Zentrepreneur John J. Murphy, 2013-09-23 Let John Murphy be your guide through the mine fields that accompany any change effort. Dr. Ken Blanchard coauthor *The One Minute Manager*. What happens when you integrate the art of positive thinking and the freedom of spiritual well being with the business of getting desirable results? You tap the extraordinary power and mystery of the Zentrepreneur. You overcome resistance to change. You see opportunities instead of problems. You transcend fear-based motivation and the illusion of control. You inspire limitless creativity and leading edge innovation. The world of business does not rest. The journey of innovation does not end. Competitive advantage is now all about who comes up with the solution first, often without the market even knowing there is a problem. John Murphy combines profound spiritual wisdom and emotional intelligence with intellectual capital and 30 years of practical business experience to demonstrate a new level of leadership. Resistance to change is a challenge every leader must face. Here is a book on how to overcome it.

#Teamwork Tweet Book01 Caroline G. Nicholl, 2010 The book reveals what makes up an effective team, how to get a team to focus on its core purpose, and the role of strong but not egotistical leadership in team performance.

Sage Leadership John Murphy, 2010-11-22 Light a match in a dark room and watch as the light instantly overcomes the darkness. Observe the power, energy, and grace of that single solitary flame dancing with life. Now light several candles or kindle a fire and experience the added warmth and comfort extending from that first vulnerable flame through others. This is the heart and soul of leadership, the essence of inspiring people and awakening the spirit in work. Sage Leadership is about courageously casting off fear, doubt, and limiting beliefs and giving people a sense of hope, optimism, and accomplishment. It is about inspiring others by being in Spirit. When you finish this book, you will no longer see things as you see them now. You will see the world with higher awareness and new light, the light of sage leadership.
