Punch Cartoons The Battle Of The Sexes:

Making Peace Susan Kingsley Kent, 2019-01-15 Making Peace provides a fresh context for understanding gender relations in interwar Britain seeing in the emergence of a powerful ideology of motherhood and a reemphasis on separate spheres for men and women a corollary to the political and economic restructuring designed to reestablish social order after World War I The war had often been explained and justified to the British public by means of images that portrayed women as hostile or frightening or as victims of sexual assault as in the Belgian atrocity stories These sexualized interpretations of war then shaped postwar understandings of gender as psychiatrists psychologists and sexologists drew on metaphors of war to talk about relationships between men and women likening any conflict between the sexes to the terrible chaos of the war years Drawing on materials from posters to popular songs from government reports to journalistic accounts from memoirs and novels to diaries and letters Making Peace is a penetrating analysis of how gendered and sexualized depictions of wartime experiences compelled many Britons to seek in traditional gender arrangements the key to postwar order and security In the interwar period many feminists compromised their earlier positions in an effort to contribute to postwar recovery and justified their demands for birth control and family endowment for example in conservative terms that ultimately hampered their movement Susan Kingsley Kent is Associate Professor of History at the University of Colorado at Boulder She is also the author of Sex and Suffrage in Britain 1860-1914 Princeton Originally published in 1993 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Female Embodiment and Subjectivity in the Modernist Novel Renée Dickinson, 2012-08-21 This study considers the work of two experimental British women modernists writing in the tumultuous interwar period Virginia Woolf and Olive Moore by examining four crucial incarnations of female embodiment and subjectivity female bodies geographical imagery national ideology and textual experimentation Dickinson proposes that the ways Mrs Dalloway and The Waves by Virginia Woolf and Spleen and Fugue by Olive Moore reflect expose and criticize physical geographical and national bodies in the narrative and form of their texts reveal the authors attempts to try on new forms and experiment with new possibilities of female embodiment and subjectivity

Victorian Sexual Dissidence Richard Dellamora, 2019-04-08 Recent critical and historical work on the late Victorian period has furnished a vocabulary for discussing gender and sexuality These popular terms include categories such as homo hetero patriarchal feminist and masculine effeminate This collection exploits this framework while refining and resisting it in places to show how certain Victorians imagined difference in ways that continue to challenge us today One essay for example traces the remarkable feminist appropriation of male

identified fields of study such as Classical philology Others address the validation of male bodies as objects of desire in writing painting and emergent modernist choreography The writings shed light on the diverse interests served by a range of cultural practitioners and on the complex ways in which the late Victorians invented themselves as modern subjects This volume will be essential reading for students of British literary and cultural history as well as for those interested in feminist gay and lesbian studies Contributors are Oliver Buckton Richard Dellamora Dennis Denisoff Regenia Gagnier Eric Haralson Andrew Hewitt Christopher Lane Tha s Morgan Yopie Prins Kathy Alexis Psomiades Julia Saville Robert Sulcer Jr Martha Vicinus *Strategy in the Sex War* Pat Milsom,1973 **Punch** ,1928 Comics Studies Charles Hatfield,Bart Beaty,2020-08-14 A concise introduction to one of today s fastest growing most exciting fields Comics Studies A Guidebook outlines core research questions and introduces comics history form genres audiences and industries Authored by a diverse roster of leading scholars this Guidebook offers a perfect entryway to the world of comics scholarship *France Between the Wars* Sian Reynolds,2002-11-01 Sian Reynolds challenges the prevailing assumption that women had little influence or power in France during the interwar period She combines extensive empirical research with revealing insights into France s political history and women s history **Great Cartoons of the World** John Bailey,1975 **Too Good to Get Married** Bonnie Yochelson,2025-06-03 Explore Gilded Age New York through the lens of Alice Austen who captured the social rituals of New York s leisured class and the bustling streets of the modern city Celebrated as a queer artist she was this and much more Alice Austen 1866 1952 lived at Clear Comfort her grandparent s Victorian cottage on Staten Island which is now a National Historic Landmark As a teenager she devoted herself to photography recording what she called the larky life of tennis matches yacht races and lavish parties When she was 25 and expected to marry Austen used her camera to satirize gender norms by posing with her friends in their undergarments and in men s clothes smoking cigarettes and feigning drunkenness As she later remarked she was too good to get married Austen embraced the rebellious spirit of the New Woman a moniker given to those who defied expectations by pursuing athletics higher education or careers She had romantic affairs with women and at 31 she met Gertrude Tate who became her life partner Briefly Austen considered becoming a professional photographer She illustrated *Bicycling for Ladies* a guide written by her friend Violet Ward and she explored the working class neighborhoods of Manhattan to produce a portfolio *Street Types of New York* Rejecting the taint of commerce however she remained within the confines of elite society with Tate by her side Although interest in Austen has accelerated since 2017 when the Alice Austen House was designated a national site of LGBTQ history the only prior book on Austen was published in 1976 Copiously illustrated *Too Good to Get Married* fills the need for a fresh and deeply researched look at this skillful and witty photographer Through analysis of Austen s photographs Yochelson illuminates the history of American photography and the history of sexuality **The Complete Idiot's Guide to Drawing Manga** John Layman,David Hutchison,2008 *The Complete Idiot s Guide to Drawing Manga* Illustrated Second Edition is an enhanced

Munsey's Magazine ,1920 **A History of English Laughter** ,2021-11-01 Is there a history of laughter Or isn t laughter an anthropological constant rather and thus beyond history a human feature that has defined humanity as homo ridens from cave man and cave woman to us The contributors to this collection of essays believe that laughter does have a history and try to identify continuities and turning points of this history by studying a series of English texts both canonical and non canonical from Anglosaxon to contemporary As this is not another book on the history of the comic or of comedy it does not restrict itself to comic genres some of the essays actually go out of their way to discover laughter at the

margins of texts where one would not have expected it all in Beowulf or Paradise Lost or the Gothic Novel Laughter at the margins of texts which often coincides with laughter from the margins of society and its orthodoxies is one of the special concerns of this book This goes together with an interest in impure forms of laughter in laughter that is not the serene and intellectually or emotionally distanced response to a comic stimulus which is at the heart of many philosophical theories of the comic but emotionally disturbed and troubled aggressive and transgressive satanic and sardonic laughter We do not ask then what is comic but who laughs at and with whom where when why and how
