Persian philosophical poetry particularly inspired by Omar Khayyam's original Rubaiyat. In this work Riley employs a playful yet poignant vernacular that reflects the rustic charm of Midwestern America. Each quatrain imbues a sense of humor and wisdom as Doc Sifers, a fictional rural character, muses on life's transience, love, and the simple truths of human existence. The interplay of light-hearted whimsy and deeper existential reflections situates Riley's work within the broader context of American pastoral poetry, blending local dialect with universal themes. Riley, often revered as the Hoosier Poet, draws from his own experiences in Indiana's rural landscape, infusing his writing with authenticity and regional color. His background as a popular entertainer and an advocate for the cultural richness of everyday life informs this playful rendition. The fusion of humor and philosophy in Rubaiyat of Doc Sifers reflects Riley's desire to connect with ordinary people, making profound ideas accessible through relatable vernacular. This work is a delightful read for those interested in American poetry that celebrates the beauty of everyday life while tackling deeper philosophical questions. Riley's charm and wit invite readers to reflect on their own truths, making it a wonderful addition to both poetry collections and the libraries of those who cherish thoughtful, engaging literature.
