

ALABAMA POLITICAL REPORTER

Political Power In Alabama

United States. Congress

Political Power In Alabama:

Political Power in Alabama Anne Permaloff, Carl Grafton, 2008-12-01 Political Power in Alabama is the sequel to Anne Permaloff and Carl Grafton's Big Mules and Branchheads a biography of the populist governor Big Jim Folsom Encompassing the years from 1958 to 1970 and the gubernatorial terms of John Patterson George Wallace Lurleen Wallace and Albert Brewer the present volume offers a full account of the breakup of the Big Mule Alliance the elite coalition of Alabama's largest industrial and agricultural interests and the subsequent effects on the state's political environment Dominating Alabama politics for most of the century through disenfranchisement and control of the legislature the Big Mules wanted low taxes a minimally effective school system no effective labor unions a small electorate and racial segregation By 1958 however the Big Mules urban and rural elements had grown disaffected with one another and outside forces were driving them apart In a few years the legislature and the electorate would be drastically restructured Although this period could have been a time to set new policy directions for the state say Permaloff and Grafton many opportunities for change were squandered establishing the politics of Alabama today and the problems facing the state Political Power in Alabama covers an extraordinarily complex set of issues and events including the civil rights struggle urban rural disparities the lack of party competition the structure of the tax system and the economic and cultural gaps separating Alabama and the rest of the South from the nation

Alabama Politics in the Twenty-First Century William H. Stewart, 2016-09-06 An expansive and accessible primer on Alabama state politics past and present which provides an in depth appreciation and understanding of the twenty second state's distinctive political machinery Why does Alabama rank so low on many of the indicators of quality of life Why did some of the most dramatic developments in the civil rights revolution of the 1960s take place in Alabama Why is it that a few interest groups seem to have the most political power in Alabama William H Stewart's Alabama Politics in the Twenty First Century explores these questions and more illuminating many of the often misunderstood details of contemporary Alabama politics in this cohesive and comprehensive publication The Alabama state government especially as a specimen of Deep South politics is a topic of frequent discussion by its general public second only to college football However there remains a surprising lack of literature focusing on the workings of the state's bureaucracy in an extensive and systematic way Bearing in mind the Yellowhammer State's long and rich political history Stewart concentrates on Alabama's statecraft from the first decade of the twenty first century through the November 2010 elections and considers what the widespread Republican victories mean for their constituents He also studies several different themes prominent during the 2010 elections including the growing number and influence of special interest groups the respective polarization of whites and blacks into the Republican and Democratic parties and the increasingly unwieldy state constitution This fascinating and revealing text provides a wealth of information about an extremely complex state government Featuring detailed descriptions of important concepts and events presented in a thorough and intelligible manner Alabama Politics in the Twenty First

Century is perfect for scholars students everyday Alabamians or anyone who wants the inside scoop on the subtle inner workings of the Cotton State s politics Race and the Origins of American Neoliberalism Randolph Hohle,2015-06-12 Why did the United States forsake its support for public works projects public schools public spaces and high corporate taxes for the neoliberal project that uses the state to benefit businesses at the expense of citizens The short answer to this question is race This book argues that the white response to the black civil rights movement in the 1950s 60s and early 70s inadvertently created the conditions for emergence of American neoliberalism Neoliberalism is the result of an unlikely alliance of an elite liberal business class and local segregationists that sought to preserve white privilege in the civil rights era The white response drew from a language of neoliberalism as they turned inward to redefine what it meant to be a good white citizen The language of neoliberalism depoliticized class tensions by getting whites to identify as white first and as part of a social class second This book explores the four pillars of neoliberal policy austerity privatization deregulation and tax cuts and explains how race created the pretext for the activation of neoliberal policy Neoliberalism is not about free markets It is about controlling the state to protect elite white economic privileges *Alabama's Frontiers and the Rise of the Old South* Daniel Dupre,2017-11-30 A well written nicely comprehensive and inclusive social history of Alabama before and immediately after statehood H AmIndian Alabama endured warfare slave trading squatting and speculating on its path to becoming America s twenty second state and Daniel S Dupre brings its captivating frontier history to life in Alabama s Frontiers and the Rise of the Old South Dupre s vivid narrative begins when Hernando de Soto first led hundreds of armed Europeans into the region during the fall of 1540 Although this early invasion was defeated Spain France and England would each vie for control over the area s natural resources struggling to conquer it with the same intensity and ferocity that the Native Americans showed in defending their homeland Although early frontiersmen and Native Americans eventually established an uneasy truce the region spiraled back into war in the nineteenth century as the newly formed American nation demanded more and more land for settlers Dupre captures the riveting saga of the forgotten struggles and savagery in Alabama s and America s frontier days An introduction to the interaction of European powers the United States and Indian tribes in Alabama and the Southeast Western Historical Quarterly *A War of Sections* Steve Suitts,2024-01-15 In a sweeping reinterpretation of the history of disfranchisement Steve Suitts illuminates how a century of political conflicts in Alabama came to shape both some of America s best achievements in voting rights and its continuing struggles over voter suppression A War of Sections tells the unknown political history symbolized today by the annual pilgrimage of presidents and celebrities across the Edmund Pettus Bridge It is the story of how that crucial tragic day in Selma in 1965 was only the flashpoint of a much longer history of failures and successes involving conflicts not only between blacks and whites in Alabama but between white political factions warring in the state over voting rights Suitts recasts the context and much of the content of disfranchisement in Alabama as an unrelenting decades long sectional battle in white only politics between the

