Public Worship John Perham Hylan,1901 **Public Worship** John Perham Hylan,2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Public Worship** John Perham Hylan,1901 *Public Worship* John P. Hylan,2014-03 This Is A New Release Of The Original 1901 Edition *Public Worship* John Perham Hylan,2017-09-16 Excerpt from Public Worship A Study in the Psychology of Religion I It is a matter of common observation that the church of to day exercises less control over the masses of the people than was the case two or three decades ago 1 There has also been a decline in the increase of church property as compared with the general increase of real and personal property throughout the country since the census of 1870 While this may not be sufficient as independent evidence yet when considered in connection with the deserted church edifices in many parts of our country and the apparent growing indifference toward conventional church usages on the part of the larger masses of the people it is evident that the church does not exert the same influence as formerly About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Public Worship** John Hylan,2014-09-15 The decrease in church attendance the decline of the influence of the church on the masses the growing tendency towards Sabbath desecration the extreme moderation of present day theological conceptions are conditions upon which the present volume endeavors to throw some light by a psychological discussion of the nature and meaning of public worship In an historical retrospect the author finds two typical Sabbaths 1 Recreative held by the Jews until their captivity viz a day of recreation as well as rest 2 Christian or worship conception held by later Jews and by Christians viz a day for worship as well as rest A study of the historical conditions that brought about the transition from the Recreative conception to the Christian reveals the psychological states involved in worship As long as the Jews were prosperous the Recreation view prevailed but after the captivity when misfortunes of all kinds assailed them a transition to the Christian conception was quickly effected Believing in Jehovah they naturally attributed the severity of the conditions of life to His displeasure and accordingly in order to win again His favor they eagerly

betook themselves to worship In humility of spirit they throng the temples and with receptive minds receive instruction in spiritual and practical life Thus are open immense possibilities of moral reformation by means of which the race can better adapt itself to its environment this is the great function of the Sabbath of the Christian type In brief while the Recreative Sabbath aims simply to preserve functions already acquired the Christian conception aims at the establishment of new functions p 45 The essential element in producing worship and the consequent moral reformation adaptation is adverse environment In emphasizing this point an interesting parallel is drawn between organic and mental evolution This conclusion the author confirms by his results obtained by the questionnaire method 203 subjects The answers to such questions as State your reasons for going to church personal good 173 duty 140 example 77 Is it the music the sermon prayer or something else that supplies your need in religious worship sermon 52 prayer 41 music 23 fellowship 1 Does church going give you a better idea as to how to live leads to kindness to others 30 singing 26 adoration of God 19 impulse toward a better life 6 show that the great function of religious worship is to secure the moral adjustment of the individual to his environment These results while extremely interesting and valuable would be much more conclusive had they been based on a much larger number of answers than the 203 reported Starbuck s recent religious studies are also cited to show that conversions occur most frequently at the age of greatest physical growth when the individual is face to face with the new environment of maturity to which he has to adjust himself and they thus support the author s general position This analysis of public worship enables us to understand present day conditions By science and invention man has been able to cope so successfully with his environment that the need of religious worship is not urgent and so there is a very general tendency to return to the early Jewish conception of a Recreative Sabbath *Psychological Review* Volume 8 *Public Worship* John Perham
