Moskva Poslevoennaia 19451947 Arkhivnye Dokumenty I Materialy

Stephen Lovell

Moskva Poslevoennaia 19451947 Arkhivnye Dokumenty I Materialy:

Soviet Veterans of the Second World War Mark Edele, 2008-11-27 Millions of Soviet soldiers died in the USSR's struggle for survival against Nazi Germany but millions more returned to Stalin's state after victory Mark Edele traces the veterans' story from the early post-war years through to the end of the Soviet Union in 1991 He describes in detail the problems they encountered during demobilization the dysfunctional bureaucracy they had to deal with once back and the way their reintegration into civilian life worked in practice in one of the most devastated countries of Europe He pays particular attention to groups with specific problems such as the disabled former prisoners of war women soldiers and youth The study analyses the old soldiers' long struggle for recognition and the eventual emergence of an organized movement in the years after Stalin's death The Soviet state at first refused to recognize veterans as a group worthy of special privileges or as an organization They were not a group conceived of in Marxist-Leninist theory there was suspicion about their political loyalty and the leadership worried about the costs of affording a special status to such a large population group These preconceptions were overcome only after a long hard struggle by a popular movement that slowly emerged within the strict confines of the authoritarian Soviet regime *The Soviet Famine of 1946-47 in Global and Historical Perspective* N.

Ganson, 2009-04-27 This book illuminates a little-known but tremendously significant twentieth-century crisis in the Soviet Union Drawing on archival materials declassified since the fall of communism Nicholas Ganson situates the famine of 1946-47 at the crossroads of Soviet social and political history World War II the Cold War ideology and famine in the modern world He sheds light on the perspectives of Soviet elites and gives voice to the famine's victims In revealing the multi-causality of the postwar hunger this ambitious work challenges the received wisdom about the relationship between politics and famine

Moscow Monumental Katherine Zubovich, 2023-01-31 An in-depth history of the Stalinist skyscraper **Late Stalinist Russia** Juliane Fürst, 2006-09-27 With cutting-edge research and contributions from top scholars the late Stalinist period is thoroughly explored in this impressive work It explores a wide range of aspects of late Stalinist society focusing on the experience of the Soviet people and their interaction with ideology state policy and national and international politics **A History of the Soviet Union, 1945-1991** John L. H. Keep, 2002 Described as one of the most tragic human experiences in human history the Soviet Union as an empire holds much intrigue and fascination for the Western world It held unquestionable status as an empire with its coverage of over 100 nationalities Its status as the Last of the Empires depends on what the future may hold but any future empires will undoubtedly be based on intellectual and institutional foundations far different from those developed during the Soviet era Here John Keep presents the narrative history of the USSR from the last years of Stalin to the checkered fate of Gorbachev's reform policies and the ultimate collapse of the empire under manifold centrifugal pressures Focusing upon political economic social and cultural developments the book is divided into four parts the last years of Stalin Nikita Khrushchev's abortive attempts to reform Communist rule the years 1964-1985

covered largely by Breshnev's long tenure of power and lastly Gorbachev's abortive attempts to promote a reformed democratic communism **National Bolshevism** David Brandenberger, 2002 During the 1930s Stalin and his entourage rehabilitated famous names from the Russian national past in a propaganda campaign designed to mobilize Soviet society for the coming war In a provocative study David Brandenberger traces this populist national Bolshevism into the 1950s highlighting the catalytic effect that it had on Russian national identity formation **Stalinism at War** Mark Edele, 2021-09-23 Masterfully told and compellingly reinterpreted The Moscow Times Stalinism at War tells the epic story of the Soviet Union in World War Two Starting with Soviet involvement in the war in Asia and ending with a bloody counter insurgency in the borderlands of Ukraine Belarus and the Baltics the Soviet Union's war was both considerably longer and more all encompassing than is sometimes appreciated Here acclaimed scholar Mark Edele explores the complex experiences of both ordinary and extraordinary citizens Russians and Koreans Ukrainians and Jews Lithuanians and Georgians men and women loyal Stalinists and critics of his regime to reveal how the Soviet Union and leadership of a ruthless dictator propelled Allied victory over Germany and Japan In doing so Edele weaves together material on the society and culture of the wartime years with high level politics and unites the military economic and political history of the Soviet Union with broader popular histories from below The result is an engaging intelligent and authoritative account of the Soviet Union from 1937 to 1949