state's rural Black Belt and north Alabama counties. He uncovers important Black and white heroes and villains who collectively shaped the arc of voting rights in Alabama and ultimately across the nation. *A War of Sections* offers a new understanding of the political dynamics of resistance and change through which a southern state's long-standing democratic failures ironically provided motivation for and instruction to a reluctant nation regarding unmatched ways to advance universal voting. Along the way, the book introduces from this unheard past some prophetic voices that speak to the paramount issues of America's commitment to the universal right to vote then and now. **Big Mules and Branchheads**

Carl Grafton, Anne Permaloff, 2008-09-01 A passion for politics and for political power is at the core of this biography of Big Jim Folsom, the legendary two-term Alabama governor who revolutionized state government by going directly to the branchheads, the grassroots, to exhort the powerless to fight for their rights against the Big Mules, the elite cotton planters and urban industrialists. Drawing on hundreds of hours of interviews with Folsom, his family and friends, and his allies and rivals, Carl Grafton and Anne Permaloff reveal in *Big Mules and Branchheads* the complex reality behind the stories and myths that have arisen around the Alabama governor. Often dismissed as a naïve yet somehow appealing yokel whose rise to power was largely attributable to luck, Folsom is seen here as a highly knowledgeable and creative political strategist who calculated his most important victories even while his behavior often seemed influenced by innocence and a tendency toward buffoonery. His two terms as governor were marked by scandal, yet Folsom energetically sought to raise the moral level of Alabama politics by bluntly advocating in the face of great opposition the expansion of civil rights for blacks, poor whites, and women. Folsom, the authors suggest, is as widely misunderstood in Alabama as Alabama is misunderstood throughout the nation. Illuminating the intricacies of Alabama's politics as it traces Folsom's rise to power, this book gives readers the unique opportunity to know the legendary Folsom as a flawed yet often inspiring human being who energetically practiced his own colorful brand of politics. *State Constitutions for the Twenty-first Century, Volume 1* Robert F. Williams, G. Alan

Tarr, 2006-06-01 Through illuminating case studies of reform efforts in Alabama, California, Colorado, Florida, New York, and Virginia, this book, the first of three volumes, provides the first systematic analysis of the political obstacles to state constitutional reform. For those seeking constitutional reform, this useful resource can spell the difference between success and failure, and for those interested in state politics or constitutional politics, it offers rare insight into a distinctive aspect of American constitutionalism. Written by eminent scholars who were in many cases also active participants in the reform campaign, the essays provide practical experience, expert analysis, and lessons for future constitutional reformers. **State**

Politics and the Affordable Care Act John C. Morris, Martin K. Mayer, Robert C. Kenter, Luisa M. Lucero, 2019-06-21 After a great deal of discussion and debate across all levels of government, President Obama signed the Affordable Care Act (ACA) into law in March 2010. Since President Trump's election into office, the ACA has stayed in the headlines. Trump has continued to call for the replacement and repeal of the ACA, and several efforts have spawned in both the House and the Senate to

accomplish this goal Unlike welfare reform which was generally embraced by all states the ACA has proven very divisive in some states with some states actively seeking to block implementation Alternative solutions continue to prove elusive To better understand the major factors driving decision making process and state level dynamics influencing state support or opposition of the ACA this book examines the initial implementation through established support and opposition factors across four states Alabama Michigan California and New Hampshire The choices made by states are a direct consequence of long term forces and the choices made at the national level State Politics and the Affordable Care Act will be of interest to scholars researching in public administration policy formulation and implementation and policy analysis **State**

Constitutions for the Twenty-first Century, Volume 1 G. Alan Tarr, Robert F. Williams, 2006-06-01 The first systematic analysis of the obstacles to state constitutional reform **When Destiny Comes to a Fork in the Road** David

