Psychotherapy And Counseling With Asian American Clients:

Psychotherapy and Counseling With Asian American Clients George K. Hong, MaryAnna Domokos-Cheng Ham, 2001
This book is a practical and comprehensive guide for clinicians trainees and students interested in developing their skills in providing Psychotherapy and Counseling to Asian American Clients The authors offer a cultural and social environmental framework which helps mental health professionals conceptualize issues facing Asian American clients as well as strategies for addressing clinical concerns This book discusses many frequently asked questions regarding clinical work with Asian Americans Cultural similarities and differences among various Asian American groups clinical implications of immigration and refugee experiences strategies for diagnostic assessments ways to engage Asian American clients in treatment application of individual family and group psychotherapy and counseling culturally syntonic service delivery models and training and curriculum issues Practical suggestions and case examples are offered throughout the book Psychotherapy and Counseling With Asian American Clients George K. Hong, MaryAnna Domokos-Cheng Ham, 2000-11-22 This book is a practical and comprehensive guide for clinicians trainees and students interested in developing their skills in providing Psychotherapy and Counseling to Asian American Clients The authors offer a cultural and social environmental framework which helps mental health professionals conceptualize issues facing Asian American clients as well as strategies for addressing clinical concerns This book discusses many frequently asked questions regarding clinical work with Asian Americans Cultural similarities and differences among various Asian American groups clinical implications of immigration and refugee experiences strategies for diagnostic assessments ways to engage Asian American clients in treatment application of individual family and group psychotherapy and counseling culturally syntonic service delivery models and training and curriculum issues Practical suggestions and case examples are offered throughout the book *Transference and Empathy in Asian American Psychotherapy* Jean Lau Chin, Joan Huser Liem, MaryAnna Domokos-Cheng Ham, George K. Hong, 1993-05-24 The Asian American population is increasing rapidly and not unpredictably so are its mental health needs A number of cultural factors and stressors common to Asian Americans pose obstacles to the successful employment of Western psychotherapy approaches and counseling for example the central role of the family in Asian life and the culturally based traditional stigma associated with mental health problems The authors all practicing psychotherapists focus on the critical aspects of transference and empathy in their consideration of the mental health approaches and therapies appropriate to ethnic minority population The work has value as a resource for professionals and as a training guide for those intending to practice as psychotherapists and counselors in minority communities It offers extraordinary insights and practical guidance through the use of case studies Not only do these identify problems stemming from the racial differences between client and therapist but they also provide rich clinical examples of case diagnosis treatment plans and client status statements This is an important book that will further both the theory and practice of psychotherapy among minority

populations *Counseling and Psychotherapy for South Asian Americans* Ulash Thakore-Dunlap, Devika Srivastava, Nita Tewari, 2022-10-28 This essential text explores what it means to be a South Asian American living in the US while seeking navigating and receiving psychological behavioral or counseling services It delves into a range of issues including cultural identity racism colorism immigration gender sexuality parenting and caring for older adults Chapter authors provide research literature clinical and cultural considerations for interviewing and treatment planning case examples questions for reflection suggested readings and resources The book also includes insights on the future of South Asian American mental health social justice advocacy and public policy Integrating theory research and application this book serves as a clinical guide for therapists instructors professors and supervisors in school university counseling centers working with South Asian American clients as well as for counseling students

Culturally Responsive Counseling with Asian American Men William Ming Liu, Derek Kenji Iwamoto, Mark H. Chae, 2011-01-19 Asian American men represent a complex group with distinct psychological and mental health concerns yet the current counseling literature is lacking in resources for clinicians working with this population The purpose of this text is to provide practitioners with a comprehensive overview of the current research and theory related to the important and unique issues that Asian American men experience It offers clinicians culturally responsive practical counseling techniques and strategies to help inform them on how to work effectively with this group Chapters are written by leading figures in the field and explore such topics as intergenerational conflict racism challenges associated with masculinity and fatherhood sexual orientation identity development substance abuse and career counseling Numerous clinical vignettes and case conceptualizations are included to assist clinicians who work with Asian American men and to demonstrate appropriate treatment responses

