**A History of the United States and Its People** Elroy McKendree Avery, 1908 Naval Documents of the American Revolution United States. Naval History Division, 1964 *Naval Documents of the American Revolution: American theatre: October 1, 1777-December 31, 1777. European theatre: October 1, 1777-December 31, 1777* United States. Naval History Division, 1964 In the tradition of the preceding volumes the first of which was published in 1964 this work synthesizes edited documents including correspondence ship logs muster rolls orders and newspaper accounts that provide a comprehensive understanding of the war at sea in the spring of 1778 The editors organize this wide array of texts chronologically by theater and incorporate French Italian and Spanish transcriptions with English translations throughout *Monthly Catalog of United States Government Publications*, 1986-05 **Lady of the Beasts** Buffie Johnson, 1994-11 Vivid and provocative images of the Great Goddess throughout the centuries and from around the world an outstanding gift for the art collector history enthusiast or anyone interested in women's spirituality Three 8 page color inserts 196 photos 65 drawings

**Writings on the General Theory of Signs** Charles W. Morris, 2014-01-02 No detailed description available for Writings on the General Theory of Signs **OE [publication]**, 1969 *Report* Michigan State Library, 1908 *Report* Michigan State University. Library, 1906 *Indigenous Struggles for Autonomy* Luciano Baracco, 2018-11-29 *Indigenous Struggles for Autonomy* The Caribbean Coast of Nicaragua offers a broad and comprehensive analysis of Nicaragua's Caribbean Coast and the process of autonomy that was initiated in 1987 as part of a wider conflict resolution process during the years of the Sandinista revolution and has continued through to the present day Over its 30 year period of development the autonomy process on Nicaragua's Caribbean Coast can be seen as a crucible for the autonomous struggles of minority peoples throughout the Latin American continent Autonomy on Nicaragua's Caribbean Coast remains highly contested being simultaneously characterized by progress setbacks and violent confrontation within a number of fields and involving a multiplicity of local national and global actors This experience offers critical lessons for efforts around the world that seek to resolve long established and deep seated ethnic conflict by attempting to reconcile the need for development usually fostered by national governments through neo extractivist policies with the protection of minority rights advocated by marginalized minorities living within nation states and increasingly by intergovernmental organizations such as the United Nations and the Organization of American States This book presents analyses that reveal the broad implications for the struggle for autonomy on the Caribbean Coast of Nicaragua conducted by scholars with expertise in an array of disciplines including sociology globalization theory anthropology history socio linguistics cultural and postcolonial studies gender studies and political science **Honest John** Bakhtiar K Dadabhoy, 2025-04-30 John Matthai was independent India's first railways and transport minister Later he was India's second finance minister but resigned due to his differences with Pandit Nehru over the Planning Commission Matthai served in important position in the Tatas and was a friend and confidant of J R D Tata He was

chairman of the Taxation Enquiry Commission 1953 which provided a framework for the future tax policies of the government Matthai was the first chairman of the State Bank of India of the court of governors of the Administrative Staff College of India Hyderabad and of the National Book Trust He was also the founder president of the National Council of Applied Economic Research New Delhi Drawing from numerous primary and secondary sources this comprehensive biography introduces Matthai to a new generation even as it rekindles the memory of a man who has become the victim of collective amnesia Meticulously researched and engagingly written it also provides a window to that period in history Matthai's life and work provide a picture of those tumultuous times as well as describe the thinking that went into the making of modern India This biography fills an important gap by throwing light on one of the more substantial but now forgotten men in the public life of those times     *The Collected Papers of Bertrand Russell, Volume 14* Bertrand Russell, 2024-08-01 During the First World War Bertrand Russell was political commentator for The Tribunal the official weekly publication of the No Conscription Fellowship of which Russell was Action Chairman This volume contains many short papers from that period which reflect Russell's immediate responses to developments in the conflict These documents bear witness to Russell's growing commitment to pacifism and reveal the development of the patterns of political argument rhetoric and activism which were to characterise his work throughout his life     **Current Catalog** National Library of Medicine (U.S.), First multi year cumulation covers six years 1965-70     Catalog of Copyright Entries. Ritchie, 2023-04-25 A human and global take on a beloved vacation spot The crash of surf smell of salted air wet whorls of sand underfoot These are the sensations of the beach that environment that has drawn humans to its life sustaining shores for millennia And while the gull's cry and the cove's splendor have remained constant throughout time our relationship with the beach has been as fluid as the runnels left behind by the tide's turning The Lure of the Beach is a chronicle of humanity's history with the coast taking us from the seaside pleasure palaces of Roman elites and the aquatic rituals of medieval pilgrims to the venues of modern resort towns and beyond Robert C Ritchie traces the contours of the material and social economies of the beach throughout time covering changes in the social status of beachgoers the technology of transport and the development of fashion from nudity to Victorianism and back again as well as the geographic spread of modern beach going from England to France across the Mediterranean and from nineteenth century America to the world And as climate change and rising sea levels erode the familiar faces of our coasts we are poised for a contemporary reckoning with our relationship and responsibilities to our beaches and their ecosystems The Lure of the Beach demonstrates that whether as a commodified pastoral destination a site of ecological resplendency or a flashpoint between private ownership and public access the history of the beach is a human one that deserves to be told now more than ever before     Bulletin of the Russell Sage Foundation Library Russell Sage
