Felser,2011-04-01 From Christian believers in the Apocalypse and the Rapture to New Age enthusiasts of prophecies concerning the year 2012 Doomsday lore has been a part of culture a myth that colors how we perceive the world Why do we remain obsessed with Doomsday myths even when they fail to materialize What if we haven t recognized the true message of these myths Blending history psychology metaphysics and story philosopher and author Joseph Felser explores the spiritual questions raised by these enduring myths Along the way he consults the work of Joseph Campbell Carl Jung Marie Louise von Franz Black Elk Wovoka Itzhak Bentov Jane Roberts Seth Hermann Hesse Ingo Swann David Bohm Fred Alan Wolf J Allen Boone William James and Robert Monroe through ever widening circles of understanding Felser suggests that our obsession with The End of the World hides a repressed healthy longing for reconciliation with our inner and outer worlds with nature and our own natural spirituality He urges us to recognize and act upon that longing When we begin to listen to nature s voice and pay heed to our own dreams including visions intuitions and instinctive promptings the greatest revolution in all history will unfold We can create a future of our own choosing a beginning rather than an ending **Cargo Cults and Millenarian Movements** G. W. Trompf,2012-10-25 The series Religion and Society RS contributes to the exploration of religions as social systems both in Western and non Western societies in particular it examines religions in their differentiation from and intersection with other cultural systems such as art economy law and

politics Due attention is given to paradigmatic case or comparative studies that exhibit a clear theoretical orientation with the empirical and historical data of religion and such aspects of religion as ritual the religious imagination constructions of tradition iconography or media In addition the formation of religious communities their construction of identity and their relation to society and the wider public are key issues of this series Epiphanies Ann Jauregui,2007-07-01 In a quiet moment of therapy a breakthrough comes the miracle of the new To experience an epiphany is to have sudden insight into the essential meaning of something unleashed sometimes in exquisitely slow motion sometimes in a flash In an intimate lyrical integration of the science of psychology and transcendence of spirituality celebrated clinician Dr Ann Jauregui introduces us to nine individuals who have undergone astonishing transformations by exploring a world quite different from the one described by our five senses With moments of miraculous and joyful surprise Epiphanies exposes a reality outside of everyday existence that has momentous implications for life s ultimate questions Shyly we venture out with these stories Dr Jauregui writes into a world where science itself is struggling to describe a realm out of time and space and language We are the beneficiaries of these extraordinary shifts of perspective invited into a sparkling conversation that allows us to see the potential residing in all of us **A Frank Waters Reader** Frank Waters,2000 A collection of writing from 15 books by Southwestern writer Frank Waters encompassing his nonfiction and his novels over a period of 40 years **Deep Waters** Frank Waters,Alan Louis Kishbaugh,2017-04-15 A lively introduction to the breadth of Waters s work Deep Waters touches on themes of ecology philosophy pre Columbian Eastern philosophy Egyptology American Indians and a host of other subjects reflecting the great cultural shifts occurring at the time Hopis and the Counterculture Brian Haley,2024-10-29 This book addresses how the Hopi became icons of the followers of alternative spiritualities and reveals one of the major pathways for the explosive appropriation of Indigenous identities in the 1960s It reveals a largely unknown network of Native non Indian and neo Indian actors who spread misrepresentations of the Hopi that they created through interactions with the Hopi Traditionalist faction of the 1940s through 1980s Significantly many non Hopis involved adopted Indian identities during this time becoming neo Indians Exploring the new social field that developed to spread these ideas Hopis and the Counterculture meticulously traces the trajectories of figures such as Ammon Hennacy Craig Carpenter Frank Waters and the Firesign Theatre among others Drawing on insights into the interplay between primitivism radicalism stereotyping and identity Haley expands on concepts from scholars such as Roy Harvey Pearce s notion of isolated radicals and Jonathan Friedman s observations regarding the ascendancy of primitivism amid global crises Haley scrutinizes the roles played by non Hopi actors and the timing behind the widespread popularization of Hopi religious practices The Invention of Prophecy Armin W. Geertz,2023-11-15 Armin Geertz corrects what he sees as basic American and European tendencies to misrepresent non Western cultures Carefully documenting the historical role of prophecy in Hopi Indian religion Geertz shows how prophecies about the end of the world have been created by the Hopi Traditionalist Movement and used by non

Indian movements, cults, and interest groups. Many of the seeming peculiarities of Hopi religion and culture have been invented, he says, by tourists, novelists, journalists, and scholars, and the millennial Traditionalist Movement has subtly co-authored European and American stereotypes of Indians. Geertz's richly detailed examples and persuasive arguments will be welcomed by all those interested in Native American studies, comparative religions, anthropology, and sociology. Armin Geertz corrects what he sees as basic American and European tendencies to misrepresent non-Western cultures. Carefully documenting the historical role of prophecy in Hopi Indian religion, Geertz shows how prophecies about the end of the world have been

