Ruben Dario:

Ruben Dario Centennial Studies Miguel Gonzalez-Gerth, George D. Schade, 2014-07-03 Rubén Darío 1867 1916 the undisputed standard bearer of the Modernist movement in Hispanic letters was born in Nicaragua In 1886 he went to Chile where he published *Azul* 1888 his first important book of poems and stories Later he lived for extended periods in Argentina Spain and France and in these countries produced his best work compelling poems of beauty style and dignity especially *Cantos de vida y esperanza* 1905 The perfection of form exotic essences and rich ornamentation of his earlier work give way in his most mature poems to self probings and doubts the anguish so characteristic of twentieth century literature But the hedonistic note the quenchless appetite for life dominating *Azul* and *Prosas profanas* 1896 never die out and are magnificently present in *El poema del otoño* 1910 Darío has had a tremendous impact on Hispanic literature He is one of the best examples of the poet who is true to his art as determined by his innermost impulses His poetry has fertilized a whole generation of writers in Spanish America and in Spain and even now his influence continues to be felt *Eleven Poems of Rubén Darío* Rubén Darío, 1916 *Eleven Poems of Rubén Darío* Rubén Darío, 1916 *Modernism, Rubén Darío, and the Poetics of Despair* Alberto Acereda, Rigoberto Guevara, 2004 *Modernism Ruben Darío and the Poetics of Despair* presents a detailed study of a neglected facet of Ruben Darío and in general of Hispanic Modernism metaphysical and existential dimensions as preludes to Modernity Alberto Acereda and J Rigoberto Guevara approach the life and death issues in Darío works with special emphasis on his poetry The authors demonstrate how the Nicaraguan poet takes the first steps towards poetic modernity The tragic component of Darío works are examined in the light of Nineteenth Century philosophy especially the work of Arthur Schopenhauer Various thematic proposals are also formulated for the study of the works of Ruben Darío

Selected Poems of Ruben Dario Rubén Darío, 1973 *The Intellectual and Cultural Worlds of Rubén Darío* Kathleen T. O'Connor-Bater, 2022-12-29 Nicaraguan poet Rubén Darío 1867 1916 has had a foundational influence on virtually all Spanish language writers and poets of the twentieth century and beyond Yet while he is a household name among Hispanophone readers the seminal modernista remains virtually unknown to an English readership This book examines the writings of Rubén Darío as both poet and chronicler as he renovates language drawing lessons from ancient mythologies to embrace the ideal of art for art's sake all the while opposing United States aggression in the hemisphere along with the pseudo Bohemian European bourgeoisie in poetry and prose at the cusp of the Great War **Ruben Dario in New York** Eliot G. Fay, 1972 **Short Stories from the Spanish**, 1920 *Rediscovering Rubén Darío through Translation* Carlos F. Grigsby, 2024-06-13 A long overdue examination of Rubén Darío's multilingual work and influences alongside the contexts and politics of canonization in world literature *Rediscovering Rubén Darío through Translation* addresses the peculiar obscurity of Darío by asking these questions How can one of the most important writers of a major world language be almost entirely unknown in the English speaking world How is it that other writers of the same language e.g. Lorca or García Márquez

achieve widespread recognition in the anglophone world while he remains unnoticed What role does translation play in this What can it tell us about the way in which world literature is articulated Carlos F Grigsby approaches Dar o s oeuvre through translation In doing so he explores not only the place of Dar o in the translation of Spanish American literature into English but also the place of translation in Dar o s own writing The result is a double sided painting as it were the recto is titled Translation in Dar o and the verso Dar o in Translation This book challenges the field of world literature by revealing some of the biases present in its representation of Spanish American literature It adopts a multilingual framework chiefly using English Spanish French and to a lesser degree Latin and Catalan in analyzing Dar o s writing alongside that of his contemporaries As a result it reveals the multilingualism of Dar o s own writing opening new avenues for the study of his work and of Spanish American modernismo more generally

