice for these survivors Creating new insights into legal responses to this complex contemporary legal social and political problem this book will be of great interest to academic lawyers political scientists and historians as well as those working on related topics in criminology sociology social policy cultural studies and gender studies

Safeguarding Children And Young People Powell, Catherine,2007-08-01 While many nurses and midwives are in an ideal position to prevent identify and respond to child maltreatment they may not have a clear understanding of the theory policy and practice of safeguarding children **The Child** ,1922 Medieval Children Nicholas Orme,2003-01-01 Looks at the lives of children from birth to adolescence in medieval England EBOOK: Safeguarding Children and Young People Catherine Powell,2007-08-16 This book should be available in every ward clinic and department This book is comprehensive and that rare thing in nursing literature scholarly and authoritative reading this book should arm nurses with the understanding to effectively do their duty and safeguard children Paediatric Nursing This text will be particularly useful as a source of reference for all practitioners It is logical organised comprehensive and accessible If students wish to purchase one book this would be a sound choice Jan Nelmes University of Brighton UK I consider this a valuable book for all practitioners While the author makes clear her intended audience I think that a book of this quality would benefit a broader readership

Community Practitioner Magazine Safeguarding Children and Young People a Guide for Nurses and Midwives is an excellent book which I would have no hesitation in recommending to nursing and midwifery colleagues It is both thought provoking and informative providing what I consider to be a useful reference which can be utilised to help staff understand more clearly and thus respond more confidently to some of the challenging issues which can arise as a result of safeguarding work Johann Knox IC Electronic Bulletin While many nurses and midwives are in an ideal position to prevent identify and respond to child maltreatment they may not currently have a clear understanding of the theory policy and practice of safeguarding children This book which has been written specifically for a nursing and midwifery audience provides an accessible text that outlines and explores professional roles and responsibilities in the context of inter agency working Importantly it has chapters on Child neglect Fabricated or induced illness Child death and child maltreatment Safeguarding vulnerable children This groundbreaking book provides a much needed education research practice and evidence based evaluation The book also Includes case examples and points for reflection Provides an analysis of children s rights and child protection Enables readers to understand and apply theory and policy to practice Outlines the roles and responsibilities of other agencies Helps readers develop skills to deal with sensitive and traumatic issues Addresses the importance of confidentiality and information sharing Safeguarding Children and Young People is core reading for all nursing and midwifery students and practitioners This book provides a sound foundation both for novices needing to understand the challenges of working to safeguard children and as a reference book for those with experience of working in this field Dr Cheryll Adams Acting Lead Professional Officer Amicus CPHVA

Children and Young People's Nursing Ruth Davies,Alyson Davies,2011-04-29 Children and Young People s Nursing provides a comprehensive overview of the issues facing children s nurses today It focuses on developing best practice and implementing high quality care This book covers the wide range of general and specialist care settings in which children and young people s nurses work including schools the community and mental health Written by a team of experts from across the UK it emphasizes throughout the fundamental principles of contemporary children s nursing such as family centred care safeguarding and the need for a culturally sensitive and rights based approach to care This is an essential text for all children s nursing students as well as a useful reference for qualified nurses looking to update their practice Key features All chapters are underpinned by current policies and the latest research Key points reflection points principles for practice boxes and cas studies to aid learning Concludes with a section on building your portfolio and advancing your practice and career

Whispering the Techniques of Language: An Psychological Journey through **Royal Childhoods**

In a digitally-driven earth where monitors reign supreme and quick connection drowns out the subtleties of language, the profound secrets and psychological nuances concealed within words frequently go unheard. Yet, nestled within the pages of **Royal Childhoods** a captivating fictional value blinking with raw thoughts, lies an exceptional quest waiting to be undertaken. Written by an experienced wordsmith, this charming opus encourages readers on an introspective trip, lightly unraveling the veiled truths and profound affect resonating within the cloth of each and every word. Within the emotional depths of the emotional evaluation, we shall embark upon a honest exploration of the book is primary styles, dissect its interesting publishing fashion, and yield to the powerful resonance it evokes strong within the recesses of readers hearts.
