Public Life In Renaissance Florence Studies In Social Discontinuity:

Public Life in Renaissance Florence Richard C. Trexler, 1991 Public life Humanism Civic humanism Friendship Ritual Alberti Women in Florence Family Everyday life in Florence

Public Life in Renaissance Florence Trexler (Richard C), 1980 **The Laboring Classes in Renaissance Florence** Samuel Kline Cohn, 2013-10-02 The Laboring Classes in Renaissance Florence investigates the part of Renaissance history that refers to the notarial and criminal archives of Florence The book presents the relations between the laboring classes and the ruling elite It demonstrates the class struggle that happened in the Renaissance period The text also describes the progress of class struggle in periods preceding the Industrial Revolution It discusses the reforms of the political strategies list of protests and awareness of artisans and laborers in preindustrial milieu Another topic of interest is the tax revolt food riot and rural rebels resistance during the Renaissance period The section that follows describes the emergence of ethnic ghettos impact of immigration and distribution of population The book will provide valuable insights for historians students and researchers in the field of medieval history

Jews in East Norse Literature Jonathan Adams, 2022-12-05 What did Danes and Swedes in the Middle Ages imagine and write about Jews and Judaism This book draws on over 100 medieval Danish and Swedish manuscripts and incunabula as well as runic inscriptions and religious art c 1200 1515 to answer this question There were no resident Jews in Scandinavia before the modern period yet as this book shows ideas and fantasies about them appear to have been widespread and an integral part of life and culture in the medieval North Volume 1 investigates the possibility of encounters between Scandinavians and Jews the terminology used to write about Jews Judaism and Hebrew and how Christian writers imagined the Jewish body The mis use of Jews in different texts especially miracle tales exempla sermons and Passion treatises is examined to show how writers employed the figure of the Jew to address doubts concerning doctrine and heresy fears of violence and mass death and questions of emotions and sexuality Volume 2 contains diplomatic editions of 54 texts in Old Danish and Swedish together with translations into English that make these sources available to an international audience for the first time and demonstrate how the image of the Jew was created in medieval Scandinavia **Sacred Communities** Dean Phillip Bell, 2021-10-01 We all live in a community and it was no different for the Jews and Christians of medieval Germany or was it This book draws together disparate threads of Christian and Jewish communal development in an effort to give a deeper understanding to the complex tapestry of Jewish and Christian interaction In the broad examination presented herein it is possible to compare the general transformations that affected Jews and Christians both as residents of a shared German society and as residents of their own separate communities Jews and Christians interacted in a variety of ways in numerous settings and at a multitude of levels that defy simple categorization To label late medieval Germany a period of crisis is too simplistic the Reformation should not categorically be viewed as the central development in the shift between medieval and early modern times This book seeks to recontextualize the world of Jewish and Christian relations by bringing together

divergent sources not often taken together but equally important to inform one another and offer a fuller picture of Jewish and Christian notions of each other and themselves than has been possible up to this point *Popular Culture and Popular Protest in Late Medieval and Early Modern Europe* Michael Mullett, 2021-09-05 This book first published in 1987 looks at the culture of the masses and at the political language and actions of the crowd It examines the enduring traits of a European demotic culture that was largely non literate and it then goes on to show how the political outlook of the lower classes arose from the moral attitudes contained in their culture a culture that was deeply suffused by Christianity Unlike upper class culture popular culture is resistant to change and has to be studied over a long period in this case the fourteenth through the seventeenth centuries Because its themes popular social values riot and revolt are pervasive over both time and space the book's geographical coverage is extensive taking in most of western and central Europe **Lord of the Sacred City: The Episcopus exclusus in Late Medieval and Early Modern Germany** Jeff J. Tyler, 2021-10-11 Urban histories have emphasized the rise of civic autonomy and proto democracy Based on chronicle and archival sources this volume focuses on German bishops former lords of the city and fierce opponents of civic freedom The author investigates how bishops contested exclusion from political economic and religious dimensions of civic life Episcopus exclusus which culminated in the Protestant Reformation Four chapters are devoted to episcopal expulsion throughout Germany and the cities of Constance and Augsburg in particular A remarkable section explores the puzzle of the bishop's civic survival in the later Middle Ages made possible through episcopal ritual The emphasis on city bishop and ritual will be of special interest to urban historians as well as to scholars of medieval religion the reformation church history church state relations and social history **The Unruly Tongue** Melissa Vise, 2025-01-21 A cultural history of speech in medieval Italy The Unruly Tongue a cultural history of speech in medieval Italy offers a new account of how the power of words changed in Western thought Despite the association of freedom of speech with the political revolutions of the eighteenth century that ushered in the era of modern democracies historian Melissa Vise locates the history of the repression of speech not in Europe's monarchies but rather in Italy's republics Exploring the cultural process through which science and medicine politics law literature and theology together informed a new political ethics of speech Vise uncovers the formation of a moral code where the regulation of the tongue became an integral component of republican values in medieval Europe The medieval citizens of Italy's republics understood themselves to be wholly subject to the power of words not because they lived in an age of persecution or doctrinal rigidity but because words had furnished the grounds for their political freedom Speech making was the means for speaking the republic itself into existence against the opposition of aristocracy empire and papacy But because words had power they could also be deployed as weapons Speech contained the potential for violence and presented a threat to political and social order and thus needed to be controlled Vise shows how the laws that governed and curtailed speech in medieval Italy represented broader cultural understandings of human susceptibility to speech Tracing anthropologies of speech from

