Pumpkin Day Pumpkin Night:

Pumpkin Day, Pumpkin Night Anne Rockwell, 2001-09-01 Relates a boy's excitement in buying the perfect pumpkin and then making the perfect jack o lantern **Pumpkin Day, Pumpkin Night** Anne F. Rockwell, 1999 Relates a boy's

excitement in buying the perfect pumpkin and then making the perfect jack o lantern **Pumpkin** Cindy Ott, 2012-12-01 Why do so many Americans drive for miles each autumn to buy a vegetable that they are unlikely to eat While most people around the world eat pumpkin throughout the year North Americans reserve it for holiday pies and other desserts that celebrate the harvest season and the rural past They decorate their houses with pumpkins every autumn and welcome Halloween trick or treaters with elaborately carved jack o lanterns Towns hold annual pumpkin festivals featuring giant pumpkins and carving contests even though few have any historic ties to the crop In this fascinating cultural and natural history Cindy Ott tells the story of the pumpkin Beginning with the myth of the first Thanksgiving she shows how Americans have used the pumpkin to fulfill their desire to maintain connections to nature and to the family farm of lore and ironically how small farms and rural communities have been revitalized in the process And while the pumpkin has inspired American myths and traditions the pumpkin itself has changed because of the ways people have perceived valued and used it Pumpkin is a smart and lively study of the deep meanings hidden in common things and their power to make profound changes in the world around us **Seasonal Science, Grades Preschool - 1** , 2012-10-22 This title features hands on outcome based

science activities that reflect the seasons of the year These activities are explorations and investigations in life earth and physical science that use commonly accepted science inquiry skills Some reproducible charts and pattern pages are included
