Boone, 2022-08-30 This book of prophetic poetry contains instructions given by God to encourage the body of Christ and those who are looking for and seeking instructions These prophetic poems are written to encourage us all to continue to stay in the fight to continue to do the things on the earth that the Lord has given us to do not to faint but fight the good fight of faith be strong and very courageous be encouraged and continue in the journey Do our part that God has called us to do Each and every one of us has a unique and special purpose that God has called us to on the earth For there is one body but many parts or many members Find your part and finish the work Remember the race isn t given to the swift nor to the strong but to he that endures to the end **Be Encouraged 2** *The Annual Register, Or, A View of the History and Politics of the Year ...* , 1845 *The Annual Register, Or, A View of the History, Politics, and Literature for the Year ...* , 1845 *Annual Register of World Events* , 1845 **An Afghan Prince in Victorian England** Robert D. McChesney, 2024-07-25 In 1894 Great Britain invited Abd al Rahman Khan the amir of Afghanistan to England for a state visit Then at the height of its imperial might Britain sought to strengthen ties with the strategically important Afghanistan which shared a long frontier not yet a border with British India The amir s aim for the visit was to secure permission for an Afghan legation embassy in London while the British unaware of this goal hoped to overawe the amir with displays of military and industrial might as well as performances to show the strength and unity of British civil society The amir citing illness ultimately declined the invitation but in a calculated snub sent his second son Prince Nasr Allah Khan in his place This book narrates the events of the prince s mission in a number of revealing ways Using both British and Afghan sources including the journal of a senior member of the Afghan contingent McChesney places the visit in its international and historical context and analyzes the internal dynamics of the prince s delegation the seventy members of whom represented Afghanistan but included two Englishmen and two English women A further twenty members representing the Government of British India were as multi ethnic and multilingual as the members of the Afghan delegation This bilateral and complex mission left India in April 1895 and remained together for the next six months From the beginning it was riven by incidents of misogyny racism and class conflict that affected its ability to perform its diplomatic functions The reader gains insights into the goals and tactics of two asymmetrical yet competing
