Publiek Geheim:

Publiek geheim J. Bernlef, 1987 In een Oosteuropese stad werken enkele mensen aan een televisiefilm over het leven van een beroemd schrijver die van staatswege met terughoudendheid bejegend wordt **Het geheim van Paleis Kneuterdijk** Wouter Hugenholtz, 2008-01-01 J C Baud was de langst dienende minister onder koning Willem II 1840 1849 Hij stond aan het hoofd van het Departement van Koloniën dat van cruciale betekenis was voor het herstel van de overheidsfinanciën Het was de tijd waarin de Nederlandse staat nagenoeg bankroet was en slechts op de been werd gehouden door de koloniale baten die op Java met het Cultuurstelsel werden verkregen Kort na de troonsbestijging van Willem II begon Baud aantekening te houden van de wekelijkse gesprekken die hij met de koning voerde over het koloniale beleid en ook over de binnenlandse politiek in het bijzonder de herziening van de grondwet Baud heeft deze aantekeningen tot het einde van zijn ministerschap volgehouden Zo ontstond een uniek document dat nagenoeg het hele koningschap van Willem II beslaat namelijk de periode van januari 1841 tot maart 1848 De vijf kleine boekjes waarin Baud zijn aantekeningen maakte zijn altijd in familiebezit gebleven en hebben daar decennia lang een onzichtbaar bestaan geleid Door het vaak onleesbare handschrift was het niet eenvoudig om de aantekeningen op juiste waarde te schatten Systematische studie met aanvullende toelichting heeft van een reeks fragmentarische notities een spannend politiek verhaal gemaakt Dit boek werpt niet alleen een nieuw licht op het omstreden koningschap van Willem II maar geeft de lezer ook een blik in het politieke besluitvormingsproces gedurende een periode waarin nog geen sprake was van volledige ministeriële verantwoordelijkheid De aantekeningen illustreren de vooraanstaande rol die Baud als staatsman heeft gespeeld **The Great Dictionary Dutch - English** Benjamin Maximilian Eisenhauer, This dictionary contains around 70 000 Dutch terms with their English translations making it one of the most comprehensive books of its kind It offers a wide vocabulary from all areas as well as numerous idioms The terms are translated from Dutch to English If you need translations from English to Dutch then the companion volume The Great Dictionary English Dutch is recommended [Migrations and Mobilities](#) Seyla Benhabib, Judith Resnik, 2009-03-01 **A Literary History of the Low Countries** Theo Hermans, 2009 What was the written culture behind visual artists like Vermeer Rembrandt and Rubens What made the historical novel in nineteenth century Flanders so different from its counterpart in Holland What was the literary impact of the huge colonial empires run by the Netherlands and Belgium What role did Latin French and Frisian play in the literary culture of the Low Countries through the ages Why is experimental writing so prevalent in modern Dutch literature What has made Cees Nooteboom an internationally acclaimed author And how does Flemish relate to Dutch anyway This first literary history of the Netherlands and Flanders in English since the 1970s answers these and many other questions Written by a team of Dutch and Flemish subject specialists it offers a comprehensive and authoritative account of the literature of the Dutch speaking area from the medieval period up to the present day While it focuses on literature written in Dutch it also assesses the significance of writings in French Latin and

Eilis Ward, Gillian Wylie, 2017-02-17 This edited volume focuses on charting the rise of neo abolitionism and offering a critique of the idea its logics and consequences A model of state policy which aims to abolish prostitution through legislation Neo abolitionism criminalises the buyer of sex but not the seller It is currently law in Sweden and other Nordic states and dominates the framing of policy debates in many other Western liberal contexts Pressure for adoption of this policy has come from radical feminists who understand prostitution and sex trafficking as a form of violence against women This volume argues that this convergence between radical feminism and state s interests arises from the emergence of on the one hand governance feminism which seeks to have its ideals implemented through top down sovereigntist means and on the other hand state s interests in legitimising stricter border controls and law enforcement responses in relation to transnational organised criminality illegal migration and security Based around a series of country case studies each chapter will explore the politics surrounding the emergence of neo abolitionism and its trajectory through those polities whether the paradigm has been adopted rejected or is still under debate The volume will be of great interest to students and scholars of Social and Public Policy Gender and Women s Studies Politics and International Relations and Critical Legal Studies Criminology
