Royalty In The House:

Champassak Royalty and Sovereignty Ian G. Baird, 2024 The Kingdom of Champassak was founded in 1713 in what is now southern Laos and its royal lineage the House of Champassak continues to the present In this historical study of Champassak Ian G Baird explores the ways it has asserted its sovereignty across time and through monumental historical shifts including the delineation of national boundaries for Laos Thailand and Cambodia in the nineteenth and twentieth centuries In re creating this story Baird draws not only on a dazzling variety of primary sources in English French Lao and Thai but also on many years spent in conversation with members of the Na Champassak family who are now spread across a wide geographical area from Laos and Thailand to France and the United States Each chapter treats one historical period identifying the Champassak approach to sovereignty during that time Through this deep history Baird shows how sovereign power even within one case takes a wide range of forms always contingent contested and uneven across space and time
