While researching this masterful work, acclaimed biographer Christoph Irmscher was granted unprecedented access to the Eastman family archive, allowing him to document little-known aspects of the famously handsome and charismatic radical. Considered one of the hottest radicals of his time, Eastman edited two of the most important modernist magazines, *The Masses* and *The Liberator*, and campaigned for women's suffrage and world peace. A fierce critic of Joseph Stalin, Eastman befriended and translated Leon Trotsky and remained unafraid to express unpopular views, drawing criticism from both conservatives and the Left. Set against the backdrop of several decades of political and ideological turmoil, and interweaving Eastman's singular life with stories of the fascinating people he knew and loved, this book will have broad interdisciplinary appeal in twentieth-century history and politics, intellectual history, and literary studies.
