ОСОБЛИВОСТІ ПРОЦЕСУ ДЕМОКРАТИЗАЦІЇ В УКРАЇНІ, ЩО НЕГАТИВНО ВПЛИВАЮТЬ НА СТАНОВЛЕННЯ ТА РОЗВИТОК ЕЛЕКТРОННОЇ ДЕМОКРАТІЇ

У роботі здійснено спробу аналізу проблеми, яка пов'язана з відсутністю врахування особливостей розвитку демократичних процесів певного регіону, держави, що може призводити до негативних наслідків еволюціонування та формування електронної демократії. Визначено і проаналізовано основні особливості процесу демократизації в Україні, що негативно впливають на становлення та розвиток електронної демократії, основними з яких є: несформованість громадянського суспільства та середнього класу; паралельність процесів демократизації суспільства та відродження «національної свідомості»; демократизація на тлі посткомуністичного режиму; відсутність або значна обмеженість рівного доступу політичних сил та окремих кандидатів до засобів масової інформації; відсутність досвіду демократичного розвитку; значний рівень цифрової нерівності. Крім того, визначено основні вимоги, що характеризують ступінь демократизації певної країни з позиції теорії класичної демократії: регулярна участь громадян у здійсненні державної влади через референдум та вибори; прийняття владних рішень з урахуванням інтересів меншості; недоторканність приватної власності; верховенство права; свобода засобів масової інформації; легітимність влади; силові структури держави перебувають під контролем громадськості, а їх діяльність має жорстке законодавче регулювання; наявність громадянського суспільства, політичного плюралізму та законної опозиції; свобода віросповідання.

Подальші дослідження будуть зорієнтовані насамперед на розвідку та аналіз позитивних аспектів політичних, економічних, історичних, організаційно-технічних, культурно-освітніх, правових особливостей демократизації, від яких залежить розвиток електронної демократії в Україні.

Ключові слова: електронна демократія; національні особливості е-демократії; вимоги до демократії.

Постановка проблеми. Глобальний розвиток електронної демократії зумовлює мотивацію країн, які лише перебувають на шляху формування традиційних засад демократії, до рішучих дій указаному напрямі. Досить аргументованим виглядає підхід щодо застосування методів, концепцій, підходів із формування та насадження конкретних рішень з метою якомога швидкого досягнення результату. При цьому відбувається цілком закономірний процес втрати базисів, що характеризують особливості певного регіону, нації, держави, такі як політичні, економічні, історичні, організаційно-технічні, культурно-освітні,

правові. Вказаний процес неминує призводити до негативних наслідків, які можуть бути непоміченими в контексті аналізу короткострокової перспективи, через їх тривалий часовий інтервал, таких як розмивання ідентичності та/або формування епіцентрів деструктивних соціальних явищ, метою та вектором спрямування яких є «вигніснення» неприродних елементів (насаджених примусово) у процесі формування демократичного суспільства.

Указані причини зумовлюють необхідність урахування національних особливостей розвитку демократичних процесів протягом періоду фор-