Selections from the prose and poetry of Ruben Dario

Rubén Darío, 1947 *Critical Approaches to Rubén Darío* Keith Ellis, 1974-12-15 Rubén Darío 1867-1916 of Nicaragua was the leader of the important Latin American literary movement known as Modernism He is considered by many to be the greatest poet in Latin American literature and the volume of writings devoted to his work since 1884 is perhaps greater than that on any other writer in the history of Spanish American literature The celebration in 1967 of the centenary of his birth gave rise to a formidable number of new analyses increasing the need for the classification and assessment of the many studies In this book Professor Ellis examines and evaluates the wide range of methods and perspectives available to the reader of Dar o s works He considers the biographical approach social and political questions influences and sources structural analysis providing three structural studies of his own and in an appendix Dar o s own concept of the role of the literary critic His book is comprehensive both in time and in range and includes an up to date bibliography This is the first systematic study of the critical works on a Spanish American writer It is significant not only in its treatment of the work on an individual author but also as a reflection on and an indication of the trends methods and preoccupations of modern appraisals of Latin American writing *World Literature*, 2010 *Rubén Darío and the Romantic Search for Unity* Cathy Login Jrade, 2012-10-03 Modernism was the major Spanish American literary movement of the late nineteenth and early twentieth centuries Leader of that influential movement was Rubén Darío the Nicaraguan now recognized as one of the most important Hispanic poets of all time Like the Romantics in England and the Symbolists on the Continent Dar o and other Modernists were strongly influenced by occultist thought But as the poet Octavio Paz has written academic criticism has preferred to close its eyes to the stream of occultism that runs throughout Dar o s work This silence damages our comprehension of his poetry Cathy Login Jrade s groundbreaking study corrects this critical oversight Her work clearly demonstrates that esoteric tradition is central to Modernism and that an understanding of this centrality clarifies both the nature of the movement and its relationship to earlier European literature After placing Modernism in a broad historical and literary perspective Jrade examines the impact of esoteric beliefs upon Dar o s view of the world and the role of poetry in it

Through detailed and insightful analyses of key poems she explores the poet's quest for solutions to the nineteenth century crisis of belief. The movement that Ruben Daro headed brought Hispanic poetry into the mainstream of the modern tradition with its sense of fragmentation and alienation and its hope for integration and reconciliation with nature. Ruben Daro and the Romantic Search for Unity enriches our understanding of that movement and the work of its leading poet. **Contemporary Spanish Poetry** Cecile West-Settle, Sylvia Sherno, 2005. Debicki's illuminating application of varied critical methodologies and theoretical approaches in books such as *Poetry of Discovery* and *Spanish Poetry of the Twentieth Century* is reflected in all the essays included in this book. **"La Dulzura Del Angelus" of Ruben Dario** Margaret A. Van Antwerp, 1971.

Ruben Dario and the Romantic Search for Unity Cathy L. Jrade, **Selected Poems of Rubén Darío** Rubén Darío, 2010-06-28. Toward the close of the last century the poetry of the Spanish speaking world was pallid feeble almost a corpse. It needed new life and a new direction. The exotic erratic revolutionary poet who changed the course of Spanish poetry and brought it into the mainstream of twentieth century Modernism was Félix Rubén García Sarmiento 1867-1916 of Nicaragua who called himself Rubén Daro. Since its original publication in 1965 this edition of Daro's poetry has made English speaking readers better acquainted with the poet who as Enrique Anderson Imbert said divides literary history into before and after. The selection of poems is intended to represent the whole range of Daro's verse from the stinging little poems of Thistles to the dark brooding lines of *Songs of the Argentine* and *Other Poems*. Also included in the Epilogue is a transcript of a radio dialogue between two other major poets Federico García Lorca of Spain and Pablo Neruda of Chile who celebrate the rich legacy of Rubén Daro. **Concise Encyclopedia of Latin American Literature** Verity Smith, 2014-01-14. The Concise Encyclopedia includes all entries on topics and countries cited by many reviewers as being among the best entries in the book: entries on the 50 leading writers in Latin America from colonial times to the present and detailed articles on some 50 important works in this literature: those who read and studied in the English speaking world.

Transepistemologia Subalterna en Ruben Dario Y Jose Marti Monica Fabiola Gonzalez, 2009. **Teatro Nacional Ruben Dario, Edificio ENALUF, Banco Central de Nicaragua**, 1973.
