Seen and Heard in Mexico Elena Jackson Albarran,2015 During the first two decades following the Mexican Revolution children in the country gained unprecedented consideration as viable cultural critics social actors and subjects of reform Not only did they become central to the reform agenda of the revolutionary nationalist government they were also the beneficiaries of the largest percentage of the national budget While most historical accounts of postrevolutionary Mexico omit discussion of how children themselves experienced and perceived the sudden onslaught of resources and attention Elena Jackson Albarran in *Seen and Heard in Mexico* places children's voices at the center of her analysis Albarran draws on archived records of children's experiences in the form of letters stories scripts drawings interviews presentations and homework assignments to explore how Mexican childhood despite the hopeful visions of revolutionary ideologues was not a uniform experience set
