Report ,2005 *Beliefs That Really Matter* Veerasammy Carpen,2010-01-05 *Beliefs That Really Matter* is both exegetical and theological in nature and gives clarity to contemporary readers of subject matter that they may find themselves struggling with in living the Christian life Just to name a few topics that the author has discussed in *Beliefs That Really Matter* are a God Breathed Scripture b Gods Plan of Grace c A New Beginning and d The Faith of One Man *Beliefs That Really Matter* makes people think about why they believe certain doctrines and to examine the doctrines whether if it is biblically sound The Christian life is unique which we cannot deny but the real challenge for us is to live the Christian life according to Gods standards and not ours These concerns should be relevant and timely to the practicing Christian that this book represents Each chapter of *Beliefs That Really Matter* is thought provoking and engages the readers not to settle for cheap messages of the gospel that our culture is so quickly to accept that lead many astray from the Bible For example cheap messages of the gospel do not develop the believer into a spiritual mature person but only leaves the believer to sink in their Christian experience and causes confusion for many and disappointment for others No wonder many Christians face numerous spiritual challenges and find themselves drifting from the sacred writings *Beliefs That Really Matter* points the professing Christian to study the Scriptures and to scoop out the meaning for themselves from Gods Word that they begin to apply in their lives as having to form a firm foundation Quite often we may read a book that does nothing for our spiritual growth and does not challenge certain teachings or examine the Scripture In *Beliefs That Really Matter* the author exposes shallow Christian beliefs that resemble a grab bag and calls attention to the unique Word of God that shapes our lives for a firm foundation *Beliefs That Really Matter* is written for college students pastors and lay leaders and for those who desire to grow in their spirituality and to experience a hunger for Gods presence in their lives For example the reader would benefit tremendously from the book by doing a Bible study on their own share in a small group discussion to be used as a text for a Sunday school class or to be used as a college text book in the discipline of Christian theology especially in the area of apply soteriology The contents of the book are clear and specific that does not leave the reader in the dark but rather motivate the reader to strengthen his faith and to connect with the sacred writings that feeds his soul *Beliefs That Really Matter* is a wealth of information to the readers that enjoy responsible exegesis and theological explanation of words and there meanings grammatical tenses expressions misunderstandings and contradictions Each chapter is concluded with a short study guide that enables the readers to think about their need for spiritual growth and enrichment and to dig into Gods Word as hidden treasure Sincerely Veerasammy Carpen Holy Bible Anonymous,1974-12-01 Here printed in clear easy to read self pronouncing type is the Revised Standard Version of The Holy Bible This edition is a superb synthesis of modern language and the lyric force of the King James Version Easily accessible yet still magnificent it retains as much poetry as possible while replacing obscure words and outdated phrasing with more contemporary usages The 1 120 pages of text contain in addition to the complete Old and New Testaments a summary of the books of the Bible a history of several modern translations an
