Puentes Y Atajos

Leandro Fernández de Moratín

Puentes Y Atajos:

Moving Otherwise Victoria Fortuna, 2019 *Moving Otherwise* examines how contemporary dance practices in Buenos Aires Argentina enacted politics within climates of political and economic violence from the mid 1960s to the mid 2010s From the repression of military dictatorships to the precarity of economic crises contemporary dancers and audiences consistently responded to and reimagined the everyday choreographies that have accompanied Argentina's volatile political history The titular concept moving otherwise names how both concert dance and its off stage practice and consumption offer alternatives to and modes to critique the patterns of movement and bodily comportment that shape everyday life in contexts marked by violence Drawing on archival research based in institutional and private collections over fifty interviews with dancers and choreographers and the author's embodied experiences as a collaborator and performer with active groups the book analyzes how a wide range of practices moved otherwise including concert works community dance initiatives and the everyday labor that animates dance It demonstrates how these diverse practices represent resist and remember violence and engender new forms of social mobilization on and off the theatrical stage As the first book length critical study of Argentine contemporary dance it introduces a breadth of choreographers to an English speaking audience including Ana Kamien Susana Zimmermann Estela Maris Alejandro Cervera Renate Schottelius Susana Tambutti Silvia Hodgers and Silvia Vladimivsky It also considers previously undocumented aspects of Argentine dance history including crossings between contemporary dancers and 1970s leftist political militancy Argentine dance labor movements political protest and the prominence of tango themes in contemporary dance works that address the memory of political violence Contemporary dance the book demonstrates has a rich and diverse history of political engagement in Argentina *English Language Teaching in South America* Lía D.

Kamhi-Stein, Gabriel Díaz Maggioli, Luciana C. de Oliveira, 2017-05-23 This book investigates new English language policies and initiatives which have been introduced and implemented across Argentina Brazil Chile Colombia Ecuador Uruguay and Venezuela Chapters are organized around three themes Chapters in the first section critically examine newly implemented English language policies as well as factors that contribute to and prevent the implementation of such policies Chapters in the second section describe and analyze current teacher preparation and teacher development initiatives in addition to the challenges and opportunities associated with such initiatives Finally the third section features school and classroom based research designed to investigate the status of English language teaching and the implementation of innovative programs All authors have a first hand understanding of the South American context and draw on references and resources which originate beyond Inner Circle countries The book showcases examples of innovation and success in a variety of complex contexts and will serve as a starting point for researchers as well as being of interest to students policymakers and stakeholders This book is open access under a CC BY NC ND licence *Los puentes de la traducción* Fabienne Bradu, 2004