Cauthen, 2013-05-02 What is your life's purpose your reason for being here and how do you know what it is Do you have a destiny and if so how was that determined How do you reach it Are there choices and if so how does one make them Is there a power which steers you down the right path toward your destiny tells you which fork in the road to take What difference in the grand scheme of things will your life make The author asked himself the same questions over and over throughout most of his seventy seven years and only recently has he learned the answers In *When Destiny Comes to a Fork in the Road* Demus the author's guardian angel describes the author's thoughts words and actions as he travels down life's road seeking to discover his reason for being his calling his destiny Share with him his happiness and sadness emotions indecision uncertainty discoveries accomplishments failures his experiences the people he met on his life's journey and his quest to learn and to fulfill his destiny and his eventual understanding of the meaning of his life [Encyclopedia of African American](#)

[History, 1896 to the Present](#) Paul Finkelman, 2009 Alphabetically arranged entries from A to C that explore significant events major persons organizations and political and social movements in African American history from 1896 to the twenty first century **Southern Politics in State and Nation** V.O. Key, 2024-08-09 V O Key's classic work on Southern politics

The author one of the nation's most astute observers drew on more than five hundred interviews with Southerners to illuminate the political process in the South and in the nation *Southern Politics in State and Nation* explains party alignments within states internal factional competition and the influence of the South upon Washington It also probes the nature of the electorate voting restrictions and political operating procedures This reprint of the original edition includes a new introduction by Alexander Heard and a profile of the author by William C Havard It remains one of the most influential books on the subject [Reconstruction in the United States](#) David Lincove, 2000-01-30 The only comprehensive bibliography on

Reconstruction this book provides the definitive guide to literature published from 1877 to 1998 In over 2 900 entries the work covers a broad range of topics including politics agriculture labor religion education race relations law family gender studies and local history It encompasses the years of the Civil War through the conclusion of the 1876 election and the end of

the federal government's official role in reforming the postwar South and protecting the rights of Black citizens. In detailed annotations the book covers a range of literature from scholarly and popular studies to published memoirs, letters and documents as well as reference sources and teaching tools. The issues of Reconstruction, civil rights, states' rights and federal-state relations, racism, nationalism, government aid to individuals continue to be relevant today and the literature on Reconstruction is large. This book provides a systematic and comprehensive bibliographic guide to that literature. It is organized by topics and geographical regions and states thereby emphasizing the local diversity in the South. In addition to a variety of literature it covers the relevant Supreme Court cases through 1883, provides full citations to federal acts and cases cited and includes the texts of the 13th, 14th and 15th Amendments to the Constitution. The book will be useful to scholars and students researching a wide range of topics in Southern history, constitutional history and national politics in post-Civil War United States.

Congressional Record United States. Congress, 1967. The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States 1789-1824*, the *Register of Debates in Congress 1824-1837* and the *Congressional Globe 1833-1873*.

Highway 80: A Drive-through Alabama's Civil Rights Corridor – 6th Edition Robert O. White II, 2022-09-26

The Federal and State Constitutions Benjamin Perley Poore, 1877

Criminology Research Focus Karen T. Froeling, 2007. Criminology is the scientific study of crime as an individual and social phenomenon. Criminological research areas include the incidence and forms of crime as well as its causes and consequences. They also include social and governmental regulations and reactions to crime. Criminology is an interdisciplinary field in the behavioural sciences drawing especially on the research of sociologists and psychologists as well as on writings in law. This book presents leading research from around the world.

The Federal and State Constitutions, Colonial Charters, and Other Organic Laws of the United States ... Benjamin Perley Poore, 1878. Spans centuries of legal documents from Provisions granted to Christopher Columbus in 1492 to the Constitution of Texas in 1876.

The Life and Times of Hannibal Hamlin Charles Eugene Hamlin, 1899

Dixie Redux Raymond Arsenault, 2013-11-01. *Dixie Redux* Essays in Honor of Sheldon Hackney is a collection of original essays written by some of the nation's most distinguished historians. Each of the contributors has a personal as well as a professional connection to Sheldon Hackney, a distinguished scholar in his own right who has served as Provost of Princeton University, president of Tulane University and the University of Pennsylvania and the chairman of the National Endowment for the Humanities. In a variety of roles, teacher, mentor, colleague, administrator, writer and friend, Sheldon Hackney has been a source of wisdom, empowerment and wise counsel during more than four decades of historical and educational achievement. His life, both inside and outside the academy, has focused on issues closely related to civil rights, social justice and the vagaries of race, class, regional culture and national identity. Each of the essays in this

volume touches upon one or more of these important issues themes that have animated Sheldon Hackney s scholarly and professional life

Unveiling the Energy of Verbal Beauty: An Psychological Sojourn through **Political Power In Alabama**

In some sort of inundated with displays and the cacophony of instantaneous conversation, the profound energy and mental resonance of verbal beauty frequently fade in to obscurity, eclipsed by the continuous barrage of sound and distractions.
