Simply Put Catherine McGrew Jaime, 2011-03-06 Updated to include the recent changes for the good on Amazon's CreateSpace Self publishing contains a whole new series of options today that never existed before From specialized websites like www.CurrClick.com to a number of other great places like www.Amazon.com and www.Smashwords.com publishing your own materials is so much easier and cheaper than it used to be I have been writing books booklets and games for 20 years But until my sister in law introduced me to CurrClick last year I never realized what types of options I had to share my materials with others outside of my little corner of the world Six

months later I was putting my first books on Amazon s CreateSpace as paperbacks and as e books for Kindle I was shocked at how easy it was and could only wonder why I had waited so long Not everyone has dreams of writing and publishing dozens of books but it seems that every time I turn around I meet someone who has at least one book that they would like to share with a larger portion of the world But they don t know where to begin In this short book I share with you my journey through a number of self publishing options and tell you how easy and inexpensive usually free it can be for you to get your book published My hope is to take the mystery out of self publishing and help you get started on your own self publishing journey