Cultural Considerations in Asian and Pacific Islander American Mental Health Harvette Grey, Brittany N. Hall-Clark, 2015-05-22 In America s increasingly diverse society it is imperative that mental health providers prioritize the development of their cultural competence to assure that they are equipped to meet the needs of their clients Cultural Considerations in Asian and Pacific Islander American Mental Health offers a broad array of perspectives from clinicians and researchers actively working with racially ethnically diverse populations This book addresses psychosocial cultural issues that impact the mental health of the growing Asian American population The book opens with the concept of what and who is an Asian American as well as the myriad distinctions and differences among various Asian groups Covered chapter topics include a historical overview of the diverse populations among Asian and Pacific Islander Americans a discussion of the tensions and similarities between empirically supported treatments and cultural competence Asian and Pacific Islander American elders and depression and a psychodynamic perspective regarding the treatment of dual diagnosis with an Asian American client This book is a must read for mental health clinicians students community workers school counselors and nurses who work with diverse populations

Asian and Pacific Islander Americans Daya Singh Sandhu, 1999 Scholars of psychology education social work and

counseling examine such topics as transracial adoption women's issues substance abuse and the racial experiences of 43 different ethnic groups often statistically lumped together Among the specific topics are Asian Indian women's bicultural experience political ethnic identity versus cultural ethnic identity ethnic variations in the adaptation of recent immigrant Asian adolescents regarding and sexual abuse *Culturally Adapting Psychotherapy for Asian Heritage Populations* Wei-Chin Hwang, 2016-03-31 Current census reports indicate that over half of the United States will be of ethnic minority background by 2050 Yet few published studies have examined or demonstrated the efficacy of currently established psychological treatments for ethnic minorities *Culturally Adapting Psychotherapy for Asian Heritage Populations* An Evidence Based Approach identifies the need for culturally adapted psychotherapy and helps support the cultural competency movement by helping providers develop specific skillsets rather than merely focusing on cultural self awareness and knowledge of other groups The book provides a top down and bottom up community participatory framework for developing culturally adapted interventions that can be readily applied to many other groups Areas targeted for adaptation are broken down into domains principles and the justifying rationales This is one of the first books that provides concrete practical and specific advice for researchers and practitioners alike It is also the first book that provides an actual culturally adapted treatment manual so that the reader can see cultural adaptations in action Summarizes psychotherapy research indicating underrepresentation of ethnic minorities Describes the first evidence based culturally adapted treatment for Asian heritage populations Provides concrete examples of adapted psychotherapy in practice Clarifies how this framework can be further used to adapt interventions for other ethnic groups Highlights how principles used to develop this depression specific treatment can be applied to other disorders Includes the full treatment manual *Improving Your Mood A Culturally Responsive and Holistic Approach to Treating Depression in Chinese Americans* **Transition and Change in Collectivist Family Life** Karen Mui-Teng Quek, Shi-Ruei Sherry Fang, 2017-03-23 This research to practice volume grounds clinicians in a robust culturally informed framework for conducting effective therapy with Asian American couples families and individuals Family cultural social and spiritual dynamics are explored across ethnicities generations relationships and immigrant citizen experience to reflect a diverse growing population Discussion and case examples focus on contrasts conflicts and balances involved in acculturation and change notably the shift from collectivist cultural tradition to a more independent view of the self gender choices and relationships The contributors finely shaded guidance and accessible approach will help therapists provide appropriate services for Asian American clients without minimizing or pathologizing their experiences Included in the coverage How Asian American couples negotiate relational harmony collectivism and gender equality Through religion working class Korean immigrant women negotiate patriarchy The role of Chinese grandparents in their adult children's parenting practices in the United States Balancing the old and the new the case of second generation Filipino American women Bicultural identity as a protective factor among Southeast Asian American youth who have witnessed domestic

violence Transition and Change in Collectivist Family Life is a cogent clinical resource for practitioners and mental health professionals with interests in Asian American family therapy psychotherapy collectivism and faith based community and counseling **Asian American Mental Health** Karen Kurasaki, Sumie Okazaki, Stanley Sue, 2002-08-31 Asian American Mental Health is a state of the art compendium of the conceptual issues empirical literature methodological approaches and practice guidelines for conducting culturally informed assessments of Asian Americans and for assessing provider cultural competency within individuals and systems It is the first of its kind on Asian Americans This volume draws upon the expertise of many of the leading experts in Asian American and multicultural mental health to provide a much needed resource for students and professionals in a wide range of disciplines including clinical psychology medical anthropology psychiatry cross cultural psychology multicultural counseling ethnic minority psychology sociology social work counselor education counseling psychology and more
