Chaplin's Girl Miranda Seymour,2009-05-05 In 1931 City Lights introduced Charlie Chaplin's new female star to the world The film defiantly silent in the age of talkies was an immediate and international hit The actress who played the romantic lead had never been on screen or stage before Chaplin's film turned her into the most famous girl in the world And like Rhett Butler the most famous girl in the world didn't give a damn Virginia Cherrill was the beautiful daughter of an Illinois rancher who ran away to live through some of Hollywood's wildest years She was the adoring first wife who broke Cary Grant's heart when she left him who turned down the gloriously eligible Maharajah of Jaipur to befriend his wife and rescue her from purdah Virginia Cherrill presided

during the thirties over one of England's loveliest houses as the Countess of Jersey Everybody sought her friendship All that eluded her was love And when she found it she gave up all she had to marry a handsome and penniless Polish flying ace whose dream it was to become a cowboy In this glorious and undiscovered story of Hollywood international high society wartime drama and romance Miranda Seymour works from unpublished sources to recapture the personality of a woman so vividly enchanting that none could resist her This is the story of Cinderella in reverse of the poor girl who won everything and gave up all for love Breathtakingly romantic exquisitely written this is the stuff that dreams are made of Indian States; a Biographical, Historical and Administrative Survey Arnold Wright, 1922 **Raj Rhapsodies: Tourism, Heritage**

and the Seduction of History Maxine Weisgrau, Carol Henderson, 2016-03-23 Heritage is a prized cultural commodity in the marketing of tourism destinations Particular aspects of heritage are often more actively promoted with others played down The representation of heritage in tourism as static and timeless derived since time immemorial from a distant past is seductive In Asia a major part of the tourism market lies in the sale and consumption of highly orientalized images and versions of culture and history In India's marketing discourse the state of Rajasthan symbolizes the nation in its heritage laden traditional and most authentic form These images draw heavily on the British period in India the Raj In one sense this vision of Rajasthan is ennobling highlighting moments of cultural pride In another sense it demeans by omitting and obscuring salient features of contemporary life This fascinating book explores the cultural politics of tourism through interdisciplinary perspectives Carol E Henderson and Maxine Weisgrau demonstrate that tourism heritage privileges elite histories that recapitulate colonial relationships compelling non elites to collude in these narratives of subordination even as they advance their own alternative visions of history Lonely Planet India Lonely Planet, **Insight Guides India**