religious to political discourse from civic courts to ecclesiastical courts from medical texts to the works of Dante and Boccaccio The *Unruly Tongue* demonstrates that the thirteenth century marked a major shift in how people perceived the power and the threat of speech a change in thinking about what words do **Holy Feast and Holy Fast** Caroline Walker Bynum, 1987 In the period between 1200 and 1500 in western Europe a number of religious women gained widespread veneration and even canonization as saints for their extraordinary devotion to the Christian eucharist supernatural multiplications of food and drink and miracles of bodily manipulation including stigmata and inedia living without eating The occurrence of such phenomena sheds much light on the nature of medieval society and medieval religion It also forms a chapter in the history of women Previous scholars have occasionally noted the various phenomena in isolation from each other and have A London Bibliography of the Social Sciences, 1931 Vols 1-4 include material to June 1 1929 *Military Occupation under the Eyes of the Lord* Holger Berg, 2010-05-19 Diente der Krieg als Katalysator religiöser Wandels Dieser Frage geht Holger Berg am Beispiel Erfurts in der Zeit des Dreißigjährigen Krieges nach Zu widerlaufende Thesen über die Stärkung bzw den Abbruch bestehender Lehren infolge des Krieges werden anhand des reichhaltigen Quellenmaterials erstmals empirisch überprüft Während u a Predigten und Erbauungsbücher die Lehren vierer Pfarrer dokumentieren geben historiographische Handschriften Auskunft über die Überzeugungen der Laien Der breit angelegte Blickwinkel auf Pfarrer und Gemeindeglieder bietet nuancierte Ergebnisse sowohl für die Kirchengeschichte als auch für die historisch anthropologische Forschung Wer sich für den Zusammenhang von Leid gelebtem Glauben und Kriegserfahrungen interessiert gewinnt hier ungewöhnliche Einblicke The Medici: Portraits and Politics 1512-1570 Keith Christiansen, Carlo Falciani, Andrea Bayer, Elizabeth Cropper, Davide Gasparotto, Sefy Hendler, Antonella Fenech Kroke, Tommaso Mozzati, Elizabeth Pilliod, Julia Simon, Linda Wolk-Simon, 2021-04-19 Between 1512 and 1570 Florence underwent dramatic political transformations As citizens jockeyed for prominence portraits became an essential means not only of recording a likeness but also of conveying a sitter's character social position and cultural ambitions This fascinating book explores the ways that painters including Jacopo Pontormo Agnolo Bronzino and Francesco Salviati sculptors such as Benvenuto Cellini and artists in other media endowed their works with an erudite and self consciously stylish character that made Florentine portraiture distinctive The Medici family had ruled Florence without interruption between 1434 and 1494 Following their return to power in 1512 Cosimo I de Medici who became the second Duke of Florence in 1537 demonstrated a particularly shrewd ability to wield culture as a political tool in order to transform Florence into a dynastic duchy and give Florentine art the central position it has held ever since Featuring more than ninety remarkable paintings sculptures works on paper and medals this volume is written by a team of leading international authors and presents a sweeping penetrating exploration of a crucial and vibrant period in Italian art *Underdevelopment and the Transition to Socialism* James H. Mittelman, 2013-09-24 *Underdevelopment and the Transition to Socialism* Mozambique and Tanzania evaluates the promise and problems of

socialism in the Third World by considering the political economies of Mozambique and Tanzania The aim is to provide a basic account for Marxists and non Marxists alike interested in alternative strategies of development in the Third World It offers a materialist political economy approach that should be useful to an interdisciplinary group of scholars and practitioners The book is organized into four parts Part I maps out purposes and procedures Part II on Mozambique is a factually grounded analysis of an initial conjuncture in the transition to socialism the capture of state power by workers and peasants Part III on Tanzania focuses on another vital step on the way to socialism the nationalization of leading financial institutions and the attempt to place them under the aegis of the immediate producers Part IV knits together the main strands of the foregoing analysis and ties them to the broad themes discussed at the beginning of this book Sources and Methods of Historical Demography J. Dennis Willigan, Katherine A. Lynch, 2013-10-22 Sources and Methods of Historical Demography covers the fundamental sources methods and approaches to explanatory modeling for describing analyzing and understanding demographic features of past societies The book discusses the intellectual ancestry of historical demographic research beginning in the 17th century as well as the logic of basic techniques for reconstructing and analyzing information from fundamental source materials The text also describes the full range of disciplines that have made major contributions to historical demography and examples of empirical research The book concludes by arguing the case for conducting historical demographic research with a broad interdisciplinary ideal in mind Historians and sociologists will find the book invaluable

