Pulpit Commentary was first published between 1880 and 1919 and is a highly respected work written by conservative trustworthy men. Containing over 22 000 pages and 95 000 entries it is one of the largest and best selling homiletic commentary sets of all time. It was directed by editors Joseph Exell and Henry Donald Maurice Spence Jones and utilized more than 100 authors over a 30 year span. When reading this commentary it is not difficult to see why it has remained a favorite amongst pastors for more than 100 years. There are three key elements which set this apart from its contemporaries: the first being that it gives an exposition or verse by verse annotation of each verse in the Bible. The second element is that it explores the framework of the text, the homiletics. Finally, it supplies the homilies with multiple model sermons from various authors. Also included is a translation as well as historical and geographical information. The Evangelical Magazine and Missionary Chronicle declared: 'This commentary bids fair to take a conspicuous place among the ever multiplying aids to the study of the Holy Scriptures. It will revive the great work of Lange and will far exceed the Speaker's Commentary in the bulk and fullness of its material. The peculiarity of the Pulpit Commentary is that it offers special assistance to the preacher, first by giving him a critical and exegetical exposition of the text of Scripture and then providing him with succinct and helpful directions as to the preachable aspects of the chapter and paragraph already explained. The print edition of this set typically retails for more than 1 000, making the current offered price a very good bargain. Due to its size it has been broken up into nine separate volumes: Volume 1 Genesis to Joshua; Volume 2 Judges to 2 Kings; Volume 3 1 Chronicles to Job; Volume 4 Psalms to Song of Songs; Volume 5 Isaiah to Daniel; Volume 6 Hosea to Malachi; Volume 7 Matthew to John; Volume 8 Acts to Philippians; Volume 9 Colossians to Revelation. The footnotes have been placed in line with the text, with each footnote number enclosed in red brackets, i.e. and the text in green. There is also a linked table of contents at the beginning of each volume for ease of navigation.

Key Features: Over 22 000 pages with more than 95 000 entries. One of the largest and exhaustive commentary sets of its kind. Contributions from over 100 authors. Expositions with thorough verse by verse commentary of each verse of the Bible. Homiletics with the framework or overall look of the text. Homilies: four to six sample sermons from various authors. Shaping Israelite Identity through Prayers in the Book of Chronicles Kiyoun Kim, 2021-11-18 What is the post exilic Israelites destiny What should they have hoped for How could they actualize their desired community This book discusses the identity of the post exilic Israelite community by focusing on the unique rhetorical impetus in the book of Chronicles Chronicles suggests a picture of the desired future Israel Yet the Chronicler does not call for a new identity creation ex nihilo from the community but calls for the restoration of the Israelites past identity by reporting the history of Israel and Judah The restoration of their past identity can be actualized when members of the community fulfill portrayed roles and characteristics in Chronicles worshipping monotheistic believing and praying and Davidic citizenship Further recorded prayer plays a crucial role as Chronicles persuades its readers to render or exhibit those roles and characteristics Prayer invites the community members to participate so that they transform past prayers into their own prayers By doing so the prayer participants perceive portrayed roles and characteristics and change their attitude By rendering and exhibiting desired roles and characteristics they eventually hope for and actualize a better community the liturgical community Thy Will Be Done on Earth Buddy Hanson, 2004-01-20
