Wilderness Chef Ray Mears, 2020-07-09. Gather round an open fire. Share delicious food inspired by the outdoors and infused with age-old wisdom. This is living. This is the way of the wilderness chef. Ray Mears has spent his life travelling the world, living with and learning from trackers, adventurers, and indigenous peoples in the desert, the rainforests, and the Arctic north. In this book, he presents us with a delicious array of his most popular and enduring recipes, tried and tested for all levels of skill and in all conditions, from quick and tasty meals to opulent gourmet feasts. Opening with advice on setting up your outdoor kitchen and essential cooking techniques, Ray shows how to assess your ingredients, light a fire, cook in ashes, and leave steam, smoke, and build a ground oven. He then shares his fabulous and enjoyable recipes, including easy ideas that children and grownups can try out: campfire's mores, wilderness hot dog, egg on a stick, lemon chicken wrapped in dock leaves, gourmet meals, Italian hunter's rabbit, succulent split stick roasted salmon, recipes learned from bushmen and indigenous peoples around the world, potjiekos, canoe country pancakes, fragrant and intense Gurkha curry. Woven throughout are colourful stories of Ray's cooking around the world, from baking a birthday cake using ingredients sourced in the rainforest to steaming fish Maori style using bags crafted from Bull Kelp, and pulling a giant Emu leg drumstick out of a ground oven built by a Pitjantjatjara elder in the Central Australian desert. This is a practical and inspiring book, drawing on the love of the outdoors, cooking in the open air, and creating delicious food from scratch. **King of the Outback** Bill King, 2011. The life of the legendary pioneer of outback travel, the man who opened up Australia to adventure travel. A modern-day explorer who took everyday Australians along for the ride. Bill King is the pioneer who put the Australian outback on the map for both local and international tourists. Through an enterprise founded on hope and grit, now operating as AAT Kings, he opened up a completely new branch of Australian tourism. Thousands of Australians have experienced the adventure of a lifetime in Bill's capable hands, often walking in the footsteps of explorers such as Burke and Wills, Leichhardt, Sturt, and Stuart. Eccentric drivers, mad passengers, and sticky situations abound against the backdrop of the glorious Australian outback. Bill and his tour groups sometimes got lost, bogged, or stranded, sometimes even scared out of their wits, but there was always a fierce determination to bring the show back home. Bill never lost a passenger or brought one to harm, though by heck, they did sometimes try his monumental patience. Welcome to the Outback Sue

Williams,2012-03-21 The Outback isn't a place on a map it's a place in your heart It's an attitude how you treat people a way of behaving It's your belief system and how a whole nation of Australians often long for a time when life was simpler less complicated more genuine Sue Williams has long been fascinated by the Outback its striking landscapes the salt of the earth characters it breeds its wonders and its weirdness But to date her focus has been on others' lives Now putting her bravest foot forward Sue sets out to see our country as it really is warts and all She accepts every new challenge that comes her way including pregnancy testing cows at a remote property joining a cattle drive across Queensland visiting the deadliest town in Australia and fronting up to a ferocious fighter in the last boxing tent in the world It's tough for a city slicker but she won't stop until she discovers what the real Outback is all about
