## **Pulsation Of Love:**

*Pulsation of Love* Naomi Navec, 2019-06-08 a love story      *Love & Light* Clayton Tylor, 2017-05-20 This book examines Swedenborg's spiritual experiences of Heaven and Hell from an esoteric perspective as a feeling the language of angels and spirits To perceive this spiritual feeling begins the regeneration process that develops an inner perception of celestial love as spiritual light When we can perceive love and light as a feeling as it expresses through our physical senses we can start to affect our own psycho spiritual development to evolve from a sensual to a spiritual feeling of conjugal love As we examine love and light as a spiritual feeling through heaven and hell we too begin to experience a deeper spiritual awareness which can initiate a personal communication with the Divine as a Conjugal Love experience With creative self expression as our goal we can take regeneration into our own hands to speed up our own evolution while we transmute the forces that block the spiritual feeling of the Brotherhood of Mankind and thereby together manifest the feeling of Heaven on Earth

**Conjugal Love: Our Path of Return** Clayton Tylor, 2019-03-04 Conjugal love is the Divine as a feeling It is the spiritual heat and light of every soul It is the feeling of gratitude to the Universe together with the feeling of mutual love to the neighbor To receive conjugal love requires that we first will the affection of love upwards and outwards In this way we expand our sense of self to get a glimpse of the feeling of the four fold rhythm of Divine order Once the sensual rhythm of Divine order has been established as the feeling of love it purifies our feeling of self of its identification and attachment with the physical body This new spiritual perspective transforms our sense of self from personality to individuality which then awakens the feeling of conjugal love The feeling of conjugal love is our Path of Return Within the flow of the feeling of conjugal love we can sense our spiritual self first as the feeling of profound peace but then as higher states of love as feelings of being infinite and eternal