At the End of Time Robin Robertson, 2011-05-01 Many cycles predicting the end of times fill our modern dialog from the coming of the Millennium to 2012. Robin Robertson helps to clarify these prophecies and offers insight into the central issues of our challenges and the experience and their life-changing implications. For eighteen hundred years the prophecies in the Book of Revelation have captured the collective Western imagination. Saint John's rich imagery and the dramatic urgency of the looming disasters he predicts have both fascinated and frightened us with its apparent message that the end of time is near. Robin Robertson, Ph.D., deciphers the mystical theology and visions of the prophets, seers, and shamans. His analysis incorporates the insights of modern mathematics and Chaos Theory as well as his personal insights gained through his work as a Jungian therapist and teacher. Robertson holds a mirror to humanity's need to know Self and God. He explains that Saint John's vision foretells the massive change in consciousness that is happening in our time.

Writing the Southwest David King Dunaway, Sara L. Spurgeon, 2003 The accompanying CD provides excerpts from the interviews with the authors.

The Book of the Hopi Frank Waters, 1977-06-30 The secrets of the Hopi road of life revealed for the first time in written form. In this strange and wonderful book, thirty elders of the ancient Hopi tribe of Northern Arizona, a people who regard themselves as the first inhabitants of America, freely reveal the Hopi worldview for the first time in written form. The Hopi kept this view a secret for countless centuries, and anthropologists have long struggled to understand it. Now they record their myths and legends and the meaning of their religious rituals and ceremonies as a gift to future generations. Here is a reassertion of a rhythm of life we have disastrously tried to ignore and instincts we have tragically repressed and a reminder that we must attune ourselves to the need for inner change if we are to avert a cataclysmic rupture between our minds and hearts.

Native American Identities Scott B. Vickers, 1998 An engaging study of stereotypes and archetypes of Native Americans in fiction and art.

A Literary History of the American West Western Literature Association (U.S.), 1987 Literary histories of course do not have a reason for being unless there exists the literature itself. This volume, perhaps more than others of its kind, is an expression of appreciation for the talented and dedicated literary artists who ignored the odds, avoided temptations to write for popularity or prestige, and chose to write honestly about the American West, believing that experiences long known to be of historical importance are also experiences that need and deserve a literature of importance.

Indiscipline Alicia Carroll, 2024-10-25 In the last few years, there have been myriad media reports

regarding Federal Indian boarding schools and their grisly history of violence and cultural erasure against Native people in the United States The US government recently acknowledged its role for the first time with the Department of the Interior's publication of the Federal Indian Boarding School Initiative Investigative Report In this book Alicia Carroll tells the history of one form of literary Native resistance to this violence that of the collaboratively written autobiography Focusing on work by Hopi boarding school residents Carroll shows readers that collaborative autobiographical authorship is a practice of Indigenous intellectual sovereignty using a method they dub indisciplinarity a strategy of defying refusing or purposefully failing to follow mandates to conform to settler colonial sex and gender norms including heteronormativity the binary construct of sex and gender and the idea of personhood itself Through collaboratively written autobiography Carroll argues that Native authors not only resisted colonial attempts to use sex and gender to alienate them from their homelands and bodies they created an important Indigenous literary genre that informs our understanding of Native life and art today *Reference Encyclopedia of the American Indian* Barry T. Klein,1990 This encyclopedia of the North American Indian includes listings of reservations councils associations schools health services libraries publications and college and university courses in the United States including Alaska and Canada **Rainbow Body** Kurt Leland,2016-01-01 If you've ever had questions about the inconsistencies between chakra systems or wondered where the names colors locations and other associations came from 8212you'll find the answers here along with 24 tables and 28 black and white illustrations showing how the Western chakra system developed from the mid 19th through the 20th century many from rare and forgotten sources Based on the teachings of Indian Tantra the chakras have been used for centuries as focal points for healing meditation and achieving a gamut of physical emotional and spiritual benefits from improved health to ultimate enlightenment Contemporary yoga teachers energy healers psychics and self-help devotees think of the chakra system as thousands of years old Yet the most common version in use in the West today came together as recently as 1977 Never before has the story been told of how the Western chakra system developed from its roots in Indian Tantra through Blavatsky to Leadbeater Steiner to Alice Bailey Jung to Joseph Campbell Ramakrishna to Aurobindo and Esalen to Shirley MacLaine and Barbara Brennan Anthropos ,1990