All this is Your World Anne E. Gorsuch, 2011-08-11 All this is your World offers an exploration of the revolutionary integration of the Soviet Union into global processes of cultural exchange Anne E Gorsuch examines what it meant to be Soviet in a country no longer defined as Stalinist *Demobilized Veterans in Late Stalinist Leningrad* Robert Dale, 2015-10-29 This book investigates the demobilization and post war readjustment of Red Army veterans in Leningrad and its environs after the Great Patriotic War Over 300 000 soldiers were stood down in this war ravaged region between July 1945 and 1948 They found the transition to civilian life more challenging than many could ever have imagined For civilian Leningraders reintegrating the rapid influx of former soldiers represented an enormous political economic social and cultural challenge In this book Robert Dale reveals how these former soldiers became civilians in a society devastated and traumatized by total warfare Dale discusses how and how successfully veterans became ordinary citizens Based on extensive original research in local and national archives oral history interviews and the examination of various newspaper collections *Demobilized Veterans in Late Stalinist Leningrad* peels back the myths woven around demobilization to reveal a darker history repressed by society and concealed from historiography While propaganda celebrated this disarmament as a smooth process which reunited veterans with their families reintegrated them into the workforce and facilitated upward social mobility the reality was rarely straightforward Many veterans were caught up in the scramble for work housing healthcare and state hand outs Others drifted to the social margins criminality or became the victims of post war political repression *Demobilized Veterans in Late Stalinist Leningrad* tells the story of both the failure of local representatives to support

returning Soviet soldiers and the remarkable resilience and creativity of veterans in solving the problems created by their return to society It is a vital study for all scholars and students of post war Soviet history and the impact of war in the modern era

Summerfolk Stephen Lovell, 2016-05-19 The dacha is a sometimes beloved sometimes scorned Russian dwelling Alexander Pushkin summered in one Joseph Stalin lived in one for the last twenty years of his life and contemporary Russian families still escape the city to spend time in them Stephen Lovell's generously illustrated book is the first social and cultural history of the dacha Lovell traces the dwelling's origins as a villa for the court elite in the early eighteenth century through its nineteenth century role as the emblem of a middle class lifestyle its place under communist rule and its post Soviet incarnation A fascinating work rich in detail *Summerfolk* explores the ways in which Russia's turbulent past has shaped the function of the dacha and attitudes toward it The book also demonstrates the crucial role that the dacha has played in the development of Russia's two most important cities Moscow and St Petersburg by providing residents with a refuge from the squalid and crowded metropolis Like the suburbs in other nations the dacha form of settlement served to alleviate social anxieties about urban growth Lovell shows that the dacha is defined less by its physical location usually one or two hours distance from a large city yet apart from the rural hinterland than by the routines values and ideologies of its inhabitants Drawing on sources as diverse as architectural pattern books memoirs paintings fiction and newspapers he examines how dachniki summerfolk have freed themselves from the workplace cultivated domestic space and created informal yet intense intellectual communities He also reflects on the disdain that many Russians have felt toward the dacha and their association of its lifestyle with physical idleness private property and unproductive use of the land Russian attitudes toward the dacha are Lovell asserts constantly evolving The word dacha has evoked both delight in and hostility to leisure It has implied both the rejection of agricultural labor and more recently a return to the soil In *Summerfolk* the dacha is a unique vantage point from which to observe the Russian social landscape and Russian life in the private sphere

While this might not be the Moskva Poslevoennaia 19451947 Arkhivnye Dokumenty I Materialy full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Moskva Poslevoennaia 19451947 Arkhivnye Dokumenty I Materialy eBooks, including some popular titles.

FAQs About Moskva Poslevoennaia 19451947 Arkhivnye Dokumenty I Materialy Books

What is a Moskva Poslevoennaia 19451947 Arkhivnye Dokumenty I Materialy PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Moskva Poslevoennaia 19451947 Arkhivnye Dokumenty I Materialy PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Moskva Poslevoennaia 19451947 Arkhivnye Dokumenty I Materialy PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Moskva Poslevoennaia 19451947 Arkhivnye Dokumenty I Materialy PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Moskva Poslevoennaia 19451947 Arkhivnye Dokumenty I Materialy PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, I LovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are

there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
