

Royal Street A Novel Of Old New Orleans

K Morrison

Royal Street A Novel Of Old New Orleans:

Royal Street. A Novel of Old New Orleans Walter Adolphe Roberts, 1947 **Royal Street** W. Adolphe (Walter Adolphe) Roberts, 1840 **The New Orleans of Fiction** James A. Kaser, 2014-07-29 The importance of New Orleans in American culture has made the city's place in the American imagination a crucial topic for literary scholars and cultural historians. While databases of bibliographical information on New Orleans centered fiction are available, they are of little use to scholars researching works written before the 1980s. In *The New Orleans of Fiction: A Research Guide*, James A. Kaser provides detailed synopses for more than 500 works of fiction significantly set in New Orleans and published between 1836 and 1980. The synopses include plot summaries, names of major characters, and an indication of physical settings. An appendix provides bibliographical information for works dating from 1981 well into the 21st century, while a biographical section provides basic information about the authors, some of whom are obscure and would be difficult to find in other sources. Written to assist researchers in locating works of fiction for analysis, the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies, i.e., class, ethnicity, gender, immigrant experience, and race. The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading, particularly since genre, juvenile, and young adult fiction, as well as literary fiction, are included.

Old New Orleans Arthur, Stanley Clisby, 1990 *Encyclopedia of Post-Colonial Literatures in English* Eugene Benson, L.W. Conolly, 2004-11-30 Documents the history and development of Post colonial literatures in English, together with English and American literature, and includes original research relating to the literatures of some 50 countries and territories. In more than 1,600 entries written by more than 600 internationally recognized scholars, it explores the effect of the colonial and post colonial experience on literatures in English worldwide.

Historical Sketch Book and Guide to New Orleans and Environs William Head Coleman, 1885

Confronting Black Jacobins Gerald Horne, 2015-10-22 The Haitian Revolution, the product of the first successful slave revolt, was truly world historic in its impact. When Haiti declared independence in 1804, the leading powers, France, Great Britain, and Spain, suffered an ignominious defeat, and the New World was remade. The island revolution also had a profound impact on Haiti's mainland neighbor, the United States. Inspiring the enslaved and partisans of emancipation while striking terror throughout the Southern slaveocracy, it propelled the fledgling nation one step closer to civil war. Gerald Horne's path-breaking new work explores the complex and often fraught relationship between the United States and the island of Hispaniola. Giving particular attention to the responses of African Americans, Horne surveys the reaction in the United States to the revolutionary process in the nation that became Haiti, the splitting of the island in 1844, which led to the formation of the Dominican Republic, and the failed attempt by the United States to annex both in the 1870s. Drawing upon a rich collection of archival and other primary source materials, Horne deftly weaves together a disparate array of voices: world leaders and diplomats, slaveholders, white abolitionists, and the freedom fighters he terms Black Jacobins. Horne, at once

illuminates the tangled conflicts of the colonial powers the commercial interests and imperial ambitions of U S elites and the brutality and tenacity of the American slaveholding class while never losing sight of the freedom struggles of Africans both on the island and on the mainland which sought the fulfillment of the emancipatory promise of 18th century republicanism

America in Historical Fiction Vandelia L. Vanmeter,1997-02-15 Portrayals of America s people places and events in historical fiction integrate literature with history and make an exciting supplement to U S history classes This book helps educators and students locate the best in classic and contemporary fiction in this subject area Arranged in major chronological divisions of U S history the annotated entries include standard bibliographic information time period subject location research base if known and whether the title is more appropriate for mature students or younger secondary students VanMeter often lists prequels and sequels or notes when a title is more than 600 pages long Extensive indexing provides access to entries on a wide variety of topics from women immigrants and ethnic groups to military political and social events

The United States Catalog ,1928 **Directory of Booksellers, Newsdealers and Stationers in the United States and Canada** ,1910 **American Book Trade Directory** ,1922 American Book Trade Manual ,1922 Includes lists of publishers booksellers and private book collectors **Inventory of the Church and Synagogue Archives of Louisiana** Louisiana Historical Records Survey,1941 **Bulletin** Medical Women's National Association,1928 **Rooms of One's Own** Adrian Mourby,2017-06-01 Writers relationships with their surroundings are seldom straightforward While some like Jane Austen and Thomas Mann wrote novels set where they were staying Lyme Regis and Venice respectively Victor Hugo penned Les Mis rables in an attic in Guernsey and No l Coward wrote that most English of plays Blithe Spirit in the Welsh holiday village of Portmeirion Award winning BBC drama producer Adrian Mourby follows his literary heroes around the world exploring 50 places where great works of literature first saw the light of day At each destination from the Bront s Yorkshire Moors to the New York of Truman Capote Christopher Isherwood s Berlin to the now legendary Edinburgh caf where J K Rowling plotted Harry Potter s first adventures Mourby explains what the writer was doing there and describes what the visitor can find today of that great moment in literature Rooms of One s Own takes you on a literary journey from the British Isles to Paris Berlin New Orleans New York and Bangkok and unearths the real life places behind our best loved works of literature **Appletons' Hand-book of American Travel** ,1873 *The Louisiana Bookstore Book* Carole Marsh,1991-09 **The Publishers Weekly** ,1908 Appleton's Hand-book of American Travel, Southern Tour Charles Henry Jones,1876 **A Book of Famous Old New Orleans Recipes Used in the South for More Than 200 Years** ,1900
