Puja And Samskara:

Pūjā and Saṃskāra Musashi Tachikawa, Shoun Hino, Lalita Deodhar, 2001 This book treats two representative Hindu rituals of contemporary India Puja offering service and Samskara initiation rituals at important occasions of life Samskara rites are performed at significant junctures of an individual's life from birth to death by the individual's family Puja rites rather than being performed in relation to the life cycle of an individual in a family are more deeply related to the annual rituals of the cult to which an individual or the person's family belongs Persons may go to a temple and request priests to perform puja rites or they may perform them themselves at home For people living in India Puja and Samskara are not at all uncommon Puja rites are performed everywhere at temples in private homes on street corners and although in recent times families observing all the traditional Samskara rites have declined in number almost all Hindu families still perform the major Samskaras it is difficult however for those living outside India to know how these rites are performed Hence this book presents a large number of photographs that enable readers to gain an accurate grasp of them and indicates the place of ritual in the total structure of religion

Encompassing a Fractal World Gil Daryn, 2006-01-01 Encompassing a Fractal World presents a groundbreaking innovative paradigm which opens up new perspectives for understanding and analyzing Hindu life and culture. In particular it has crucial implications for the understanding of Hindu cosmology ritual architecture kinship social relationships and agriculture as well as modern anthropological theories of ritual action and agency. Gil Daryn's main thrust is not that the fractal concept may neatly bring together much of what has been written about Hindu culture but instead it argues the case for an additional and gendered fractal dimension. Encompassing a Fractal World is exceptional in scope drawing from an extensive set of comparative materials ranging from Vedic cosmogonies and sacrifice through Puranic mythology to

contemporary ethnographic accounts from Nepal and India This book is an interdisciplinary comparative work which attempts to connect the dots moving beyond isolated local village based studies in order to bridge the gulf between anthropology and Hindu studies Responses to 101 Questions on Hinduism John Renard,1999 A short user friendly introduction to major historical cultural spiritual and theological points of interest in the complex of faith traditions known collectively as Hinduism **Anna-daan, Food Charity in India** K.V.