Poverty and Policy in American History Michael B. Katz, 2013-09-03 Poverty and Policy in American History is about people who needed help in the nineteenth and early twentieth centuries It is about the ways in which the perception of poverty and other forms of dependence affected the development of public programs and the conduct of voluntary reform It also about the ways in which people have written about welfare The book contains three chapters and opens with a description of the life and death of a poor family in early twentieth century Philadelphia based on case records It attempts to show many of the themes in the lives of the poor through the close analysis of one extended example The second chapter moves back in time and consists of four case studies drawn from the project's empirical research The first case study takes up the history of a neglected institution the poorhouse The second case reports on a survey of the causes of pauperism undertaken by the New York Board of State Charities in the mid 1870s The third case analyzes a sample of the seven special schedules of the 1880 U S census which enumerated the defective dependent and delinquent population The final case uses a register of tramps from various places in New York State during the mid 1870s to assess the relation between popular images of tramps and what appeared to be their actual characteristics The third chapter uses the results of the project's research and other recent work on related topics to examine American historical writing about dependence as a field and offers a sympathetic critique Economic Sociology Arthur L. Stinchcombe, 2013-10-02 Economic Sociology introduces the student to the main conceptions of economic sociology illustrates the application of the concepts and theories of economic

sociology and critiques the growing literature that uses economic sociology in the explanation of macroscopic social phenomena mostly deriving from the Marxist tradition The book features chapters that discusses the ecological analysis of societies how economic objectives get translated into requirements on social relations the basic structure of claims on the flow of benefits from economic enterprises the reproduction of relations of production and the general problem of creating a set of roles for new generations to occupy in such a way as to reproduce the basic structure of the economic system and the shaping of the flow of children s socialization and placement and of adult careers so that the roles will be filled The text will be interesting to political scientists economists and historians

The Dynamics of Nazism Fred Weinstein,2014-04-11 The Dynamics of Nazism Leadership Ideology and the Holocaust focuses on the problems of theory and history in which the basic concern of psychoanalysis the subjective strivings and perceptions might be integrated with the basic concern of sociology the organized collective behavior This book contains four chapters and begins with a description of the principles and ideology of Nazism and the conservative intelligentsia The second chapter discusses the psychosocial bases of Hitler s appeal and the heterogeneity of his movement This chapter particularly emphasizes the emotional effect of Nazism events The third chapter looks into the traditional psychoanalytic orientations to social action during Hitler s leadership The fourth chapter treats the rationalizations of a shocking and bizarre racism social struggles and violence Psychoanalysts psychohistorians sociologists and psychologists will find this book a great value

Land Reform in Mexico: 1910—1980 Susan R. Walsh Sanderson,2013-09-11 Land Reform in Mexico 1910 1980 presents the workings of the Mexican government by analyzing actual policies their implementation and their outcomes in a significant and central sector of the Mexican economy agriculture This book discusses the pattern of Mexican redistribution policy in agriculture over an extensive period of time with emphasis on the causes and effects of these policy shifts Organized into eight chapters this book begins with an overview of the agricultural policy and modernization strategy of Mexico This text then relates regional variations in the rural social structure of the late 19th century to the history of Mexico s unique agricultural policy Other chapters consider the policy shifts reflected in agrarian legislation by presidential period This book discusses as well the politics of land reform and its linkages to local state and national administrations The final chapter deals with the status of agricultural policy in Mexico during the 1980s This book is a valuable resource for scholar and students with interest in Mexican politics

Fertility in Massachusetts from the Revolution to the Civil War Maris A. Vinovskis,2013-10-22 Fertility in Massachusetts from the Revolution to the Civil War focuses on the socioeconomic determinants of fertility differentials and trends in Massachusetts from 1765 to 1860 The book provides useful insights into the nature of the development of Massachusetts in the late eighteenth and early nineteenth centuries Topics covered in the text include analysis of the differentials and trends in white fertility ratios at the national regional and state levels differentials and trends in mortality rates in Massachusetts impact of land scarcity and the role of urbanization and industrialization on fertility relationship between modernization and changes in

fertility in Massachusetts and the correlation of the decline of fertility in the West with the situation in developing countries
Demographers sociologists historians researchers and economists will find the book interesting *Program of the ... Annual
Meeting of the American Historical Association* American Historical Association. Meeting, 1980
